Bayou Rouge Condominiums' parking policy allows a unit to park 1 vehicle in Zone A (blue permit) and extra vehicles in Zone B (red permit). An \$18 REPLACEMENT FEE will be charged for a lost permit.

LANDLORDS: Please provide new tenants with Vehicle Registration Form to complete the transfer of Parking Permits that are already assigned to your unit so we can update with their vehicles & contact info.

Parking tag MUST BE VISIBLY DISPLAYED in windshield or on dash in order to avoid being booted or towed. Inspections will be conducted from the exterior front of the vehicle. Tape may be used to secure Parking tag in position to prevent falling from rearview mirror or can be secured visibly on dash. Black tape may be used to neatly cover the property name as long as permit # remains visible.

Parking lots are for personal vehicles only. Commercial vehicles, large trucks, RV's, boats and trailers, and the like are prohibited, and will be towed without notice at vehicle owner's expense except as provided herein. Vehicles and trailers, including moving vans and carpet cleaning vans, are not allowed on the sidewalk or grass area. No vehicles may block sidewalks, gates, dumpsters, or clubhouse.

Any vehicles which are not operational or street worthy will be towed without notice at vehicle owner's expense. Street worthy shall be deemed to include current state license plate and inspection sticker, as well as all tires properly inflated. This determination is at the discretion of the property manager and board of directors. Vehicles must be insured and will be responsible for damages caused to this property.

With acceptance of a Parking Permit, you agree to follow the parking rules and regulations of Bayou Rouge and agree to inform your visitors of the parking policy. It is further understood that any vehicle in violation of the parking rules and regulations may be towed or booted without notice.

Towing/Booting will be enforced at any time by Management. Inspections will also be conducted by American Coachworks Towing/Booting 7 days/wk 11pm – 6am. Booting & Towing Fees Will Not Be Waived. If your vehicle is Towed/Booted, call American Coachworks Towing at 225-665-7427 to pay & release Vehicle/Boot.
