President's Message

We are now looking forward into Fall with Summer receding from us in the rearview mirror. We just completed the Lagoon City Car Rally and the scenery was definitely changing into Fall colours. Hopefully the nice weather will stick around for a bit yet so we can all enjoy ourselves outside in our beautiful community.

There is certainly a flurry of activity in our neighbourhood with regards to construction and truck movement. Laguna Parkway is getting a facelift complete with new pedestrian lanes down both sides, and the north footbridge refurbishment is underway with a large working barge in the canal. The weed harvesting is winding down and water levels are down. With both Simcoe Road and Laguna Pkwy paving, the traffic flow has been disrupted with lots of wait times. Once this wraps-up we will be back to normal, so for now please pack your patience as it will be worth the inconvenience in the end.

I would like to touch on our Event ticket purchasing for a moment. We have very recently changed our system to how you can buy tickets for our events. A lot of work went into finding, developing and implementing the new system. Please remember we make changes not just for the sake of change, but rather to hopefully make life easier for both the volunteers as well as the recipients. Please try the system and if you need help just ask. Once you see it in action you will understand it is for the better. The first event on the system was for our Oktoberfest Event, and seemed to perform quite well. We need everybody's support both on the new ticketing system as well as our events.

I would like to take the time now to thank Dawn Wilkinson for all the hard work running our previous system for ticket sales. Dawn stepped up and ran the ticket sales after we stopped the old voicemail system from years back. She handled many, many events over the last few years, sometimes 2 and 3 at a time, collecting the money by e-transfer and recording attendance lists for the organizers. She did a fantastic job! I know she had some frustrating moments but her professionalism shone through and we were always successful. From myself as well as the Boards and the Membership, THANK YOU for all your hard work and dedication.

I also need to thank both Tom and Sue Heideman for their hard work on managing our Newsletter advertisers, as well as being our LCCA.COM Web Masters. Tom and Sue are leaving our community in the near future to move onto the next phase in their lives. Thank you both for all your hard work and we all wish you the very best in the future.

With that, we are looking for a person to take over the advertising portion, and a second person to take on the Webmaster role. Neither are LCCA Board positions, so the commitment to attend meetings etc. are limited to occasional. If you would like to discuss either position, please reach out to our Communications Director Denise Dickin at lcca.updates@gmail.com, and she will be happy to answer your questions.

We have a couple of Board positions to be filled. If you are willing to join a great team of people and help keep LCCA moving forward we would love to have you join us. Please reach out to any Board member and we will answer questions and inform you how to volunteer for these positions.

The Lagoon City Community Association Annual General Meeting (AGM) will be held on Saturday October 5, 2024 at 9:30am. Please come out, ask your questions and get answers. This is your opportunity to hear from your Board, express concerns, ask questions and direct us as we move forward. Maybe you will even get inspired to join the Board and get more involved.

In closing, I wish everyone an enjoyable Fall season and hopefully see you at the AGM in October.

Best regards, Rob

Notes on Some of the Line Items in the Financial Statement

What is the Management Fee between LCCB and LCCA?

The Membership Fees are income to LCCA. LCCB pays all expenses but needs money to do this. By charging LCCA a "Management Fee" for looking after the building, it is a way to transfer the money from LCCA to LCCB.

What is the Management Fee between LCCB and LCYC?

As part of the agreement between LCCB and LCYC, LCYC pays a percentage of certain expenses. The main expense that LCCB charges LCYC for is the Shorewall Levy from the Tax Bill. Other items would include property maintenance, internet, pest control, and water.

What is in Office & Administrative Expenses?

Bank Fees & Accountant Fees
Paper & Toner for Photocopier

COUNCILLOR SHERRI BELL

Greetings All,

A quick note this month as I share my fondest wish that summer of 2024 brought you joy, creating memories to fill the pages of your years.

As summer transitions to fall, from the Council side, you'll have noted Laguna Parkway getting a fresh new look. From Lagoon City Parks and Waterways Commission perspective, North Footbridge Rehabilitation is occurring and Harvesting Operations will soon wind down for the year.

October brings 2025 Budget Discussions and you're encouraged to attend/watch meetings to stay informed.

I appreciate the many of you who've brought questions directly to me for clarity rather than adopting 'street gossip' and to find my position on a matter. These opportunities for conversation are appreciated as they often help me to best understand both concerns and hopes for the future.

Until we chat again, take good care.

Happy Thanksgiving,

Sherri Bell

Council Liaison Report

(Unbiased reporting of events deemed important to LCCA members as detailed by Rick Driffield)

Fall has arrived and that means many different things to the residents of Lagoon City. To some it is time to start to prepare and start packing for their trip to the south, and to some it is time to take in the beautiful area that we live in. I would strongly suggest that you take advantage of our wonderful trails at this time of the year - temperature is usually good for walking and for the most part, the bugs have gone. The leaves are changing colour and even a walk around our community can be quite beautiful. If you have a chance and have not put your boat in storage, this is also a good time to cruise the canals to see the flora and fauna that LC has to offer.

The good news is that our roads at the time of writing are just about complete. The bad news is that we (Laguna Park users) have to compete with the effluent parade of trucks. I would suggest walking later in the evening to avoid the constant run of the large transports. Oh well, at least with the roads being repaved the sound of the trucks is somewhat muted. On a positive note, it will be nice to have walkways on both sides of the street.

Council Highlights

After receiving the results of Tatham Engineering inspection of Bridge 201 (Poplar Crescent Bridge), it was determined that the bridge shows structural deficiencies and was recommended that a gross weight restriction be imposed pending its repair/replacement in 2025.

Council passed the Bylaw to limit the gross weight of any vehicle or any class passing over said bridge to 20 tonnes.

Mosquito Aerial Larvicide Expansion

At the combined Committee of the Whole/Council meeting of August 26, a discussion was held concerning the potential expansion of the annual Mosquito Larvicide program based on a staff report prepared for Council. The following are highlights of the report.

- Expand from current 1050 hectares to 10800 hectares thus covering the entire Township.
- Eliminate the special area maintenance charge and fund the program through all Ramara taxation.
- Estimated cost \$625,000 - this cost would result in a 4.3% increase in taxation.
- Reports recommended action considering the amount of an increase on taxation required to fund the expansion of the program (4.3%), in addition to any general rate increases for the 2025 proposed draft budgets which may be included for inflation, maintenance and capital works and rebuilding township reserves, staff are of the opinion that the expansion of the program be revisited in the future.

“The Committee approved the report for information and tasked the staff to conduct community consultation regarding the expansion of the program and provide education in the spring tax bill insert”.

Proposed new development at 2298 Highway 12 (property between Jollys Automotive and the Insurance company)

At the August 13, 2024, The Committee of Adjustment was presented with a request seeking relief from the interior side yard and parking provisions to allow for a new mixed-use building. The proposal outlined a new development of some thirty residential units and three main level commercial use units. The decision by the COA was to refuse the Application.

As a result of the refusal the applicant has proceeded to appeal the decision to the Ontario Land Tribunal (OLT).

Topics of Concern

Rolling, Rolling, Rolling, the effluent haulers are continuing their trek along Laguna Parkway so please be aware and careful when walking. Also take care, with the new roadway and walking path, there is a steep drop from the edge of the walkway to the ditch on the side of the road. This is an ongoing discussion, and suspect will be for some time.

The Township is seeking your input on the parking lot expansion at Lake Avenue and Poplar Crescent through their **Have Your Say** program

LAGOON CITY CAR RALLY

2024 Edition

A fun-filled day kicked off early on a beautiful, sunny Monday morning with 24 cars and 97 participants. Rally-goers picked their poker cards, and then tore into their envelopes to find their route and question sheets. Trip odometers were zeroed out, and off they went on their adventure.

Arguing, laughing and eyes wide open, they searched for clues to the answers and followed the route through small towns, beautiful back roads and many newly discovered places in Ramara and Kawartha Lakes.

The coffee break was at the very interesting Highland Cinemas in Kinmount where everyone enjoyed the many treasures and memorabilia in this Cinema/Museum and re-fortified themselves with muffins, cookies, coffee and tea. The Curator of this unique place is Keith, and along with showing first-run films, he also cares for 58 cats in various 'cat houses' and enclosures on the property. Our

rally-goers generously donated \$100 to the Kitty Care Fund. After handing in their first set of answers and pulling more poker cards, the second set of questions was handed out and off they went again. The second leg had them exploring more beautiful back roads and towns...and answering challenging questions!

All 24 cars, drivers AND passengers arrived at their final destination, Western Trent Golf Club, where we all enjoyed the beautiful banquet venue and fabulous buffet meal with chicken and salmon. The food was outstanding and hats off to Rory and his staff at Western Trent GC! Excellent service!

Then came the fun part of handing out the cash prizes for the 1st, 2nd and 3rd place finishers, as well as the cash prizes for the poker hands.

Congratulations go to:

Glenn and Barb Nichols awarding first place to team Ron Schuurman

2nd Place went to Team Mike Argue

3rd Place (there was a tie!) went to Team Bob Petit and Team Diane Sant

Best poker hand winner was our own Social Director 'Queen', Laurette Woods with a winning hand of 4 Queens!!

The fun didn't end there! Thanks to our very generous local businesses, friends and neighbours, each Rally participant left with a door prize. And a 50/50 draw raised \$208 for LCCA!

Thanks go to all participants, and a huge thanks to our wonderful Committee, Merike and Colin Barron, Ken and Judy Low, Dawn Cox, Mary Lou and Larry Brien, Nancy Hunt and Paul and Susan LaRose. Great team to work with!!

It seemed everyone had a fun day and enjoyed themselves judging by the comments and smiles.

See you next year for Lagoon City Car Rally 2025!!

Thank you to our local businesses, friends and neighbours for your generous prize donations.

Our 2024 Lagoon City Car Rally was a great success thanks to all of you!! Remember: SHOP LOCAL!!!

Summary of LCCA Board Meeting

Meeting Date: August 13, 2024

- Tree pruning is complete. LCCB Board has advised that they have no plans to plant any new trees on the property; noting a couple of 'In Memoriam' trees that have been planted by the Lagoon City Yacht Club.
- Parking lot work is completed.
- Lagoon City Centre anchor sign and wooden support structure is being painted. Thanks go out to Brenda Schuurman, Karen Ross and Jane Brown.
- LCCA has \$10,000 available funds and is still expecting revenue from two more events coming up this month.
- LCCB account balance is \$14,300.
- 2023-24 newsletter advertising generated \$4,500 in gross income, less \$1,450 production costs, for a net income in newsletter profit of \$3,050.
- Building Forward Campaign revenue as at August 13, 2024 is \$77,892.58 of which approximately \$33,897.40 has been spent to date.
- Denise Dickin presented an information sheet handout on LCCA's Newsletter Advertising Rates covering the period September 1, 2024 to August 31, 2025. A small rate increase is being implemented. This is the first time rates have been increased since 2017. There are discounted member rates and non-member rates. There are also other new benefits/perks for members who advertise in the newsletter.
- The Board agreed that LCCA will provide a ½ page ad in the newsletter for sponsors of a LCCA social event whose sponsorship is at the \$500 tier or greater.
- Karen Berends reported on recent membership activities. To date, 140 Family, 82 Single, and one newsletter-only membership has been renewed. 12 Family memberships have changed to Single memberships. Together with the April, May, June membership sign-ups, LCCA has accumulated \$35,005 total membership revenue to date.
- Denise Dickin reported that the work of updating LCCA's Policies continues
- Brenda presented a demonstration of a new digital social event ticketing sales system that is part of the *Zeffy* online platform. Zeffy is a 100% free platform for non-profit organizations. Zeffy does not charge any service fees. LCCA will roll-out this new social event ticketing system starting with the Oktoberfest event.

Lonnie Potter
LCCA Secretary

While LCCA provides a wide range of activities and events for our members, one local organization can't do everything. Since we know our members have a wide range of interests, we will occasionally be providing space in our newsletter to other Ramara or Beaverton community NFP groups that provide different types of programming and already have at least one LCCA member participating. The goal is to help you, our members, make the most of your recreational and social time, while participating in building a strong local community.

If you are an LCCA member who also belongs to another organization that you would like to share information on, please contact Denise Dickin, Communications Director, at lcca.updates@gmail.com.

For this issue, we are featuring the Beaverton Town Hall Players and the Lagoon City Bowling League:

Beaverton Town Hall Players

is calling for singers and crew for their new Christmas production planned for this December.

Are you interested in singing? You have a choice of singing with the chorus, in a small group, or solo. Are you more interested in helping out backstage? You have a choice of helping with costumes, set building, sound, lighting and promotions. To sign up, contact Henry Saley or attend one of the early rehearsals and introduce yourself. Ages 8 and up are welcome, so if your children wish to participate, bring them along.

Rehearsals begin Oct. 1 up to showtime. Adult rehearsals are every Tuesday and Thursday evening from 7 – 9 pm. Youth will be rehearsing on Sundays 1 – 3 pm. Performances are on each Friday, Saturday and Sunday between Dec. 6 to Dec. 15. Rehearsals and performances take place at Beaverton Town Hall, 397 Simcoe Street, Beaverton.

This group is great fun to perform with. We'd love to have you join us! For more information, contact Henry Saley 705-345-1548 or henrysaley@gmail.com

Lagoon City Racquet Club
Members' Communiqué
LAGOON CITY TENNIS & PICKLEBALL
October 2024

Tennis & Pickleball will continue on our Lagoon City Courts through October and as long weather permits. There's still opportunity for those who would like to try their hand at some on-court fun to do so. Just let us know by contacting our Membership Director. See contact information below.

The end of the playing season is also a busy one off-courts as we gather without our racquets in hand & competitive energy to enjoy some social interaction. The first of our planned get-togethers is our End of Season Social Luncheon planned for Sunday, September 30th at Fins City Restaurant at the Lagoon City Marina. Members & guests can check out our Facebook page at: www.lcca.ca/racquet-club and RSVP to: suzanneheideman@yahoo.ca

And perhaps the most important of all our members' meetings is our upcoming Annual General Meeting of Members scheduled for 10:00 a.m. Sunday, October 6th at our LCCA Community Centre.

Keeping this successful outdoor sports amenity alive and well in our community depends on a strong volunteer base so we're looking forward to a great turnout of members to receive their annual financial & administrative reports, and participate in the discussions to direct our plans for taking our Club into its 47th playing season through 2025. As with any volunteer organization our success depends on the willingness of members to step-up to the nets!! Seeing the enthusiasm for court play during 2024 we're hopeful this year's AGM will see our tradition continue.

To find out more about playing tennis and/or pickleball or both, just go to: www.lcca.ca/racquet-club. And of course, Membership Forms & Information about our Lagoon City Racquet Club are always available by contacting the LCRC Membership Director directly.
