President's Message

Hello and welcome to the start of Fall in Lagoon City.

I hope every one enjoyed the extremely hot and dry Lazy Days of Summer the past couple of months. I certainly hope your summer was a good one and you were able to enjoy everything that our community has to offer. The beaches were inviting, the water was warm and the sun was shining almost every day. I have noticed a lot of multi generational families, enjoying walks around our beautiful neighbourhood, at the beach digging in the sand and splashing in the water. It is great to see so many kayakers and paddleboaters in the lagoons. This is what Lagoon City is all about, a safe fun space for everyone.

We started the summer with a Canada Day Boat Parade that was well attended both by boaters and on-shore observers, we went to the horse races in July and enjoyed the LCCA annual Pig Roast in August. Fall is shaping up to be another fun season for the members with many events planned. Please plan to attend as many as you can. Lots of hard work goes into making these a reality.

I ask that if you haven't renewed your membership that you do so as soon as possible. We don't want to lose you as member, especially if it is just forgotten about. We need your support and we believe that an LCCA membership has something to offer everyone. Please renew your membership and come out and meet people, enjoy events, play cards, exercise as much as you want.

On October 18 we will be hosting our Annual General Meeting and I invite you to attend. It is your club, and we need your input so we stay current and active. Do you have some time to share and want to stay involved? We are looking for some new Board members and I ask you to personally think it over and consider joining one of our Boards. We have two Boards that work independently, but cohesively, to keep the club and club house alive, safe and enjoyed by all. It doesn't take up a lot of time and your input and contribution is so important. If you want more convincing, give any current Board member or myself a call to discuss. If you are convinced, please complete the nomination form on page 11, and send it to me as soon as possible. Thank you for your consideration - you won't regret your decision!

We have had some very good news in the neighbourhood that shows peoples' commitment to Lagoon City. First, Fin City has a new owner and will continue to grow and serve the residents year-round. The second is, The Mews Storefront mall has new owners and is already in full revitalization mode. The third change is new operators have taken over the Marina and will be investing in bringing it back up to its former glory. These changes show that we as a community are important and investors are investing in Lagoon City. Let's help this new growth by supporting these businesses. I know many of us wanted revitalisation and it looks like we are getting it, so now we need to support. There are other things in the works and hopefully will come to fruition in the near future.

Every community has its issues, and Lagoon City is no exception. There is information available regarding the various groups that are willing to tackle some of these issues, and wherever possible, LCCA will (while remaining neutral as an Association) direct its members to source information so you can stay informed. In the meantime, enjoy Lagoon City for what it is. A Paradise that makes us smile, connect and give everyone a place to have the best life possible.

Cheers, Rob

Please join us for . . .

Council Liaison Report *(Unbiased reporting of events deemed important to LCCA members as detailed by Rick Driffield)*

Wow how time flies - it seems like just yesterday I was writing about Spring arriving with all its beauty and now here I am talking about the oncoming Fall

season. This year our forests have taken a beating what with the enormous snow this past winter, the ice storm, the extreme heat and dry periods, and now the fires that appear to be across the country. I looked at a map on TV the other day showing the fires and it looked like the entire country is on fire. It's as if mother nature is getting her revenge for years of abuse. The fires in the Kawarthas certainly brought it close to home and I think as a warning to all, much like the ice storm, it is important to be prepared. With that in mind I urge all to take advantage of the opportunity to view mother nature in all its glory not only within Lagoon City, but also suggest you take advantage of the surrounding area. Algonquin Park is an excellent place to view the changing colours that will be on display. We have lost so many trees this year it might be time to truly value what we have.

Obviously as the season progresses the evenings are getting darker earlier so, please be careful when walking and driving on our roads. Please where possible walk facing on-coming traffic and wear bright clothing or carry some means of light so cars can see you. Remember also to make your four-legged friends as visible as possible.

Speaking of roads and cars please note that an auto speed camera is coming soon to a neighbourhood near you (Simcoe Road) so you may want to practice driving at the posted speed limit (50 KPH) as the fines could be costly. It might be time to put your speed control into use.

I don't have any significant Council activities to report on in this newsletter but do note that our little township and particularly our little area certainly has several issues that have stirred up the constituents and promoted taxpayer advocacies which I truly believe is a good thing (we are becoming a regular storyline in the Orillia Matters). As stated previously we feel it is our responsibility to advise our readers of the issues with an unbiased approach and thus it is incumbent on each reader to stay abreast of the issues and to form their own opinions and/or join whichever advocacy groups you feel that are of interest to your circumstances. Issues that seem to be front and centre currently are as follows:

- Current water and sewer rates and proposed budgeted increase over the next years. There is currently an advocacy group (BLARE) that is being put together to investigate the history, current situation, and future budgeting costs of this issue. They have a Facebook page if this of interest you can do your research.
- Ongoing litigation issues between council and a select group of homeowners concerning shore wall decisions.
- A group of Homeowners that are objecting to the Townships decision to push ahead with the completion of the water/sewer connection to various locations within the area. You might have seen their signs posted around the area.
- The strained atmosphere between our elected councillor and council

As you can see there are some significant issues surrounding this council and they have their work cut out for them.

On a more positive note, it looks like we are starting to see an uplift in our Lagoon City area with some improvements being made to the Mews which hopefully will bring it back to life. I would also note that the restaurant in the Marina (Fin City) has changed hands, and the new owners are working hard at providing both an eatery and some exciting entertainment and from all indications will try and stay open during the winter, so it is important that we support these establishments as best as we can.

Please Note: The following column was written by Councillor Bell and reflects her personal thoughts and opinions. It is being published by LCCA as part of our mandate to share information within our community.

COUNCILLOR SHERRI BELL

Greetings Community, from summer's bounty to fall blooms, I hope you're making incredible memories.

To less sunny yet critical business: in Ramara today, core avenues of communication are being shut down. Constituents cannot submit correspondence to the Council Information Package (my amendment to allow this was defeated). "Open Forum" offers only ten one-minute slots on Agenda items. At Committee of the Whole, Councillors are barred from raising emerging issues (I was the lone objector). Silencing your voice through mine, Ramara's voices through Council, reflects a culture where accountability and transparency are not valued.

A clear example is the Brechin and Lagoon City stormwater plan. Approved in 2015, it remains largely unimplemented. Council supported my request for a staff report in July 2024—still pending in August 2025. Meanwhile, levy-paying families alone bear costs for protecting Lake Simcoe and the navigability of Lagoon City's public canals.

The pattern of silencing Ward 5 is systemic. Those who follow me will be aware of a series of Recorded Votes which tell the story; if there are readers who aren't familiar, please reach out and I'll provide the Minutes. The pattern continues today: in July 2025, during debate on the ~\$1M Poplar Crescent Bridge, Councillor Snutch wrongly suggested charging it to "Lagoon City Parks & Waterways"—though roads are township assets funded by all taxpayers. He opposed the work at about the 3:40

mark: <https://ramara.civicweb.net/document/113756/?splitscreen=true&media=true>

Meanwhile, water and sewer costs have become Ramara's most pressing issue. At 2025 budget talks, staff confirmed we are the second most expensive municipality in Ontario, on track to become number one. I've advocated to our government on a number of fronts including this. I've submitted a Delegation request specific to water and sewer which I will gladly send any interested party. I've opened one Freedom of Information request with another to follow. I access the Ombudsman. My advocacy is constant but one voice is not enough.

That's why I recommended—and am proud to see—the formation of BLARE, a ratepayer group for fair policy, accountability and public input. Yet some attempt to discredit it through local social media, even hiding behind anonymous monikers, while mocking the good work of The Ramara Experience potentially harming our businesses. I urge you: don't give these agitators power. Refrain from engaging—they'll be left talking to themselves.

And please know online abuse of officials is escalating. At the August municipal conference, we heard how incivility has morphed into death threats, assaults, property damage and efforts to destroy character and integrity. I myself have twice been threatened and have absolutely suffered relentless and unfounded attacks on my character and integrity. I've suffered from a pattern of segregation, incivility, bullying, then sanctions without findings, even frightening aggression, at the hands of a Council willing to silence me - you.

Despite these, I continue to stand strong advocating for a real commitment to solving infrastructure concerns which are strangling Ramara and leading to a cascading lack of programs and services. My goal is to feel safe doing it.

As always, I will provide you facts and information—on the phone, on the street, at my social media or anywhere you invite me - I'm at 905.220.8778.

Dear Members,

As autumn is now on its way, I want to remind you about how you can stay up to date about everything that is happening at LCCA.

The big change, effective this issue, is that we now have six newsletters per year, instead of nine.

Each issue will cover off two months of news, activities, events and ticket purchasing information. This change will help us to both reduce our printing costs and volunteer effort.

Along with our newsletter, you can get updated information through our Facebook page, our email updates, our website, our digital sign and the bulletin board in the foyer. Here's how to stay connected:

Join us on Facebook: Search for LCCA Members Hub and request to join. You will need to answer a few membership questions. <https://www.facebook.com/groups/lccamembershub>

Join our Email Update list: Send your email request to lcca.updates@gmail.com. Emails are sent out a few times a month, as needed.

Visit our website at lcca.ca: Join the members section, within the site, to get full access. As well as event information, you can find resources like our meeting minutes and policies, contact information, past newsletters and facility information.

And finally, a reminder that you can advertise items for sale (or that you want to buy) through our newsletter **Flea Market ads**. A toonie will buy you a text only ad. For \$5, you can include a couple of photos. This is an inexpensive and handy way to advertise within the local community. Please send your ad request to lcca.updates@gmail.com. JANE LEE

It is with regret that the family of Jane Lee announces her passing on August 8, 2025.

Jane was a vibrant member of the Brechin and Lagoon City community. Her spirit and compassion were inspirational.

She asked that donations be made to *Families in Need* serviced though the Brechin Legion.

Betty & Dwyne DONATION TO THE LCCA GARDEN

Many thanks to Betty and Dwyne for the beautiful donation of the light house for the LCCA community garden. In Memory of Dwyne Trent Ritchey (May 21st 1943 - May 29, 2024).

Dwyne's family lived on a farm near Pinawa, Manitoba where he enjoyed many happy hours fishing and canoeing in the Winnipeg River. As a teenager he served in the Canadian Army Militia for 3 years in the medical corps.

In his life he had many jobs. His first real job was working on lake freighters, sailing from Thunder Bay through Lake Superior, into the St. Lawrence Seaway and beyond. For years he marveled at the lighthouses with their welcoming beacons.

When we lived in Sault Ste. Marie we would often watch the ships with their identifying flags. After living in Chelsey for 13 years, we agreed that we missed the water. It's in our DNA, and so we found Lagoon City and what a blessing that is. In 1992 we took the Power Squadron course, although we did not have a boat until the following year. Yea!

In our many years of travelling we always search for a spot on water. On one trip to the Outer Banks of North Carolina where we were fascinated by so many different styles of lighthouses. We have several replicas in our home. So I feel that it is à propos as a tribute to honour my D. Dubs that there is a new lighthouse at the LCCA.

As you walk by, may your memory of D.W. bring a smile to your face. Betty Ritchey.

Lagoon City Racquet Club *Members' Communiqué* LAGOON CITY TENNIS & PICKLEBALL September / October 2025

As we head into the final third of our court playing year, we're looking forward to keeping enthusiasm for pickleball & tennis high, with Mother Nature's help & continued good weather over the next couple of months. Because thanks to the expertise & leadership of Maintenance Director Ron Quattro, aided by his trusty sidekick Cliff Schmitt our Secretary Treasurer, and the wonderful volunteers who continue to show up when needed, our courts are in really good shape, and have expanded to - 4 pickleball & 2 tennis. So, if you would like to join in the fun and get a little outdoor exercise that comes from some good-natured racquet swinging, there's still lots of time to join the frivolity!

To find out more about playing tennis and/or pickleball or both, just go to:

There is no better time than now to join other ladies at the community centre for a fun filled afternoon. Our ladies are happy to include you, whether you already know how to play or just want to learn. The doors open at 1:00pm and the games begin at 1:30pm.

Our ladies take turns providing goodies, coffee, and tea. They also add laughter and friendliness. You are welcome to come next Tuesday to check it out.

We were all saddened to hear that our dear friend and Ladies Club member, Jane Lee, passed away in August. Everyone enjoyed her infectious laugh and her ability to brighten up the room by just entering it. She will be sorely missed. Our ladies send their deepest condolences to her husband Barry, her family and friends.
