

STONEBRIDGE

STONEBRIDGE STRATEGIC, INC.

FACILITY INSIGHT | LIFE-SAFETY READINESS | OPERATIONAL RESILIENCE

Government and commercial facility assessment, life-safety, security, and preparedness services

CAPABILITY STATEMENT

2026

Stonebridge Strategic helps organizations identify, document, and manage facility, life-safety, security, and operational risks through practical field assessments, structured reporting, training, and program support.

COMMERCIAL FACILITY ASSESSMENTS

- Commercial facility visual assessments and condition documentation
- Building-system inventories, photographic deficiency reports, and capital-planning support
- Property acquisition, operational, and post-event walk-throughs
- Corrective-action tracking, reinspection, and closeout documentation

FIRE AND LIFE SAFETY SERVICES

- Fire-door assembly inspection, inventory development, and identification
- NFPA 80-oriented deficiency documentation and photographic reporting
- Egress, exit-route, emergency-lighting, and exit-sign visual surveys
- Life-safety documentation support and corrective-action verification

SECURITY, PREPAREDNESS, AND RESILIENCE

- Physical security and vulnerability assessments
- Workplace-violence prevention and behavioral-threat awareness
- Emergency action, continuity, and critical-incident planning
- Tabletop exercises, readiness training, and program development

DIFFERENTIATORS

- Veteran-led team with military, federal law-enforcement, fire-service, code-inspection, and emergency-management experience
- Integrated assessment perspective spanning facility condition, life safety, security, and operational readiness
- Independent, vendor-neutral observations with structured photographic reporting
- Responsive small-business delivery for government and commercial clients

KEY PERSONNEL QUALIFICATIONS

- NC Fire Inspector II, career fire-service, EMT, and fire-investigation experience
- Former FBI Special Agent leadership and ASIS Certified Protection Professional (CPP)
- CCPIA fire-door and life-safety inspection coursework, with commercial inspection credential development
- Military, law-enforcement, protective-security, and federal operational experience
