# PRESIDENT'S MESSAGE

**Happy Spring Everyone!** We made it! It was a long haul for those who stayed in Lagoon City for most of the winter. It is wonderful to see the faces of the snowbirds returning each day. We missed you all. Kudos to those who stayed home this year, and I hope everyone came through the winter safely. It was a challenge for sure. The frigid temperatures, wild winds, and never-ending snowfall were draining on the soul, mind, and body. But here we are. The snow is gone, the temperatures are climbing little by little, and even the brown grass and road sand look good at this point. The ice disappeared yesterday in front of our place on Turtle Lagoon. We are in the home stretch now, and Spring will soon pick up speed.

As I walk around the neighbourhood, I can't help but notice how great everything looks. There seems to be far less tree damage and winter fallout than we had this time last year. I look forward to seeing people out raking, tidying, and planting gardens. With the Blooms Contest returning this year, I hope lots of homeowners and condos will once again participate and help make our community stunning. It is not just a contest for bragging rights, but a great sense of pride as we come together and show the world we are a proud and friendly community, second to none. And let's be sure to include some Canadian pride in there as well—an awesome community inside an awesome country.

*"We live in an awesome community, in an awesome country!"*

The Social Committee, led by our Social Director Laurette Woods, has done a fantastic job keeping us busy all year round. Have a look at the calendar, see what we have to offer, and come out to enjoy friends and neighbours at our events. This summer there will be lots to choose from—heck, come out to all of them. That's why we exist. Some days it feels like the planet is upside down, from the world stage right down into our local areas. There is so much negativity and misinformation that stress can build in our minds, and that's not good. May I suggest we all take time to look out our windows, take walks through the neighbourhood, and appreciate what a fantastic place we live in. We are so fortunate to have this, and we need to enjoy it to our fullest abilities. Lagoon City is a gem...our gem, so please enjoy it as much as possible.

I also want to give a huge shoutout to the members of the two LCC boards. These people are amazing, world-class individuals who put it out there every day to keep our Association running smoothly and safely, while providing members with a place to gather, enjoy, and smile. Please reach out if you see them, say thanks, and maybe you too will be encouraged to join our teams and help keep the tradition going.

That's all for now. Have a fantastic Spring, and I hope to see everyone out enjoying our community

## **B** is for Building!

Did you know that LCCA has two Boards of Directors? The A Board is elected and is responsible for everything related to membership and governance. The B Board looks after everything that is building-related, including maintenance, building improvements and service contracts. This is our hands-on board that keeps our clubhouse operational, safe and welcoming.

The B Board includes two elected members of the A Board: Ron Schuurman (B Board President) and Brenda Schuurman (Financial Director). The rest of the team is appointed: Kelly LePage (Secretary), John Bevan (LCYC Liaison), and Barry McDonough, John Willis, Don Taylor, Bob Petit, Chris Rogers and Mario Quiquero, (Directors).

These volunteers are amazing, working hard behind the scenes. But as the saying goes, "Many hands make light work", which is why we are looking for some additional DIY souls who are able to pitch in for the occasional work party. It's a great way to help out and enjoy the camaraderie of being part of a team.

Can you help with painting? Are you handy or have any trades experience? Do you have a truck or a trailer, if we need to do a dump run? Are you willing to provide a little elbow grease for our spring cleaning?

If "Yes" is the answer to any of these questions, please contact Kelly at [kellylepage@rogers.com](mailto:kellylepage@rogers.com) and she will add you to the list of volunteers. When there's a project that needs some support, Kelly will send out an email to see who is available. And if you're interested in learning more about joining the board as a director, please contact Ron at [schuurro@gmail.com](mailto:schuurro@gmail.com)

The upcoming B Board project is our annual Spring Cleaning on June 6 . We hope that you will join us!

# Thursday Night Bid Euchre Is Back!

## Come Give It a Try!

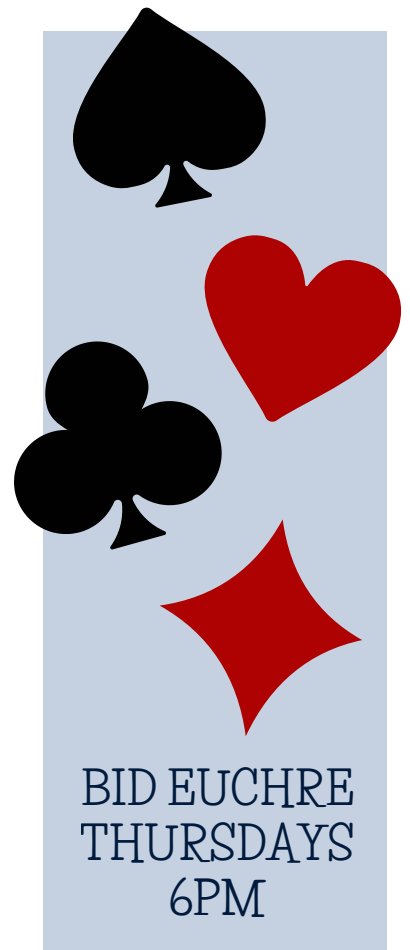

Looking for a fun, social way to spend a Thursday evening? Our Bid Euchre group is a welcoming table where laughter is just as important as the cards in your hand. Most people are familiar with traditional Euchre—but Bid Euchre adds a fresh twist that makes the game both a little more strategic and a lot of fun. Played with a double deck (cards from Jack to Ace), each round brings new excitement with bidding, choosing trump, and a few unique elements like high/low and the “maker” leading the play.

If that sounds like a lot—don’t worry. New players are always welcome, and there’s plenty of help at the table to get you up to speed quickly. If you know Euchre, you’re already halfway there.

More than anything, Thursday nights are about good company, a bit of friendly competition, and enjoying the game together. Whether you’re a seasoned player or just curious to learn something new, we’d love to have you join us.

Come out, take a seat, and give Bid Euchre a try—you might just get hooked.

# A BIG THANK YOU TO OUR SOCIAL COMMITTEE

## A Dedicated Team - With Room For More!

The LCCA Social Committee continues to play a vital role in bringing fun, friendship, and community spirit to our Clubhouse. Led by Laurette Woods, this dedicated team works hard behind the scenes planning, organizing, decorating, promoting, and hosting the events that so many of us enjoy throughout the year. Their energy and commitment help make the LCCA a welcoming and vibrant place to belong.

Recent events such as The Great Lagoon City Price Off and our lively Spring Fling were tremendous successes, thanks to the many hours of volunteer effort that made them possible. And there is more to look forward to, including the Sandra Good Band Dance at the Legion on May 22 and the always-popular Strawberry Social on June 14.

As our events calendar grows, so does the need for helping hands. The Social Committee warmly welcomes new volunteers—whether you can help occasionally or become part of the regular team. It's a wonderful way to meet people, have fun, and give back to the Clubhouse community we all value. If you'd like to get involved, we'd love to hear from you. **Contact Laurette Woods:** [laurettewoods@gmail.com](mailto:laurettewoods@gmail.com)

Unbiased reporting of events deemed important to LCCA members

The current word of the day is water, and I suspect it will be on all our tongues and minds for the foreseeable future, not only because of the amount of our water and sewer bills that we have all received over the past week and which will continue in the years ahead but also because of the amount of rain and flooding that many have experienced. Given that we are a unique community that is situated on a large lake, highlighted by man-made canal systems, with its own water and sewage capabilities, it would make sense that water, sewer, canal maintenance, and flood planning would be of significant impact.

### Council Highlights as reported via town's website:

- Council received the report regarding the Litigation Update & Strategy – Bertrand et al v. Township of Ramara et al (2026 ONSC 1662) as information and the confidential direction provided to staff was adopted. Council also directed that staff provide a confidential status update to the Lagoon City Parks & Waterways Commission.
- Council received the report regarding Road Name Review – Phase 2 and approved the renaming of several roads previously identified during Committee of the Whole discussions on May 8, 2023, as follows:
  - Concession Road A (from Sideroad 5 to the west end) to McCuaig Lane.
  - Concession Road B/C (from Rama Dalton Boundary Road to the west end) to Deerfield Road.
  - Concession Road D/E (from Rama Dalton Boundary Road to the west end) to Silver Springs Road.
  - Sideroad 5 (from County Road 46 to Mundy's Lane) to Forest Haven Road.
  - Sideroad 5 (from County Road 46 to Concession Road 10) to Mill Creek Road.
  - Sideroad 5/6 (from Concession Road B/C to Concession Road D/E) to Heaven's Gate Road; and
  - Sideroad 25 (from Muley Point Road to Bonnie Beach Road) to Cattle Run Road.
- Council received the decision on motion for contempt dated March 18, 2026, regarding Bertrand et al v. Township of Ramara et al (2026 ONSC 1662) as information.

## LCCA MEMBERSHIP FEES

### KEEPING OUR CLUBHOUSE STRONG

The LCCA Board will be putting forward a motion at the SAGM on Saturday, May 23, to increase the 2026–2027 LCCA membership fees. This increase is needed to help maintain the programming we all enjoy and look forward to each year, and to keep the building safe and in good order for all membership activities.

Membership fees, which are our main source of income, do not fully cover operating expenses such as taxes, insurance, and utilities. To avoid reducing our reserve account, it is necessary to adjust fees in order to keep pace with the rising costs of maintaining the building and property.

The LCCA Board has determined that the proposed rates for 2026–2027 will be: Family \$185 and Single \$98.

This is a modest increase intended to help meet operational needs, while recognizing that many members are also facing higher everyday costs. Even with this adjustment, membership continues to provide an affordable place to gather with friends and enjoy the many social events and activities offered throughout the year.

This motion will be voted on by the membership at the SAGM. The LCCA Board would like to thank each and every one of you for your continued support.

On behalf of your LCCA Board of Directors,  
*Brenda Schuurman*  
Financial Director LCCA LCCB

**Additional details were emailed to all members on April 22. If you did not receive the email, please contact [info@lcca.ca](mailto:info@lcca.ca).**
