Lagoon City Community Association

Lagoon City is a special place, designed and built over 60 years ago, with the goal of creating a waterfront lifestyle for its residents and visitors. It was advertised as "The Venice of Ontario" in honour of its unique canal system.

The LCCA was incorporated in 1983, to provide opportunities for members to get together socially and meet new neighbours and other residents at the clubs, activities, and events. Many people have said that this is what makes Lagoon City so special for them, the community that is formed with the Members of the Association.

Our community centre is located in the heart of Lagoon City at the corner of Poplar Crescent and Laguna Parkway. LCCA is a not-for-profit club, owned and operated by our members.

Volunteers work together to create events and run programs for the entire membership to enjoy. We would love to have you join us!
