Warmest Wishes To You & Your Family This Holiday Season

Real Estate 2024 - It's a Wrap!

Lots of changes in the market and limited buyers in 2024 ... this year was a tough one for even the most seasoned Realtor.

I would like to thank all my clients who demonstrated incredible patience and grace during this past year. We saw low ball offers and sale of property conditions, but for the most part, we navigated our way to a successful closing.

Please reach out if you are considering a real estate transaction in the near future.

Getting ahead of the anticipated spring inventory is something to consider.

President's Message

Hello and welcome to the 2024-2025 Canadian winter season. I am not sure how the winter is going to look this year but rest assured, we will be served our fair share of weather. Winter in Lagoon City can be very pretty with snow and the addition of all the holiday lighting and decorations for the holiday season. Many of us will be traveling for part of the winter season and some will head out for the next few months, if they haven't already. Please be healthy and safe as you enjoy the season, no matter what your plans entail.

The Community Centre is in great shape thanks to Ron Schuurman and the B Board crew. Lots of work has been completed and we are prepared for the winter months ahead. It takes a lot of time, effort and creativity to keep our beloved Centre safe, warm and friendly for all to enjoy. The B Board has scheduled upgrades to the heating and air conditioning system, washroom repairs upstairs, seasonal lighting installation, new signage out front, continuous energy saving efforts and a freshly installed accessibility ramp out front leading to the portico. Wow, that is awesome! Thank you to everyone who has spent the time forging through all this essential work.

I would like to thank Lonnie Potter and Dawn Wilkinson Goobie for their outstanding efforts as LCCA Hub Administrators over the past few years. They are taking a much-deserved break. Thank you ladies for all your hard work and contributions to the betterment of LCCA.

The Social Committee has been hard at work keeping us entertained with many events planned. We have the Annual Christmas Lighting/Carol singing, followed with the Chili cook-off on Saturday November 30th, with musical entertainment after dinner to keep us entertained for the evening. The Directors (members only) Mix 'n Mingle will be on the 7th of December. Please come out and mingle with the Board members and your neighbours. Refreshments provided! The Annual Christmas Dinner is on the 10th of December, so please get your tickets and come out for a fine evening with friends.

I feel the need to mention a few neighbourhood safety items to ensure we all stay safe and healthy. Please use reflective clothing, blinking lights and fluorescent items when walking at night. Lagoon City does not have a lot of street light illumination and the streets are very dark. Drivers struggle to see pedestrians walking. We seem to have a lot of vehicle traffic speeding around our roads, so please report these issues to the OPP (non-emergency). We have speed limits for a reason, our safety. As the bodies of water freeze over, please wait until it is safe to go out on the ice. We have many local resources monitoring the ice conditions, so please check in with them before venturing out. Please be safe out there so you can come to the Community Centre and enjoy all we have to offer.

We are lucky to be able to live in this Paradise but please note that there are families in our area that need help. The "Families in Need" program desperately needs our assistance, especially at this time of year. If you can spare any food, money, gift cards and clothing please reach out and offer your assistance. We as a community can help make a difference.

In closing, I would like to wish each and every one of our members a warm, safe and enjoyable Holiday Season with friends and family. Don't be a stranger to the Community Centre, we are here for all.

Rob LePage

COUNCILLOR SHERRI BELL

Greetings All - dare I say near and far? Is winter really afoot so that some may have journeyed south? Enjoy, snowbirds :)

LCPWC

~ At its November meeting Commissioners received an excellent presentation from **Shades of Hope** and **Speaking of Wildlife**:

View: <https://tinyurl.com/RamaraShadesofHope2024>

Hear: <https://tinyurl.com/ShadesofHopeVideo2024>

~ Marge the Barge removed about 242 loads of aquatic plants - around 485 wet tonnes; in 2023 about 301. The variance may be related to water levels.

~ Remember, the Clean Flo System continues operation until ice-in is imminent - this allows for bio-treatments to do the work through the most extended season possible

~ Consulting engineers have narrowed their review of noise mitigation of the Water Movers to considering installing a restriction at the pump outlet, dampening sound from floats atop the units and installing vibration pads. Stay tuned for more.

~ The North Footbridge project is expected to be completed by the time of printing and dredging in the vicinity will have commenced (maybe even been completed)

~ Cedars have been planted at Clean Flo House #3 on Turtle Lagoon (most westerly shed on Poplar Crescent) and at Beaver Trail

~ A 3% increase in the Special Property or LCPWC Levy brings the annual amount to \$896.59 - a \$26.11 increase from 2024; Council will have approved the budget on November 25, 2024.

~ There are no major projects planned in 2025 - expansion of Clean Flo continues as does plantings/maintenance and such, to ensure assets are in good repair and kept tidy. Water Mover sound abatement and footbridge paving/grading/fencing as budgeted in 2023, remain in-budget

Council

~ Simcoe County Council, where Members Clarke and K. Bell are appointed to serve, increased their wages by 167% with the increase to be implemented over three years beginning in 2025

Ramara Budget notes include:

~ A 5.14% increase in the municipal portion of the tax rate. This equates to an additional \$30.64 per \$100,000 of assessed value

~ An 8% per annum increase in Drinking Water each year for eight years based on the eight-year calculation. Based on the same timeline and calculation, the increase to Wastewater is 13% a year.

~ The **Lake Simcoe Region Conservation Authority** Characterization Study to update the *Ramara Creeks Subwatershed Plan* did not move forward

~ The request for funding of the Chamber of Commerce's Annual Job Fair and Car Show did not move forward nor did the request for funding of its Tourism arm, the Ramara Experience

~ Supporting the *Couchiching Family Health* initiative, *Orillia & Lake Country Physician Recruitment*, to bring primary care here or near, did not move forward - a Staff Report to investigate Physician Recruitment moved forward with \$20,000 placed in a Physician Recruitment Fund

~ The **FoodCycler** method of reducing food waste Pilot Project, agreed to in principle in the spring, did not move forward

~ The request by the *Lagoon City Terry Fox Run* for funding to replace its signage and help with refreshments, did not move forward; Council noted it does not support fundraising

~ The requests for funding for the Ramara Historical Society's *Yesteryears* 2025 and for funding *Books for Babies* moved forward

Recorded Votes will be available in the Minutes

~ The 'Request for Consideration' regarding a solution for Brechin East Crossing will be submitted to all relevant bodies in December in preparation for the January municipal conference; if you haven't signed, please reach out

A variety of questions on matters all the way back to 2023 are being raised as are questions around processes residents can access. Please, I invite you, bring me your questions and concerns so I can provide factual information and a deeper understanding.

For those enquiring, YES, my newsletter will be back - there are matters which have caused me to take a bit of a breather...

As always, *I'm happy to meet where you'd like to meet* - especially in small groups :) I'm at sbell@ramara.ca or 905.220.8778.

If we don't have a chance to share a word between now and the holidays, I wish you a magical, memory-making season!

"B" Board projects update...

After months of (on and off) work, the sign is finally complete. A special thanks to Tori Berends for creating the beautiful picture as the centerpiece of the sign and to Tom Morris and the staff at Xtreme Digital Graphics for printing the picture. Thanks also to Ron Quattrociochi, John Sangster, and Ken Jennings for their very generous donations of time, equipment, and expertise in getting this project done.

The trench drain that was initiated during the summer is finally complete. This has helped greatly with draining the water from the parking lot at the northeast corner. Thanks to Arndt Schreiner for his donation of the gravel, his truck and trailer, and his time to complete this project.

We have installed a wheelchair access ramp along the driveway from the accessible parking spots to the front door. We hope that this will make it easier to access our building for those with mobility issues. Thanks to Chris Rogers who jumped in to help us put the ramp together.

These projects would not be possible without the insight, suggestions, and a lot of help from Don Taylor, Ron Deebank, John Willis, Rick Gaboury, and Bob Petit.

Lastly, we recently put out requests for quotes to install an HVAC system in the south section of the building. We received 3 quotes. Many thanks to member Bryan Guy for consulting and for his expertise in reviewing the various quotes and providing his recommendations to the LCCB Board. Installation of the new HVAC system will reduce our electricity costs significantly since we will be able to reduce the number of baseboard heaters that we are currently using. This system will also provide more consistent heating and cooling (yeah!) for the Birch Room and the Laguna Lounge. This project is part of the upgrades and repairs funded by the Building Forward Capital Fundraiser.

Council Liaison Report *(Unbiased reporting of events deemed important to LCCA members as detailed by Rick Driffield)*

Well winter is starting to knock on the door and make itself known but so far fall is making a valid effort to keep it at bay and for that I say thank you. We have been blessed with some picturesque sunsets and sunrises, some wild clear starry nights and some very bright harvest moons. It is this time of the year that we say goodbye to some of our neighbours as they start the trek south me being one of them. By the time you get this report we should be settled into our Florida winter location, returning in April, I will continue to monitor council activities from afar and report in the newsletter electronically. For those of you staying in Lagoon City I recommend you take advantage of the beautiful trails, canals and surrounding sights they can be breathtakingly beautiful. A brisk winter walk along the trails can be not only inspiring but healthy as well.

I would encourage you to get out and partake in the Winter experience in Lagoon City, the lights along Laguna Parkway decorate the entrance to our winter wonderland and coupled with the various displays on individual homes provide an excellent sightseeing adventure. There was a time a few years when the lights were all turned on at the same time i.e. coincided with the turning on of the community centre lights on carol night and chilli dinner, there was contests for the best lighting display by condo as well as individual homes also I can remember the local school kids going around Lagoon City in a sleigh or wagon pulled by tractor and choosing their favourite display. It might be nice to bring that tradition back. If weather permits you can often find skating rinks being created on the canals, long skating trails have been known to appear on the canal and one year I can remember an outside curling sheet was set up.

As one who is out walking at night along Laguna Parkway, I must say thank you for completing the lines detailing the walkway. It was quite dangerous before the lines were added and had to quickly move off the road on a few occasions. I would caution those walking along Laguna that there is still quite a drop from the road to grass so please be careful.

Topics of Concern

Over the past reportable period the major subject of Council was the 2025 budget. The municipal budget (capital projects, maintain services at required service levels) was presented by the Director of Finance on October 24, 2024, and The Water/Wastewater Designated Ratepayers budget on October 28, 2024. As one could imagine there was quite the discussion concerning a number of items proposed within the budgets and at times lead to some heated debate. It is an interesting study in the workings of our Council and although I do not want to comment on individuals or individual conversations during the debates I would suggest you go to the towns website, www.ramara.ca, (select Agendas and Meetings and then select Special Committee of the Whole – 28 Oct 2024 & 24 Oct 2024), view the meetings detailed above in their entirety to enable you to form your own opinion and see how your tax dollars are discussed.

Council Meeting November 6, 2024

An updated proposed 2025 budget (incorporating some of the discussed items during the October 24th and 28th meetings) was presented to Council by staff. Council approved the updated budget.

What it means to you

- *5.14% increase in the municipal portion of the tax rate*
- *additional \$30.64 per \$100,000 of assessed value*
- *\$12.9 million allocated for capital projects*
- *8% increase on water rates and a 13% increase on wastewater rates*

I highly recommend that you view the information on the new Water Usage Customer Portal that allows you to monitor your water consumption regardless of where you are (great for those snowbirds that are away for months). The application will allow owners to set up email notifications when water usage is detected that exceeds your normal rates. I have set up and it is fairly easy to set up and access on a periodic basis.

The portal allows water users to:

- *Monitor your water usage*
- *Understand current and previous billing*
- *Optimize water conservation through water usage monitoring*
- *Set up alerts regarding water consumption, this can assist to identify problems and not have to wait until the bill arrives to point out problems.*

Celebrating Creativity in our Community

Next time you are in one of the many Loblaws-owned grocery stores, you may see this beautiful little box of chocolate truffles for sale. While I expect that the truffles are great, what makes this item special to Lagoon City is the painting that's featured on the box. (Nancy Mroz ate the truffles – I just got the empty box from her!)

The art work is by local artist and LCCA member, Catherine Cadieux. Her work, along with nine other Canadian artists, was chosen to celebrate the beauty of Canada. Congratulations to Catherine – we are hometown proud!

Here, in Catherine's words, is what this opportunity has meant to her:

"This year President's Choice partnered with ten Canadian artists to celebrate our diverse artistic heritage and landscapes by using the art work of these artists on PC products. As an abstract and landscape artist I am thrilled to be one of the artists whose work was chosen."

Do you have an interesting story to share about a fellow LCCA member's special achievement? We are always looking for human interest stories to feature in the newsletter. If you have a suggestion for a future article, please contact Denise Dickin at lcca.updates@gmail.com.

LCCA

Building Forward

Fundraising Campaign

Last chance to be included on the Donor Recognition Tree!

On behalf of the Lagoon City Community Association, we thank you for your participation in the Building Forward Fundraising Campaign by your generous donations and your involvement in community clubs and events. With your help, we have raised **\$80,478.61** that will help with the capital expenditures and help ensure a safe and successful future for our community building.

If you still wish to donate, please do so by **December 31, 2024**, as your cumulative donations will be recognized.

If you wish to increase your level of donations, they will be added to your current level. Please email me if you have any questions at Yvonne45p@gmail.com

Donate by e-transfer to lcc.finance@hotmail.com. Security question is "Where is LCCA going?" Answer is "forward". In the Comments section, include the name(s) to be acknowledged. To donate by cash or cheque (made out to LCCA), please drop off in our locked mailbox, by the Centre's front door. On the envelope, write Building Forward Campaign and your name.

We thank you,
Yvonne Taylor, Fundraising Chair.

Summary of LCCA Board Meeting

Meeting Date: November 12, 2024

- Ron Schuurman reported on continuing work by LCCB including re-design and installation of the large wooden street sign. Received quotes for upgrade to our HVAC system to install heating and air conditioning to the Birch Room and Laguna Lounge, eliminating baseboards. Accessibility ramp has been ordered; leak in upstairs washroom has been investigated and repairs are underway.
- Brenda Schuurman reported LCCA account has a balance of \$34,000 and we are on track to meet all expenses at year-end. Building Forward Campaign revenue as at October 8, 2024 is \$79,955.51 of which approximately \$39,000 has been spent.
- Denise Dickin reported that Mike Argue has taken on the role as our new Web Master. The Communications team is still looking for an Advertising Sales Rep for Newsletter advertising. Jacquie Vesh has agreed to take on the role of Facebook Hub admin.
- Laurette Woods reported the Halloween event was successful in spite of the lower-than-expected attendance numbers. Chili Supper and Christmas Carols event is planned for November 30th and members will be asked for donations to our local food bank. Director's Mix n Mingle will be held on December 7th and will be open to members only. Food and beverages will be provided. Members' Christmas Dinner will be held on December 10th.
- Karen Berends reported we currently have 476 members (106 Single and 370 Family). Rates for new memberships are pro-rated as of November 1st. Website has been updated with new application. Karen is working on updating the coloured brochures.
- Mary Ann Deebank reported that our insurance broker can offer assistance with additional insurance if required, for private member bookings. The Main Hall is closed down for activities from December 22-January 5 (inclusive). SAGM is scheduled for June 7th, 2025.
- Yvonne Taylor and Jacquie Vesh reported that the Tree of Life design and installation is still being worked on. Yvonne reported that the Building Forward Campaign will wrap up on December 31st, 2024. Some larger donated items will be auctioned off for the Fund. Donations are still welcomed!

The LCCA FICTION PAPERBACK LIBRARY is accessible to all members. Everything is on the honour system – borrow what you want, return it when you can. Books, games and puzzles are not required to be signed out.

The paperback fiction collection includes Fiction, Crime, Mystery, Adventure, Romance, Family sagas and Non-fiction novels. Any books outside of these categories and hard cover books should be donated to thrift shops in Orillia.

All returns should be placed in the basket on the desk for filing.

Thank you for your cooperation of our efforts to keep the library manageable.

Season's Greetings

Lagoon City Racquet Club
Members' Communiqué
December 2024 / January 2025

Wherever you may be as we welcome another New Year, we wish you all
Peace, Harmony, Laughter & Love..
And the very best for a wonderful 2025

We have heard many encouraging comments about how much having pickleball & tennis play available here in Lagoon City means to our Community. As we head into our 2025 playing schedule, we welcome your suggestions for continued court enjoyment.

We have a rather unique situation with our courts here in Lagoon City. Unlike other communities where courts are either owned by the Club, or by the Municipalities in which they are located, with upkeep support, our Lagoon City courts continue to be privately owned by developers/ investors with no interest in maintaining them. However, we have been very fortunate that recognizing an opportunity with the existing courts, and with enough interest among members of our community over the years to keep the courts operational, and enthusiasm on their side, our Club has been granted permission by the different owners over the last 30 + years to be the sole users & custodians of the courts. 2025 is no exception. With this of course comes the responsibility of maintaining them, which is where the remarkable efforts of our volunteers has kept court play active and a real fun place to be. This arrangement continues as we head into our 2025 playing season. We are truly grateful to each and everyone who rolls up their sleeves and does the hard work that makes play so enjoyable. And of course, you the members who are the spirit of our Club. It's just who we are as a Community!

So as our season comes to a close, we say thank you to all of you who have been a part of our court community which proudly serves our Brechin area whether you're a resident or member's out-of-town guest. And, we urge you to continue to follow our Club in our LCCA Newsletter and www.lcca.ca/racquet-club & Facebook Page. **It will be playtime again before you know it!!**

TERRY FOX RUN 2024

Thank you everyone who supported the Terry Fox Run this year.

We have so much support here in Lagoon city. Thank you to all my volunteers for being always there when I need them.

Unfortunately, we lost Pat Robinson, who happily volunteered for several venues. She will be deeply missed.

A Big Thanks to:

Fisher's Independent Grocers in Beaverton

Foodland for providing the BBQ at the run

Timbrmart for the donation of new stakes for signs

Karen Berends, Roger Selman & Richard McGuigan for donations for stakes as well.

Thank you to the following:

Ramara Firefighters for the Car Wash & Boot Drive and keeping us safe at the run

The Brechin Lions Club for their cheque of \$250.00.

Sherri Bell who came to represent the Ramara Township Council and always being there for me.

Tim Hortons who supplied coffee and Tim Bits for the volunteers

Marilyn Wilson for advertisements

LCCA for advertising and the use of the building for the run.

If anyone would like to volunteer next year, we always need people.

You can text Kim Robinson 416 346 9223.

The grand total with online was close to \$5,000.00

So, a big applause to all of you and see you next year.

Thank You Sincerely,

Kim Robinson
