PRESIDENT'S MESSAGE

Hello, and welcome to the beginning of fall!

Even though I am penning this in mid-August, you will be reading it in early September. Another summer season has come and gone in what felt like the blink of an eye. The weather this summer was one for the books, as we seemed to get a taste of everything nature could throw at us. We had some really nice days, some very hot and humid days, the rain kept us on alert, and sometimes the winds caused a bit of havoc. I certainly see a change in the weather patterns year after year. The storm fronts are getting more aggressive and unpredictable as time goes on. Lagoon City sure looked very appealing this summer though, with all the vegetation growth, plants, flowers and green lawns. I love just taking a walk or drive around the neighbourhood to take in everything we have.

We have had a busy summer at the LCCA, with lots of events and activities. We had a couple of BBQs at the clubhouse that were well attended, with great food and lots of camaraderie between Members. The Blooms Contest brightened up the neighbourhood, and lots of activity participants enjoyed the building every week. The clubhouse was used for a wedding in July. The place looked fantastic all decorated up, and having the bride arrive by boat at the docks for her outdoor ceremony tells me how special our club is. Congratulations to the special couple!

We have more events and activities planned for the fall and into the winter to keep people connected, busy and entertained. I hope everyone takes advantage of their membership and comes out to support us and enjoy all we have to offer.

"We need you! Please reach out, without our volunteers and a robust Board, we do not exist."

ROB LEPAGE
LCCA PRESIDENT
705-331-9616
rglepage@live.com

Rob

I would like to thank all the members who supported us while we moved the membership renewal process to the Zeffy platform. This allows us to keep our membership lists current and in a practical format as we move forward. I would also like to thank our Membership Director, Sherry Gifford, for all her effort and hard work getting this underway and giving up hours of her time to put on Zeffy clinics to help people understand the process. If you still haven't renewed, please do, as we rely on our members' support!

On October 17, we will be holding our Annual General Meeting at the clubhouse, so please plan to attend. We will be voting in our next Board of Directors for the coming year. This year, we have some members stepping down and we need volunteers to come forward and join the Board. Without a robust Board, we cannot exist! We have some important roles to fill this time around, including Membership, Social, President and Vice President. As you can see, we need you to offer up some of your time and get involved. We need you!! I know that spare time is sometimes hard to come by, but the more people who pitch in, the less work we each have to do. Not to mention, we have some fun too! Please, please come talk to us and see if you can help us out in one capacity or another.

I would like to thank our current Board members and volunteers for all their dedication and effort in keeping the Lagoon City Community Association the sparkling diamond in our hidden jewel of a community.

Please contact me if you would like more information about joining the Board, or just helping out occasionally.

Have an awesome fall, and hope to see you around the 'hood'!

AN UPDATE FROM TEAM WAVE

*Thank you, Ethel, for all
the time and energy you
have devoted to the
LCCA Newsletter over
these past four years!*

ETHEL FORESTER

It's time to say a fond farewell to Ethel Forester, who has served as our Newsletter Editor since the fall of 2022. Ethel initially offered to “help out” but quickly had the main role thrust upon her. And, of course, she more than rose to the challenge.

Over the past four years, Ethel has worked with Denise to improve many aspects of the newsletter — from its visual presentation and the accuracy of information to a more streamlined printing and distribution process. Ethel is no pushover. She brings a perfect balance of an eye for detail, a firm hand when it comes to respecting the process, and a “get 'er done” attitude when deadlines are looming. Throughout it all, she has maintained her sense of humour and an appreciation for the efforts of others.

Since October 2025, Ethel has supported Lorraine as she transitioned into her new role as Communications Director, being very open to change while also sharing the backstory of what the newsletter means to our members and which elements are important to continue. Now, Ethel has new projects to move on to, so we are regretfully moving ahead without her at the helm.

Ethel, you will be missed and we are very grateful for the strong foundation you leave behind!

So, where do we go from here? Fortunately, we still have a great deal of newsletter knowledge and experience within the team. Denise, who has worked closely alongside Ethel for several years, will be helping to guide the editorial side of the newsletter as we move forward. Her experience with our advertisers, production process and overall newsletter operations makes her an invaluable part of this transition.

It is also the right time to broaden the team and share the workload. We are particularly looking for someone who would be interested in taking on, or helping with, advertiser relationships and coordination. We would also welcome members interested in contributing content, assisting with printing and production, or simply lending a hand as each issue comes together.

We publish six times a year, and there are a variety of ways to be involved without taking on the whole job. If you have an interest in writing, communications, advertising, design, organization — or would simply like to learn more about how the newsletter comes together — **we'd love to hear from you. Your newsletter team, Lorraine and Denise**

LCCA BOARD MEETING HIGHLIGHTS

August 11, 2026

Board Meeting Summary

- **Volunteers** are needed to fill LCCA Board positions that will be open as of October 17, 2026
- **Membership:** Member renewal is progressing well. Be sure to renew by August 31 if you have not yet had a chance to do so. We will participate in "Fill a Purse for a Sister" again this fall.
- **Communications:** Ethel Forester has decided to step down from her role with The LCCA Wave. We are very grateful for the time, energy and commitment Ethel has given to the newsletter and to the LCCA. We are looking for additional volunteers to join and support the newsletter team going forward. Denise Dickin has been actively reaching out to our existing advertisers regarding renewals for the upcoming year. Maintaining and growing this advertising support is important, as it not only offsets the cost of producing and distributing the Wave, but is also an important contribution to the LCCA/LCCB. With the upcoming Ramara municipal election, we have emailed all candidates currently listed by the Township as running for Mayor, Deputy Mayor and Ward 5 Councillor, offering them the opportunity to purchase advertising space in our September/October issue.
- **B Board:** The B Board/Blooms BBQ was very successful and raised \$780. Recent maintenance and repairs work include parking lot repairs (cracks filled and lines repainted), removing a number of broken and hanging tree limbs, repairing the furnace, inspecting all fire extinguishers and testing the AED. Eager Beaver will be back to finish the curb painting and will repair a small hole in the parking lot.
- **Social:** Golf day raised \$1,000 and was a big success, complete with superb costumes. Special thanks to Rory Friedman and Staff, Western Trent Golf Course for an excellent time. Shout out to Kelly LePage for selling both 50/50 and raffle tickets and also to everyone who participated in the day and/or who bought tickets. You helped raise money to support our community centre. Thanks also to everyone who participated in the Social Committee barbecue on August 18th. Upcoming events include: Mix n Mingles on September 19 and October 17; Lagoon City Star Squares on September 26 (we are seeking prize donations if you can help); Halloween on October 31st (giving out candy to the kids around 6 and Bill Nadeau will play from 7:30 – 11 ish); Members Christmas Dinner on December 9th.
- **Booking:** Nothing to report.
- **Finance:** We reviewed the draft LCCA and LCCB 2026-2027 budgets. Thank you to everyone who dropped off empties for our successful July bottle and beer can drive.
- **Meetings:** Next LCCA Board meetings: September 7 and October 13; AGM: October 17

LIVING WELL TOGETHER

Eat Well, Live Well

Keys to Help You Live Your Best Life Today and in the Years Ahead!

Have you or has someone in your family had a health crisis that changed your life? In my case, my husband, in the span of five years, had three serious cardiovascular events. As we sat in the emergency room the last time, we realized that medical treatment alone wasn't enough to prevent more serious health problems and we needed to figure out what else we could do ourselves.

I started researching, and even though I have a health sciences background, I was amazed to learn just how much impact nutrition and lifestyle have on preventing and reversing disease and optimizing health. In a couple of years, as I completed two certificates in Nutrition, I kept thinking "everyone needs to know this!"

I am excited to be able to share helpful things that I've learned with our Lagoon City community so that you too can see the power you have to make a positive impact on your health and your family's!

Watch for the new "Living Well Together" article in each issue of the WAVE, join us at the LCCA Clubhouse for monthly "Eat Well, Live Well Check-Ins", and join our "[LCCA Living Well Together - Wellness & Nutrition](#)" Facebook Group, all where we learn, share and support each other in our journey to healthy living!

Lagoon City Blooms

The Blooms awards were judged by two members of the Ontario Horticultural Association. Our LC Blooms team gave them a tour of Lagoon City both by car and by pontoon boat, so that they could view the many beautiful gardens from more than one vantage point. There were three categories: individual houses, condo corporations and individual condos.

Factors considered by the judges included design, diversity of plants and overall maintenance of the gardens. There were multiple winners, including several ties. There was lots to celebrate!

Congratulations to the various winners but also to all of the entrants. Participation in Blooms upped the garden game for so many properties in Lagoon City, creating a more beautiful and flower-filled landscape for all residents and visitors to enjoy.

It was great to have Lagoon City Blooms back, after a year's hiatus. Thanks to Jane Brown and her team - Rhonda Moriarty, Lynne Ganong, Rosemary Papadopoulos, and Ethel Forester - for organizing this friendly neighbourhood contest.

Thanks also to the B Board for hosting the BBQ on July 21, when the awards were presented. There was a big turnout - the room was full of LCCA members and guests!

COUNCIL LIAISON REPORT

Unbiased reporting of events deemed important to LCCA members

Wow, time flies. It seems that I was just saying summer is approaching, and now it is time to say, get ready for the fall season. It won't be long before we see the boats leaving for their winter abode and our snowbird neighbours packing and getting ready for their trip south or other destinations. These are troubling times we live in, and sometimes common courtesy and verbal skills get lost in our conversations, particularly on social media. However, like the seasons change, hopefully this too will pass. We are entering a beautiful time of year, with Mother Nature displaying her array of colours, so take hope in this change and enjoy our wonderful surroundings.

However, be careful, as the wildlife is also busy at this time of year. Also, as it is getting darker earlier each day, please be careful when out walking, as it can be difficult for drivers to see you. Support local merchants and, where applicable, our sponsors.

What's Happening

- **Effluent hauling** has begun again. You might want to check the Township website and search for Wastewater Treatment Facility 202 Project Fact Sheet to see full details of this project.

VOTE VOTE VOTE

- **Municipal elections are scheduled for October 26, 2026**, and this time we do have a number of candidates to choose from. Please see the Township website and search for Elections to get full details on voter registration, who is running, and how to vote. It's your community!
- Lagoon City residents and property owners are invited to attend a Town Hall meeting on Wednesday, Aug. 26, 2026, from 5 to 7 p.m. at the Township Administration Building (2297 Highway 12, Brechin) as part of an independent governance review of its relationship with the **Lagoon City Parks and Waterways Commission**. To learn more about the review and how to provide feedback visit: www.ramara.ca/HaveYourSay
- Our **canal machines are back in operation** and methodically cleaning the floating debris. Hopefully, lessons were learned and next year the process can start earlier and avoid homeowners' anxiety.

TERRY'S MARATHON OF HOPE

More than 45 years ago, a young Canadian set out to do something that seemed almost impossible. In April 1980, Terry Fox began his Marathon of Hope, determined to run across Canada to raise awareness and money for cancer research. Having lost his right leg to bone cancer at just 18 years old, Terry ran an average of 42 kilometres a day for 143 days — covering 5,373 kilometres before the return of his cancer forced him to stop.

But Terry's run never really ended.

Every September, communities across Canada continue what he started, gathering for Terry Fox Runs and Walks to raise funds for cancer research and to honour a legacy of courage, determination and hope.

This year, Lagoon City is once again part of the story.

A promotional poster for the Terry Fox Run/Walk event in Lagoon City. The poster features a large image of Terry Fox running on the right side, wearing a white t-shirt with 'MARATHON OF HOPE' and a maple leaf logo. The background shows a scenic view of a lake and trees. The text is arranged in a vertical layout with various icons and graphics. At the top, 'TERRY FOX' is in large, bold, black letters, with 'Run/Walk' in a red, cursive font below it. To the left of the date is a calendar icon with a red checkmark. The date 'SUNDAY, SEPTEMBER 20TH' is in bold black letters. Below the date is a location pin icon and the text 'MEET AT LAGOON CITY COMMUNITY CENTRE'. Further down is a red banner with a white running figure icon and the text 'RUN STARTS AT 10:00 A.M.'. Below this is a food promotion featuring an image of a burger and the text 'BBQ PEAMEAL ON A BUN FOR \$5.00 BEFORE RUN'. The registration time 'Registration: 8:30 - 9:45 a.m.' is in a blue banner. Below that is a 'VOLUNTEERS NEEDED' section with a running figure icon and a contact information box for Kim: kimbernorn@hotmail.ca. At the bottom, a blue banner says 'All proceeds go to the' followed by 'TERRY FOX FOUNDATION' in large, bold, black letters with a red maple leaf icon to the left. On the right side, there are silhouettes of a family (two adults and two children) walking.

The Lagoon City Terry Fox Run/Walk is an opportunity to come together with neighbours, family and friends, enjoy some fresh air and support a cause that has touched virtually every Canadian family in some way. You don't need to be a runner — Terry Fox events are intentionally non-competitive and inclusive. Walk, run, participate at your own pace, make a donation or simply come out and lend your support.

Earlier this year, the Terry Fox Foundation announced an extraordinary milestone: more than \$1 billion has now been raised for cancer research since Terry began his Marathon of Hope. It is proof of what can happen when ordinary people, in communities just like ours, keep moving a remarkable dream forward.

Come on out Lagoon City — and help continue Terry's Marathon of Hope.
