President's Message

Hello and welcome to the latest version of the Canadian Spring. Wow, have you ever seen such a variety of angry weather patterns that we have been experiencing of late? It seems that the heavy winter doesn't want to leave on vacation and spring is hiding out trying to avoid the mayhem. Hopefully the weather will settle down and we can start into a Spring/Summer season that we all need.

The biggest conversations of late of course have been the ice storm and the resulting damage. It is astounding to have witnessed the amount of stress, destruction and improvisation that people put forward to struggle through that terrible week. The aftermath and cleanup will take months if not years to push through, but I know that this community is strong and we will turn this into campfire stories to share down the road.

During the power outage that lasted over a week, people and organizations quickly turned to helping each other get through it by supplying moral and physical support, including wellness checks, sharing meals, heat and access to electricity, from generators to charge our personal devices to allow us to stay connected to each other, and to receive news and updates.

A very big thank you has to go out to Hydro One and their contractors from across the country who worked each and every day until dark rebuilding our hydro grid. They worked in vile conditions, on the ground and up poles, feverishly trying to get all the damage repaired. The residents of Lagoon City showed our appreciation to them every day by stopping and thanking them, feeding them and applauding their efforts

The Brechin Legion was able to open as a very welcoming warming center and they fed many hungry people. Thank you to all the amazing people at the Legion who organized and volunteered to make this happen.

The town offices opened to allow people to warm up and charge their devices for a few hours each day - much appreciation for the effort to support local residents.

A huge thanks to Sherri Bell, our Ward 5 Councillor, who kept information flowing constantly out to the residents. It was very helpful for people to understand what was happening, what to do and where to go. Thank you, Sherri.

There are so many residents in Ramara that went the distance daily to make sure everyone was safe and healthy. Thank you to everyone.

To finish off on this topic I would like to answer a couple of questions that were asked of me several times during the blackout. The first is "Why was the Community Centre was closed during this event?" and the short answer is, we lost power on that grid not too long after the west grid, so there was no heat or hydro to use. There is a safety factor as well to consider and we would have had to man the center for safety reasons.

With a widespread outage like we had, everyone was busy with their own catastrophes at home. The Legion was set up with power, heat and food so that made more sense. The second question is “Why don’t we get a generator for the Community Centre?” This option has been discussed, but the reality is, the cost to procure, the cost to maintain and having the people to oversee its operation is prohibitive. The Centre is not set up in such a way from an electrical circuit means to make connection feasible. We feel that the Legion is a better option in these cases and we should support their efforts as a good community option.

Ok, that is enough about that, LOL. We are back to business as usual with many events planned to keep us all entertained over the summer. Please support these events as it is the only way we can keep going in the way that best serves you. We do this work for you, our members.

The Lagoon City Community Association Semi-Annual General Meeting (SAGM) is scheduled for June 7 starting at 9:30am for coffee, and business beginning at 10:00am. Please plan on coming out and get caught up on everything happening with your club. It is only a couple of hours tops. If you would like to join either of the Boards or would like to nominate someone, please fill out the nomination form in the newsletter and submit it as described. We are a great team and enjoy what we do and your enthusiasm and ideas are most welcome.

I believe I have rambled on long enough but it all had to be said. Thank you for listening, I am available to talk anytime, please reach out to me.

Have a great spring!

Rob LePage

Floral Artistry in our LCCA Garden!

The garden in front of our Centre is about to become a lot more beautiful, thanks to the donation of two painted wooden flowers from the recent “Streets Alive” public art program, which has taken place annually in Orillia since 2007. The theme for 2024 was “Pollinator Friendly”, which focussed on native Ontario pollinator flowers. These two works were created by local artists and LCCA members, Cindy Ness and Barbara Schmidt. Both women have participated in this public art project for several years and are established artists in their own right. Cindy chose to create a Milkweed, while Barbara

picked a New England Aster, complete with a bee, hard at work. Thanks to Cindy’s and Barbara’s generosity, these flowers will be installed in our garden by Karen Berends’ Gardening team. The flowers will join the many butterflies created in a previous community art project, which was spearheaded by Cindy, after she participated in the 2020 “Streets Alive” butterfly project. Many local residents had an opportunity to paint a butterfly, which were displayed at LCCA and throughout the Brechin area. Thanks, Cindy and Barbara, for your support of LCCA.

COUNCILLOR SHERRI BELL

Happy Spring Community!

To all of you who came together during the aftermath of devastating Ice Storm 2025 to support one another, I thank you deeply. Here and across Ramara, I saw the greatest and kindest acts of true compassion. I saw and participated in communities taking care of communities - all of us somehow knowing we're strongest when we form unifying bonds, walking individual paths, yes, yet finding our stride hand-in-hand, arm-in-arm. Together we rose to a terrible challenge and are stronger for it.

I stood with Ramara doing all that I could. I sought out and provided information, answered questions, arranged wellness checks, coordinated donations, shared Township information, and more. Once cleared to drive post eye-surgery I was able to make in-person visits. I'm afraid I was not able to do what I couldn't: provide information I didn't receive, provide 'boots on the ground' I didn't have access to, or others. I know you have questions about the overall management of the 'State of the Emergency' and for today, I'll comment no further.

I also know Drinking Water and Wastewater (Municipal Services) billing occurred in these late April days and I know the rising costs are alarming - I have my bill too. The billing reflects the first year of eight years of billing under the October 28, 2024. Rate Increases I did not support via Recorded Vote for a number of reasons.

I've been providing information about Municipal Services since the fall of 2023 when then Township CAO declared they were "unsustainable". There are no short form, point form, or simplistic answers - there are multiple complex factors and the only answers I can provide are as comprehensive as the complexity itself. I know some of you have reached out to learn and likely have questions still.

I'm here and will remain so. I respond to all message via email, text, messenger or phone. Know though, I am but one person who would appreciate, if you'd like to learn about these matters and more, you invite me to small group settings where I can engage with many at once.

I will continue to engage - for today though I offer acknowledgement questions have arisen or remain and invite your outreach.

As we rebuild post-storm, our physical surroundings and human connections, I wish you sunny days and spring blooms,

Sherri

Council Liaison Report (*Unbiased reporting of events deemed important to LCCA members as detailed by Rick Driffield*)

Wow welcome to Spring 2025! Certainly will be one to remember! The snow causing ice backup and water damage to homes and the ice storm that destroyed so many of our beautiful trees. I have heard that there were some 60 plus homes that were impacted with the ice backup on their roofs and those are only those reported through various insurance claims. I suspect that there were others that sustained some damage but not reported. Even our community centre sustained some water damage.

I have to admit that I was not here for the 8 plus days of hydro outage and was fortunate enough to have been in the sunny south only arriving after power restored so other than sympathize with those of you who were impacted, I cannot say I know how you feel. I must state however, that I was proud of the way Lagoon City and its residents, for the most part, responded to the situation and rallied to help out their fellow neighbours where possible. Given our history of neighbourhood camaraderie, it certainly wasn't a surprise. It is what we do best as a community.

A special thank you to our local Legion for their enormous efforts during this difficult period. I have heard the comment that this was *once in a lifetime*

experience, but I caution all that this was not our first ice storm and probably will not be our last, storms seem to keep getting stronger, so preparedness is the key. I also would caution those that might be out walking either on our streets or on the trails that you should be very careful as there are still limbs that may still be hanging and not have made it to the ground. Yet, like the current catch phrase **elbows up** maybe we should be adopting the phrase **eyes up**.

Although rightly or wrongly we tend to try and blame entities for their actions or inactions. I think that it is most important that once the dust settles and the cleanup has been for the most part completed, it is important for all levels of government to sit down and review what happened and ensure that we have a plan in place for future catastrophic events, as I can pretty well predict they will happen.

It is also important for individuals to go through the same process. How many were caught with empty gas tanks in their vehicles, generators that needed gas or didn't work, medications that needed refills, no cash on hand to purchase food, phones not charged etc.

Topics of Interest

I have highlighted the following items of interest that have been brought forward through the committee of the whole and/or the council sessions over the past month or so. In some case they are quite involved and would suggest that if you have an interest that you go into the Ramara website and review the agenda and meeting sections for more in-depth details.

Bayshore Village Sewage Environmental Assessment Update

Council was presented with an update regarding the Bayshore Village Effluent Disposal Class EA proposed timelines from Notice of Completion of the EA to construction. The draft report is some 498 pages too large display in this report however the report can be found on the Ramara website as follows.

<https://www.ramara.ca/en/municipal-office/bayshore-village-class-environmental-assessment-study.aspx>

The following is a condensed revised timeline for construction of additional disposable beds

Deliverable

Timeline

Final Class EA Report and Notice of Completion of Class EA

March 2025

30-day Public Review April 2025 Geotechnical investigation

April 2025

Preliminary design and consultation with MECP

March – May 2025

Application for MECP approval June 2025 Detailed design

June – August 2025

Tendering

September 2025

Stage 4 archaeological assessment and report

Summer/Fall 2025

Construction period (contingent on receipt of ECA and completion of Stage 4 archaeological field work)

Late Fall 2025 to end of 2026

So, it would appear that if all projected timelines are met (my guess is highly unlikely) we would be looking at late fall early 2026 for some resolution of current waste delivery issue. Let's keep our fingers crossed or if you are in Bayshore maybe your legs crossed.

Bayshore Village Effluent Hauling

September 11, 2024, to March 4, 2025, a total of 109,323 cubic meters was removed and sent to the Lagoon City Sewage Treatment Plant. Hauling cost was \$1,130,105.61

Council passed Bylaw to authorize the borrowing of \$1,500,000 to finance Bayshore |Hauling Expenditures 24th day of March 2025

Family Physicians - Recruitment

Council was presented with a proposal for additional health care services. The proposal advises that two new doctors would operate within the local pharmacy, with a longer-term projection to practice out of a medical hub environment. A request was made for financial assistance with the transition to Ramara. The two doctors have requested financial support to assist with their transition to Ramara.,

Council approved allowing the doctors to apply for a Northern and Rural Recruitment and Retention Incentive (NRRRI) Grant. The mayor will provide a confirmation letter, as well as a letter of support for Dr Sheth's application to institute a three-physician Family Health Organization (FHO), NB standard minimum is 6 physicians will be written be submitted by the mayor.

Backyard Chickens *(just in time for Easter)*

Allows backyard chickens in residential areas, specifically in the Village Residential (VR), Hamlet (H), and Rural Countryside Residential (RCR) zones. *Council passed bylaw 24th of March 2025.*

Watch your speed out there *(Big Brother is watching)*

Council passed bylaw March 24, 2025, for the installation of automated speed cameras on hydro poles (assuming we have any left).

705-330-5362, email: drydock@rogers.com**

We are open and ready to serve you!

It's the best time of year in Lagoon City – boating season! We are here to help you make sure that you get the most out of your watercraft throughout these summer months. Please remember that we have a fully licensed mechanic, small canvas/upholstery and body shop. We also have a fully stocked chandlery, parts department, storage, and much more.

We take great pride in what we do and want to help boaters enjoy their summer season without any stress and in the comfort of knowing that their boats are safe and well-maintained.

If you have any questions, please do not hesitate to contact us.

Regards, Ted, Connie, Ted Jr., Mike and Amber

It's a Murder Mystery!

You've won the Lottery – sort of. Eccentric, reclusive millionaire, Sam Disney, wants to give you some of his millions, but you have to be at the LCCA Lottery Party to get it. Sound too good to be true? Show up and find out.

Your mission, should you choose to accept it, is to solve a mystery.
Are you up to the challenge?

The Prime Suspects in “What Happened to Sam Disney?”:

Sam Disney: The mysterious, eccentric millionaire.

Flora Fauna: A homeless woman who'd do anything to get off the streets of Lagoon City.

Cain Able: The cash-strapped Hollywood director who's on the brink of becoming a Has-Been in Tinsel-town.

Mamie-Eve: A literary agent who also claims to be a psychic.

Rebel McGreggor: Mamie-Eve's new boyfriend.

Mayor Horace Tabbeyville: He's running for re-election and desperately wants to win but his campaign war chest needs some major replenishing.

Detective Mattie Jiggs: She'll only be called in if something evil and dangerous happens.

THE WHODUNIT PARTY DETAILS:

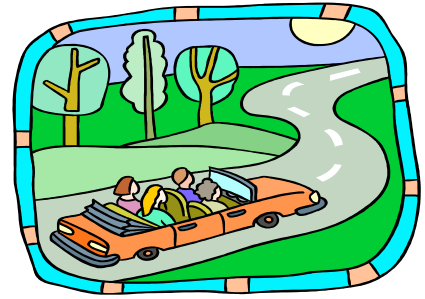

Date: Saturday, June 28, 2025 Doors Open at 7:00 p.m.

Light Snacks available. Please bring your own beverages.
This is a fun night for everyone!

Tickets are \$20 each on sale as of May 28th. Guest tickets on sale June 11th.

QR code and link for payment will be in the June Newsletter and LCCA Updates.

An Art Auction with a Special Backstory

“Sweet Reflections at Dusk” was created as a collaboration between local photographer, Brooke Durward-Warren and local artist, Barbara Schmidt. Brooke’s excellent capture of the swan couple ending their day on the Lagoon City beach on Lake Simcoe while the sunset gloriously surrounded them, inspired Barbara to want to paint that image.

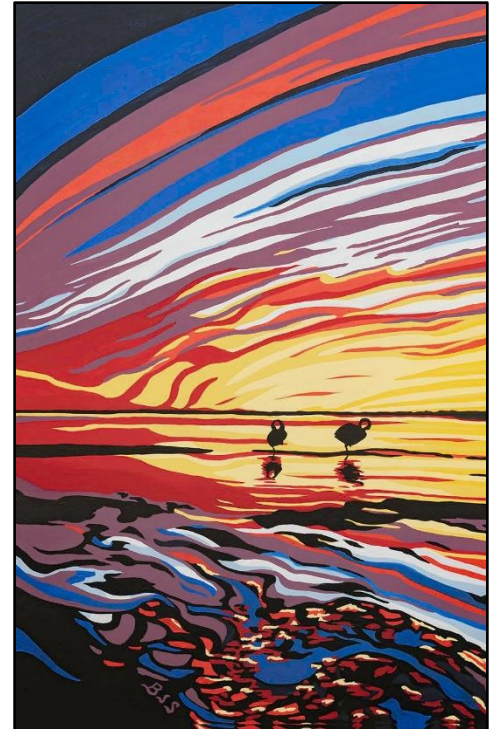

Together, they decided that the painting of Brooke’s photo in Barbara’s signature style, would be a wonderful tribute to the local area and its beauty and that it should be auctioned off as a fundraiser. Thanks to the

generosity of Barbara and Brooke, all of the proceeds will be shared by LCCA (Lagoon City Community Association) and Families In Need.

The finished painting, which is acrylic on canvas, is 36”H x 24”W, and includes an elegant floating black frame. The photo below gives an illustration of what this artwork would look like in someone’s home.

Here’s how to bid on this beautiful painting:

See it in person - the artwork will be on display at LCCA on **Sunday, May 25, from 3 – 5 pm**, at the LCCA Open House. This event is free and open to the public, and it’s a great opportunity to learn about activities and events at the community centre.

The auction will take place online through Susan Potalivo’s Facebook page, on **Thursday, May 29**. The bidding starts at 9 am and closes at 6 pm. If you are not already a friend of Susan on Facebook, please search for her name and make a friend request. If you are not on Facebook but would like to place a bid, or to get more information, please email Denise Dickin at lcca.updates@gmail.com

**On behalf of LCCA and Families in Need,
thanks for your support!**

Summary of LCCA Board Meeting

Meeting Date: April 14, 2025

- Rob LePage talked about LCCA's emergency preparedness in light of recent ice storm. Discussion around a generator for the Community Centre and due to many concerns including costs, maintenance and liability, decision was made to not pursue this option. Several alternative safe options are available to residents including Township offerings and Brechin Legion.
- Ron Schuurman reported that the leak in upstairs women's washroom has been fully repaired and the opening in the ceiling will be closed once the Yacht Club is open and operating and no further issues are discovered. A small leak was detected in the main room and determined to be caused by ice damming and is now resolved. Storm damage debris has been cleared and trees trimmed. Electric sign will be repaired in the very near future. More solar lights will be installed in the parking lot. May 31st is the designated 'Spring Clean-up Day' and notice will be posted in the newsletter to request volunteers.
- Brenda Schuurman reported LCCA account has a balance of \$16,300 (and a GIC of \$31,000) and LCCB has a balance of \$14,000 and we are on track to meet all budgeted expenses at year-end. Building Forward Campaign revenue total is \$86,889.89 of which approximately \$55,000 has been spent on many upgrades and repairs.
- Denise Dickin reported that a survey had been sent out to members and a good amount of interest was shown regarding information sessions. Based on input, decision was made to hold one information in the Spring, and one in the Fall. We had added one advertiser to the newsletter and received inquiry from another potential advertiser. A painting donated by Barbara Schmidt will be auctioned off with proceeds going to LCCA and Families in Need. Details for auction structure are being finalized.
- Laurette Woods reported recent Spring Fling was well attended. Upcoming events include 'Paint with Me' event on April 27th, Orangeman at the Brechin Legion on May 2nd, Mix 'n Mingle/Open House on May 25th, Murder Mystery on June 28th, bus trip to Georgian Downs on July 22nd. Also investigating a possible Fall Muskoka Boat Cruise and possibly adding a Trick or Treat event for children prior to Halloween party in October. Details for events can be found on the Hub, Newsletter and bulletin board at the Community Centre
- Karen Berends reported we added 1 new membership since March. Open House Mix 'n Mingle has been re-scheduled for May 25th, 2025. Karen is planning a Member's Golf Tournament for June 8th at Western Trent Golf Course. Details to follow.
- Mary Ann Deebank reported that Elections Canada has booked the main hall for April 28th for the Federal Election. A private event has been booked for late July. SAGM is scheduled for June 7th at 9:30am. Terry Fox Fundraiser event has been booked for September
- Volunteer Appreciation Breakfast is being planned for Sunday June 1st – Details and invitations to volunteers to follow
- Jacquie Vesh and Yvonne Taylor presented the Building Forward Donor Tree to the Board and all agreed it was great. Jacquie will complete the names on the Tree in time for presentation at the SAGM on June 7th

Kelly LePage – Interim LCCA Secretary

Dear Members,

It's been a busy year for LCCA Communications. Ethel Forester and her team have continued to produce newsletter issues that are attractive and full of useful information, delivered either to your door or your inbox on an almost monthly basis.

Please note that, as stated in my last report, we will be switching to bi-monthly newsletters (6 per year) starting September. This will reduce the workload for everyone who volunteers on the newsletter, plus we now are able to use more immediate methods of communication, including our Facebook Hub and Email Updates, to keep members informed and assist with event ticket purchasing. We are looking for someone with editing skills to share the workload with Ethel – if you have decent Word computer skills and are willing to learn, please let me know.

We said goodbye to Sue and Tom Heideman as our web masters and were lucky to have Mike Argue step in to keep our website going. The website is the main way for us to be “found” by new residents and prospective members. Sue also looked after our newsletter advertising, which I have taken over, temporarily. Hopefully this important role can soon be filled by someone else who is willing to help out. As is often said, many hands make light work.

Thanks to everyone who completed the survey about possible future information sessions. The general consensus was that sessions would best be held in Spring or Fall and that weekday afternoons are convenient for the majority of survey responders. A wide range of topics were of interest. Stay tuned as we try to get this initiative up and running. Our goal will be to offer two sessions a year but that will depend on both volunteer support and the number of people who attend the sessions.

And finally, I have a few requests to make of all of our members, to help us to keep you informed:

- If you are not currently a member of our Facebook group and would like to join, please go to <https://www.facebook.com/groups/lccamembershub> and make your request
- To receive Email Updates, send your request to lcca.updates@gmail.com.
- Help us to get the newsletter to you. If you receive your copy digitally, let us know if you change your email address. Family members, you can both be on the email list – just contact me. And if you get the paper copy but are a snowbird, please email me to let me know when you are away, so we can switch you to digital copies for that time period. Or save a tree and switch permanently to digital – just let me know your preference.

Thanks,

Denise Dickin, Communications Director

2024 – 2025 Membership Report

(Membership Fiscal Year is September 01, 2024 – August 31, 2025)

We currently have 285 Memberships, consisting of 178 Family Members and 107 Single Members. Hopefully we will continue to grow throughout the year, especially with so many great events planned, like the Georgian Downs, Murder Mystery, Car Rally, Hallowe'en and many more events throughout the year. If you have a new neighbour who isn't a member, please tell them about why LCCA is important to you and help me to connect with them, so I can follow up.

On **Sunday May 25th** from 3pm – 5pm, the LCCA will be hosting a **Community Open House!** This is an opportunity for members to come and try something new and for non-members to experience what the LCCA is all about. There will be building tours as well. Please come out and bring a friend.

On **Sunday June 08th** from 1PM – 8PM, the LCCA will have their **Golf Day** at the Western Trent Golf Course. **This will be a fundraising event for the LCCA.** Golf C Dinner (\$110) or just Dinner (\$55) tickets will go on sale soon. Hole sponsorship is \$100. Same prices as last year. The dinner will be a buffet with 2 entrée choices (plus a vegetarian C vegan option).

New members that join between April 01– August 31, 2025, will pay the annual rate (Family - \$180, Single - \$95) and this will carry them through until renewal in the summer of 2026.

Membership renewal fees will be due once again this summer (same rate). I will be sending emails to everyone by mid-June, with the amounts due and instructions on how to pay by Zeffy payment services. If you can please make your payment by July 15, as this is a great help for our wonderful Street Captains, who will be knocking on the doors of anyone who hasn't paid. Please let me know if your email address has changed so I can update the membership list.

Speaking of **Street Captains**, we need some new volunteers. Some of our previous helpers have either moved away or have stepped down. Each Street Captain is assigned a street or condo complex, and they visit new residents to tell them about LCCA and follow up with current members to encourage them to renew. This happens over July and August when it suits your schedule. It's a way to meet your neighbours and support LCCA at the same time. If you can help this year, please let me know.

Stay in Touch! I can be reached at membership@lcca.ca or 705-985-6202. If you want to keep informed about LCCA events between newsletters, remember that you can join our Facebook Group by searching **LCCA Members Hub** and request to join. If you would like to get email updates, please send your request to lcca.updates@gmail.com, our Communications Director, Denise Dickin will keep you informed.

Let's have another great year together as an LCCA Member!

Karen Berends, Membership Director 705-985-6202 / membership@lcca.ca

Booking Director's Report – May 2025

2025 so far has been another busy year at the Community Centre with all the activities that we offer thru the hard work of our Membership Volunteers. If you haven't checked it out, look at the calendars in the Newsletter and see the extensive offering of activities!

If you are looking for something new to occupy your time, our regular activities (just to name a few) range from Line Dancing, Power Walking, Table Tennis, Yoga and Chair Yoga to keep you physically fit as well as Bridge, Book club, Euchre, Mah Jongg, Men's Cards, Ladies Club and Trivia to keep your mind active. Also, don't forget about the LCCA Library for books, puzzles and games, LC Blooms Competition and the Annual Car Rally.

Membership Volunteers organized a Painting Class for April 27th and hopefully we will have more "one off" activities planned later in the year. If you would like to organize an activity, please contact myself or a member of the Board to help you make it happen.

Our Main Hall was utilized during the Provincial Election held in February both for Advance Polling as well as Election Day voting and the Federal Election utilized our Main Hall on April 28th for Election Day voting.

Unfortunately, we cancelled a few activities throughout the fierce winter this year (due to significant snow) as well as the week from March 30th through to April 5th due to power loss during the Ice Storm. Thank you to all our members for your understanding of these last-minute cancellations which were required to ensure your safety and security.

Don't forget that the Laguna Lounge is open 8 am – 12 pm for darts, cards, board games or maybe watching a big sports game on TV, and the Bruce Henderson (Birch Room) is available for darts or table tennis on a first come basis.

The Board would like to thank our Activity and Committee Leads – Karen Berends, Cathy Bruce, Dawn Cox, Diane Daley, Ron Deebank, Lesley Edwards, Eileen Graham, Lorne Hemphill, Ruth Holohan, Nancy Huddleston, Kelly LePage, Rob LePage, Ted Maillet, Rhonda Moriarty, Sara Musson, Marilyn Ramsay, Carol Rogers, Chris Rogers, Maureen Rusnell, Annette Small, Ron Schuurman, Brenda Schuurman, Shirley Smith, Yvonne Taylor, Jane Thompson, Larry Twist, Mike Wall and Dan Walker. These volunteers give generously of their personal time to run our extensive list of activities and committees for all members to enjoy.

As the LCCA is for members, run by members, we encourage everyone to provide support and volunteer where you can! If you are looking to help out, please contact an LCCA/LCCB Board Member.

Lagoon City Racquet Club
2025 Playing Season Registration Day
Saturday, May 17, 2025
10:00 a.m. LCCA Community Centre

It's finally time... - and not a moment too soon, especially for those of us who have braved one of the toughest winters here in our beloved community, to welcome in Year 47 of outdoor court fun here in Lagoon City!

We extend a hearty welcome to all our community neighbours who might be interested in playing tennis and/or pickleball, to mark May 17, on your calendars, because that's Registration Day for the Lagoon City Racquet Club.

Please join us to meet your Executive Team, reconnect with fellow players and for those joining for the first time, to introduce yourselves and become familiar with fellow members, & have questions answered about court play and planned activities.

To find out more about playing tennis and/or pickleball or both, just go to: www.lcca.ca/racquet-club
