Brokerage Merger – New Logo, Same Service

In early October, my wonderful boutique Brokerage, **Pine Tree Real Estate**, merged with the highly regarded **Forest Hill Real Estate Inc., Brokerage**. Our team is now the new **Forest Hill Simcoe By Signature Division**. I am now part of a larger organization of over 1,000 agents across the GTA plus Simcoe.

I am very excited about this big change from a resource and networking perspective and I look forward to continuing to offer my services & volunteerism locally in Lagoon City and the surrounding areas. My contact information stays the same but my signs are different. Please reach out if you are thinking of Buying, Selling, Renting or Leasing.

President's Message

Hello and welcome to Autumn.

Here we are in mid- October and the weather is cooperating and allowing us to enjoy the season. Looking out and around Lagoon City is enough to make your heart soften and remind us why we live here. The trees are turning and releasing their leaves to the ground, the small animals are scurrying back and forth hiding their treasures, and even the birds are hanging around for one last song. The canals are looking a little empty these days as the boats are taken away and outdoor furniture is retreating into winter hibernation. It has been quite the Summer and Fall for incredible sunsets and bright moons. If I may suggest, take a walk around the neighbourhood and take some pictures on a sunny day of your favorite sights. Then store them in a file that you can easily find so on that cold, blowing day, mid winter, where the snow is up to your belt buckle and the windows are all frosted up, go back and look at the pictures and think about the sunny days of past and what is ahead next Spring.

If you are reading this article, it will mean that our Annual General Meeting will have passed and the general elections for the Board is complete, and we now have the 2025 - 2026 LCCA Boards of Directors. We will have a few new faces on the Board and a couple that have retired. I want to thank the 2025 Boards for all their hard work keeping this organization vibrant, healthy and welcoming for the members. Since Kelly and I are leaving for a vacation right after the AGM I cannot let you know the results in my article but they will be elsewhere in this newsletter. I will formally welcome the new Directors and thank the outgoing Directors in my next article. I do want to thank the membership for supporting us and taking advantage of all we have to offer. We are always looking for new ideas to keep our offerings fresh.

Some days it seems that the world is on fire and the future is unknown but this is nothing new. Changes, good and bad will always be part of our world, locally and planet wide. And now with social media, it seems so much more intensified. When it seems to get overwhelming, I suggest you close the front door, open the back door and with a deep breath, take in the beauty of Lagoon City. Please remember to take care of yourselves. Your mental health is important.

We are seeing some positive changes in Lagoon City as of late. The Mews has been very well resurrected and I am sure we will see businesses in there soon. We have a new restaurant opened at the marina and some infrastructure repairs ongoing. The trick is, we need to support these businesses so they stay and thrive in our community all year round. We have experienced what it is like without, let's help to keep them alive going forward.

In closing, I would like to say thank you to every member for all your support as we keep moving forward and I look forward to seeing and talking to everyone as we drag our heels into winter.

Cheers,

Rob

We would like to notify our LCCA members of the upcoming holiday closure...

Main Hall Activities Cancelled during Christmas and New Year's – The two weeks, from Sunday, December 21st up to and including Saturday, January 3rd, usually see some activities cancelled or attendance significantly reduced. Therefore, consistent with last year, the LCCA Board have decided to close the Main Hall during this time period.

Cancelling all Main Hall activities will achieve two things: it will help in reducing costs (hydro, heat and water) and it will also allow our Activity Leaders to have a much-deserved break as they give generously of their time year-round.

Mark these dates in your calendars.

COUNCIL LIAISON REPORT

(Unbiased reporting of events deemed important to LCCA members as detailed by Rick Driffield)

Well, here we are in Fall again with winter just around the corner. One can only hope that the winter of 2024/2025 will not repeat itself. I hope everyone took the opportunity

to get out and enjoy the fall colours and to take in the wonderful weather we have experienced. With daylight savings approaching I would remind all that it is getting darker earlier so walking at night can be hazardous. Please take the time to make sure you and your pet are visible by wearing reflective attire and/or carry a flashlight so that oncoming traffic can spot you well in advance. Also, please where possible make sure you are walking in the direction of oncoming traffic.

Our community has been in the spotlight over the past year or so, and unfortunately not all for the good. In my role of following the ongoings of our council I must say that if I were grading its yearly progress I would certainly not be giving it a passing grade and in fact would comment that it needs much improvement. As I have noted in the past it is not this writer's responsibility to ascertain blame or to form an opinion one way or the other, that is left to individual readers, however it is not a good thing to have council noted for legal battles, integrity issues, councillors blocked from attending meetings in person, resident protests, as well as residents need to form a HOA group because of a distrust in their councils handling of issues. While this is not the report card any community would hope for, it appears that Lagoon City is not alone; The Township of Rideau Lakes, the City of Cambridge and Tiny township, have also recently found themselves making headlines for council disputes, workplace issues, and public unrest.

On a more positive note, our **Lagoon City Mews** is coming to life again and it sure looks as if some good things are to follow. Our local restaurants are doing their best to service our community throughout the year with various entertainment options, optional menu selections and specials offered. It is important that we do our best to support these local entrepreneurs wherever possible.

Community Tip – good reason to be set up on the Ramara Customer Portal for water usage online data and usage alerts. Today I received the following email notification "*Meter %device% measured consumption has exceeded daily usage alert set up in customer portal for 10/19/2025 at 06:14 PM*". Upon examination discovered that I had a toilet that had been running for some time. Although the notification was an after effect it did allow me to resolve the issue before it caused more usage.

COUNCIL HIGHLIGHTS

Sports Dome: "Council reconsidered a resolution from June 23, 2025, regarding an enquiry motion to explore the feasibility of establishing a Sports Dome in the Township. Following reconsideration, Council directed staff to examine feasibility, options, and opportunities, including potential public-private partnerships and corporate sponsorships".

COUNCIL HIGHLIGHTS

Integrity Commissioner's Report: "Council received the Integrity Commissioner's Final Report regarding a Code of Conduct Complaint for Councillor Sherri Bell and adopted the recommendations contained in the report from the Integrity Commissioner, specifically suspending remuneration for a total of 60 days: 30 days for breaching Council's communication resolution and 30 days for breaching Sections 5.13 and 6.1 of the Code of Conduct"

Canine Control By-law: "Council received a report regarding the Canine Control By-law and approved repealing and replacing By-law 2005.76 with a new by-law to take effect upon approval of short form wording and set fines. Council authorized staff to seek *Provincial Offences Act* approval, explore establishing an Administrative Monetary Penalties System and amended Section 4.5 to strengthen requirements for the restraint, muzzling, signage, and vaccination records for dangerous dogs. Staff were directed to prepare a Council Information Package memo on standardized signage language and colours".

Shore/Retaining Walls: "Council received the report regarding Shore wall/Retaining Wall – Building Code Interpretation and supported interpreting shore walls as retaining walls regulated under the Ontario Building Code when meeting the criteria set out in Division A, Section 1.3.3.5. Council also approved amending By-law 2017.25 as set out in the report".

Annual Budget: It is the time of year that Township prepares and submits the 2026 Annual Budget. As this is your tax dollars being spent, I think it is important that everyone take the time to try and understand where your monies are being allocated. The following is the link to the proposed budget that will be reviewed by council or go to <https://www.ramara.ca/budget>.

In Memoriam

In the afternoon of September 11, 2025 Howard Christensen passed away unexpectedly from cardiac arrest at Southlake Hospital, Newmarket, with his wife of 41 years Ingrid by his side. A celebration of his life took place on October 19th. Howard and Ingrid discovered Lagoon City by chance and fell in love. Four months later – during a snowstorm and HWY 404 having been closed for hours – they moved to Turtle Path. They lived there for 21 years enjoying not just the beauty of the area but more importantly the people living there – friendly, big-hearted, generous and thoughtful. Despite the move to Orillia, you'll see Ingrid around at LCCA events.

Bob Rose passed away suddenly at home on October 29, 2025. He will be missed by his many friends in Lagoon City. After a long career in sales, retiring as VP Pharmacy Initiatives for a healthcare packaging company in 2009, Bob and his wife, Lynne, moved to South Island Trail in 2016. As an avid boater, Bob was drawn to the lifestyle of the waterfront community, especially since good friends of the Roses already lived here. Bob was a fixture at the regular Tuesday crowd at Wild Wings where the guys shared drinks and swapped stories. He also participated in the LCCA darts, bowling, dances, the Mix n Mingles as well as the LCCA car rally every year. A Celebration of Life will be held on Friday, November 14, 2025 at Low & Low Funeral Home, 1763 Reach Street, Port Perry, Ontario, from 1:00 to 4:00. Short program beginning at 2:00.

COMMUNITY SPIRIT SHINES BRIGHT

Thank you, Ramara, for carrying Terry's courage forward!

On Sunday, September 14, 2025, the 45th Annual Terry Fox Run united our community in a celebration of hope and courage, raising more than \$12,000 for The Terry Fox Foundation.

Thank you!
Over \$12,000 Raised!

Heartfelt thanks go to the Weeks family for their incredible contribution of over \$5,000 in loving memory of their patriarch, Ken Weeks — the run's greatest advocate. Appreciation also goes to Ramara Fire & Rescue Services for their sudsy efforts at the Brechin Fire Station, raising \$1,327.35; to the Brechin & District Lions Club for \$300; and to the Brechin Mara Legion Br. #488 Ladies' Auxiliary for \$100.

Sincere thanks to organizers Kim Robinson and "Stormin' Norm" for their tireless commitment, and to volunteers Jane Brown, Elaine Hastings, Cindy Osaduke, Brenda Schuurman, and Susan Potalivo, whose winter dance helped raise an additional \$2,300.

A big shout-out to the Lagoon City Community Association for hosting Run Day, and to Fisher's Independent, Foodland Brechin, and Brechin Tim Hortons for providing snacks and coffee. Thanks also to sponsors Jackie of Brechin Artefacts, Karin Stewart, Kevin Kea, Commercial Drywall, and Dr. Nick Robinson.

Together, Ramara showed its heart and unity — keeping Terry's dream alive for another year.

With thanks to Councillor Sherri Bell, for sharing this community update.

Dear Members,

This will be my last update, as I have stepped down as Communications Director. I would like to welcome Lorraine Bruce-HelmKay, who is taking over this role – thanks, Lorraine!

Also retiring is the email address (lcca.updates@gmail.com) that I have used to send out newsletters, event updates, and other communications. Going forward, this information will come from info@lcca.ca. Please take a moment to add this email address to your address book, so that your newsletters, etc., don't wind up in your spam folder. This is also the address for you to use to contact Lorraine, for anything related to LCCA communications.

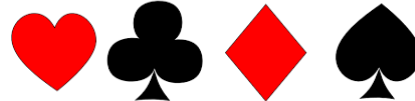

And while we are talking about email addresses, this is a reminder that the only email address to use for membership, including if you pay your dues by e-transfer, is membership@lcca.ca. Sherry Gifford is taking over this role from Karen Berends (welcome, Sherry) but the email address will remain the same. Karen is now our VP.

That's it for me. Ethel Forester and I will continue to work on the newsletter but otherwise, I'm looking forward to attending events and activities as a regular member.

Thanks for your support, everyone. Take care, Denise.

Revved Up & Rally-Ready!

IT'S A WRAP ON THE 2025 LAGOON CITY CAR RALLY!

Dave Cullum, Mike Argue, Deanna Argue, Barb Nichol, Glenn Nichol, Sue Hudema

A fun-filled day kicked off early on a beautiful, sunny Monday morning with 26 cars and 92 participants. Rally-goers picked their poker cards, tore open their route and question sheets, zeroed their trip odometers, and hit the open road for a day of laughter, friendly competition, and discovery.

Arguing (good-naturedly!), laughing, and scanning for clues, teams followed the scenic route through small towns, beautiful back roads, and newly discovered corners of Ramara, Durham, and Kawartha Lakes.

Mid-Rally Refuel: The first leg wrapped up at the picturesque Port Perry waterfront, where everyone enjoyed coffee, tea, and muffins under the picnic shelter. After handing in their first set of answers and solving a tricky riddle, teams picked new poker cards, received the second set of questions—and were off again!

The second leg took them on more winding roads, hidden gems, and photo-worthy views before the final stop at Western Trent Golf Club. There, a fabulous banquet buffet awaited—complete with chicken, salmon, and excellent service. Hats off to Rory and his staff for an outstanding meal!

CELEBRATING TRADITION: GLENN & BARB NICHOL

A special moment of the event was dedicated to Glenn and Barb Nichol, longtime organizers of the Lagoon City Car Rally. Their years of dedication helped shape this beloved community event into the highlight it is today.

This year, Glenn and Barb joined the banquet as honoured guests and presented the First Place Trophy—a heartfelt nod to their legacy. They expressed their gratitude and pride in seeing the rally continue to bring neighbours together, laughter filling the air, and engines revving for another great year.
