President's Message

Hello and welcome to late summer 2024 here in Lagoon City. July was a fairly wet month ending with some very hot, muggy days. August is continuing on with the hot temperatures, including lots of sunny days. It is great to see all the boat raft-ups on the lake, the beaches busy and people out walking, running and bike riding. This is what Lagoon City is all about. I encourage everyone to get out and enjoy our paradise and interact with your neighbours, friends and others as you mingle in the 'hood.

The LCCA and LCCB Boards have been working hard to keep everyone informed about what is happening within our Association as well as general happenings in the community and township. The building and property are in great shape thanks to the B board and their hard work. The Social Committee is always working on coming up with ideas and events for our members to enjoy. We have a Pig Roast taking place on August 20, along with a Bus Trip to Georgian Downs to see the races and enjoy community comradery outside of the gates of LC on August 27. Check out the Calendar included in this publication to find events to attend. Please come out and support our events as they are organized for you, the membership. As always, suggestions and ideas are always welcome and appreciated, it is your Association after all.

Currently, we are full swing into our membership drive, so please send your renewal in as soon as possible to support your Association. Please encourage friends and neighbours to join and participate in our awesome range of events, activities, and information. We can only survive with your membership and participation, so please renew!

As we move towards October and our AGM, the current Board is busy preparing information to share with our members. You are encouraged to attend the Annual General Meeting to stay up to date and well-informed on the happenings of LCCA. Come out for a couple of hours and have a coffee with your friends and neighbours and ask questions and raise concerns if you have any.

I would like to personally ask you to consider joining a Board and offer us some of your energy to help guide and shape our future. We occasionally have openings that arise as current members desire to slide out of the mix and allow for new people and ideas. If you would like to learn more and discuss options about becoming a Board member, please reach out to me and we can have a discussion so you have an understanding of what the process is and how you might fit in. It is very important to continue bringing new people on to the Boards. It is very rewarding and we do have fun.

Let all take the time to enjoy the rest of the summer, get out and be with people, see places, make great memories and meet new friends.

Cheers,

Rob LePage, President

COUNCILLOR SHERRI BELL

Greetings Lagoon City,

Welcome to those who've newly joined our community! Questions from 'newbies' to seasoned families are always welcome and appreciated – the best place to find the information you seek is from me - Township, Lagoon City Parks and Waterways Commission (L.C.P.W.C.), Conservation, try me ☺

Council Catch-Up

~ **Township Staff** continue the work on Automated Speed Enforcement in Community Safety Zones with Fall the expected implementation period. <https://tinyurl.com/RamaraASE>

~ **The Report I requested** about flashing red lights at Laguna/Poplar is deferred, at my request, to August's Council meeting. <https://tinyurl.com/RamaraStopatPoplarLaguna>

~ **The Report about Community Engagement** for surfacing of the Poplar/Lake Parking Area is also deferred to August at my request. <https://tinyurl.com/RamaraParkingLakePoplar>

~ **I was supported** that a request be forwarded to Simcoe County for a review of the FoodCycle™ Program for condominiums and to consider financially supporting - timely, given County's need to reduce trucking and storing of organics. <https://foodcyclescience.com/>

~ As I write, the start date for resurfacing of Laguna Parkway is awaited from the contractor.

~ The Municipal Drinking Water and Wastewater Services (Municipal Services) **Open House** was cancelled as: "THAT we receive the questions submitted regarding the water and wastewater open house; AND THAT staff prepare a FAQ to address residents questions; AND THAT the open house meeting be cancelled; AND THAT that the FAQ be forwarded to all residents that submitted a question."

Ayes: Clarke, Keith Bell, Fisher, Tuju, and Gough **Nays: Sherri Bell.**

Ramara's families submitted the following questions for Staff to review:

<https://tinyurl.com/YourWaterandSewerQuestions>

~ **The Municipal Services F.A.Q.s** selected for answering are found in three Reports.

<https://tinyurl.com/RamaraJuly9COW>

~ **Ramara's families and I** share deep concern some Municipal Services questions aren't answered and others are answered without detail - examples are:

* The request to know the cost of the 2011/2015/2021 Hemson Reports was not selected for answering and,

* The total cost to date of the Bayshore Village Environmental Assessment to-date was not provided, "*The costs associated with the Bayshore Village Environmental Assessment cannot be determined as financial systems have changed over the past 14 years.*"

~ I asked for amendment to the Motion on the matter of the F.A.Q.s that Community Engagement be added whether at an Open House or in small groups within communities. I was not supported.

~ **Hauling of an expected 90,000m³ of effluent from Bayshore Village to Lagoon City begins fall of 2024.**

Brechin and Lagoon City will fund some 78% of the anticipated \$1,534,000.00 plus HST. I was supported when I asked the Motion include emergency funding be sought. <https://tinyurl.com/BVHaulageJuly24>.

~ **Despite Council Members**, CAO and Clerk receiving letters of support from Board and Committee Chairs, Corporate and Small businesses and Committee Members before July 9, Mayor Clarke has sent different Council Members to some of my appointments. I was not permitted to place the letters of support in the public domain and will share via my newsletter. **Calls of support and concern have come in; thank you!**

Please know, I continue to serve at the Lagoon City Parks and Waterways Commission (L.C.P.W.C.) and to serve Ramara's families with other groups - I'll simply do so in different ways.

~ I'm aware and in support of resident Andrew Fulford's **Request for Consideration** an investigation into a solution for the Brechin East CN Rail Crossing on Ramara Road 47 (Simcoe Road) be investigated. Andrew's aim is to submit to Ramara, Simcoe County, MP Chambers, MPP Dunlop, Minister of Transportation, MPP Sarkaria, and appropriately at CN.

L.C.P.W.C. Notes

~ **79 "Marge" Loads** of Aquatic Plants have been removed with most lagoons serviced. Find the Harvester Tracker and more at <https://tinyurl.com/RamaraCanalMaintenance>

~ **The Harvesting crew** is crossing fingers and toes the unprecedented Water Level will decrease to allow passage into Pike and Turtle Lagoons. <https://tinyurl.com/ParksCandaWaterLevels>

~ **North and South Beach reclamation**, as approved by the Lake Simcoe Region Conservation Authority (L.S.R.C.A.), has been completed by the contractor. There may be a few tweaks here or there by Township Staff - even without, the beaches are looking seriously sandy!

~ **Staff await** materials for upgrades to the Water Movers to meet new guidelines.

~ The North Footbridge Rehabilitation Project permit from L.S.R.C.A. has been received and the Work Order issued; the contractor's start date is awaited.

~ **Staff will investigate** bringing the fence line at the South Beach entrance to the Drinking Water facility right to the shorewall to mitigate foot-traffic and moreover trash left on the rocky outcroppings.

~ **Council supported** my Motion to update actions taken to meet recommendations prescribed in Ramara's 2015 Comprehensive Stormwater Management Master Plan for the settlement areas of Brechin and Lagoon City. Stormwater Management is critical for the health of water bodies.

<https://tinyurl.com/BrechinLCStormwaterManagement>

~ **An update about** the joint L.C.P.W.C./L.S.R.C.A. was missed on August 8 and I've submitted the matter to be updated in September.

So much to say as at August 9 and I'm outta space! This and more has been, or will be, included in my newsletter. If you aren't yet on my mailing list, please sign-up here: <https://www.sherribellward5.com/>

Keep making memories!

Building Forward

Fundraising Campaign

On behalf of the Lagoon City Community Association, we thank you for your participation in our **Building Forward Fundraising Campaign**. With your support we have raised **\$77,868** that will help with the capital expenditures and a successful future for our community building.

Many of you organized and participated in 33 special events that raised \$35,996. Our clubs generously contributed a total of \$9,241. Some individual community members donated a total of \$32,631.

We started the Building Forward Fundraising Campaign to generate capital funds so that we could restore our aging community building, with costs estimated at over \$100,000 (in addition to the recurring expenditures of running the Lagoon City Community Centre of \$75,000 per year).

As you look around, you will see that some of the improvements have already been completed, thanks to your generosity. Many thanks to Ron Schuurman and the LCCB for their dedication to organizing, prioritizing and implementing the needed improvements, making our building a safer place for all members to participate.

There are more improvements to be completed in the near future. Stay tuned for updates on future spending plans.

Yvonne Taylor
Chair, Building Forward Fundraising Campaign

For more information about the campaign, pamphlets are available on the bulletin board at LCCC. Donate by e-transfer to lcc.finance@hotmail.com. Security question is "Where is LCCA going?" Answer is "forward". In the Comments section, include the name(s) to be acknowledged. To donate by cash or cheque (made out to LCCA), please drop off in our locked mailbox, by the Centre's front door. On the envelope, write Building Forward Campaign and your name.

The LCCA Board of Directors is currently looking for volunteers to join the Board, to be elected at our AGM in October 2024. We expect to have at least two vacancies on the Board.

To determine the best 'fit', for both the nominee and the board, all candidates will be met by the Nominating Committee, to discuss the nominees' interests and answer questions about the roles of the directors in the LCCA & LCCB.

EXCITING NEWS - New Social Event Ticketing System!

Starting with our Oktoberfest event on Saturday, September 28th, we are implementing a new ticketing system. We will be using Zeffy, a **100% free** platform for non-profit organizations. Ticket sales will still start 1 month before the event for members only and 2 weeks before for guests. There will be a link and QR code posted on Facebook Members' Hub and emailed via email updates when ticket sales start. A QR code will also be posted on the bulletin board in the community centre.

Frequently Asked Questions:

How can it be free?

With each transaction, Zeffy will ask for a donation. It will put a suggested price in the box, but you can select 'Other' and put in an amount you are comfortable with or \$0.00. This is the only way Zeffy makes money. They are saving us from increasing the ticket price to cover credit card fees and processing fees. Please consider donating.

What happens when I use the link or QR code?

A form (see example at end of document) will open for you to fill in. First you would select the type of ticket you wish to purchase and how many. Then it will request the Buyer's name and email address. For each ticket you will need to enter the person's full name. There may be other questions to answer, depending on the type of event. Lastly, will be the payment option. After paying, you will receive an email with tickets to be downloaded which can then be printed.

How do I pay?

You may pay by credit card or PAD (preauthorized debit).

Credit cards will be processed immediately. You will receive a confirmation email with a link to download your tickets.

PADs will take anywhere from 8 – 10 business days to process. You will receive a confirmation email stating that your payment is being processed. Your number of tickets will be included in the total sold so they are reserved for you. Once the PAD has been processed, you will receive a confirmation email with a link to download your tickets.

Preauthorized debits are only available up to 10 days before the close of ticket sales.

Can I pay by cash or cheque?

Yes, you can still pay by cash or cheque. However, you will need to fill in the form as well **BUT** you would select the ticket option that says "Pay Later". You will receive a confirmation email with a link to download your tickets. Leave your payment in the mailbox at the community centre in an envelope with your name and event on it.

What do I need to get in the door?

You will download your tickets from the confirmation email and then either print your tickets or download them onto your phone and we can scan the QR code at the door.

Why is the process changing?

It helps you, as a member:

- This new system allows for people to receive confirmation of tickets purchased right away. No more wondering if your purchase went through. If you don't have an email with tickets, you didn't buy any.
- You will now have the convenience to pay securely by credit card online but you still have other options, if you prefer.

It helps LCCA, as an organization:

- The handling of multiple events at the same time is made easier with this platform.
- Integration with LCCA's accounting software is now possible with Zeffy.
- More reporting is available to the Social Committee and LCCA Board.

The LCCA Board hopes we have your support as we try to improve systems for both Members and Directors. We realize there will be a learning process but we are here to help you. An information session is planned for **Thursday, August 22 at 1:00 pm**. A short demonstration will be given and then questions will be answered. Come prepared with your cell phone or laptop to follow along.

Below is an example of what the ticket form will look like. Any questions, please contact Brenda at lcc.finance@hotmail.com or Laurette at lauretteewoods@gmail.com.

Together is how we will move forward!

MEMBERSHIP NEWS

Dear Member,

If you have not renewed yet, we don't want to lose you or have you miss out on anything for the remainder of 2024. Plus, our Social Committee is working hard to bring you lots of new and exciting events & experiences in 2025!

Please renew by September 6, to enjoy all membership benefits, including our activities & events, newsletter, email updates, website and Facebook Members Hub.

Renewal rates are: \$95/Single & \$180/Family

Pay by e-transfer to membership@lcca.ca. Please use the security question "what is lagoon city famous for?" The answer is "canals" (all lower case and no quotations).

To pay by cash or cheque (payable to LCCA), please drop it off in the secure LCCA mailbox at our front entrance. Write Membership on the envelope.

I look forward to seeing you at upcoming activities and events!

Karen Berends, Membership Director

Council Liaison Report *(Unbiased reporting of events deemed important to LCCA members as detailed by Rick Driffield)*

I almost hate to say it, but by the time you are reading this report we will be on the downside of summer heading into fall. The geese are in the final days of their practice runs up and down the canal and guess they are getting ready to head south. Unfortunately, there are still a few flocks around that insist on going back and forth across Laguna Parkway. Maybe they are walking south this year? I would caution you when walking by yourself or with your dog there is one gander that is quite aggressive and does not take kindly to anyone coming near his flock!

Now I must admit Fall is my favourite season, particularly in Lagoon City and points north. I don't know about you, but it seems that the seasons are going by quicker each year. Wish I could say it was due to climate change but suspect my age is playing a big part. I know we have had a lot of rain this year and guess the water table is high but does anyone else notice the amount of standing water there is especially along Laguna Parkway? There have been some major repairs done to the lines at the corner of 71/51 Laguna and replacement of the water hydrant at 41 Laguna (apparently it wasn't working - good thing there wasn't a fire!). I don't think I have seen it like this in all the years I have been here. Makes you wonder? Lagoon City is basically built on a swamp and the ground is forever moving, thus some of the issues people have had with plumbing, foundations, and grounds, etc. The ground sinks but the dwellings are built using stilt-like foundations that don't move with the ground.

Those of us living in condos in particular, have seen the result this can have on our plumbing lines and foundations. I think this constant movement of the ground coupled with the high-water table, has prohibited some of the water from flowing back into the canals. I am not an engineer but would suspect that there needs to be a cleaning and dredging so to speak of the swales that run from the road to the canal. On the plus side, the frogs are enjoying the newly created ponds!

Hopefully everyone took the time to either complete the Recreation survey, and/or attended the meetings about the future recreation wants and needs. I also note that currently there is an ongoing petition pertaining to the railway crossing on Simcoe Road. This has been a long-standing issue with Lagoon City residents and in the past, little was able to be achieved but continuing to bring it to light. And trying to do something is better than "Ah, we tried to fix that years ago, nothing happened, and nothing will be done". So please, look at the petition and sign it if you are so inclined to the change.

One last rant if you will. I don't think I have seen so many water advisories or do not swim notices on our beaches! Is it that the testing is getting better, or has all the rain and subsequent run-off caused the bacteria to be more prevalent? Hopefully it can be blamed on geese and not human waste, aka issues reported at Wasaga Beach! No answers, just questions.

Given that it has been two months since the last newsletter I am not going to go back and report on old news but will bring to your attention some of the key highlights and topics of concern. I have kept it short but once again direct you to the Townships website where you can view all meetings, notices and announcements, and thus stay current on the goings-on in Ramara Township.

Topics of Concern

- *Deputation (petition signed by Lakeshore Drive residents) presented by Elaine Buzovetsky to Council regarding the halting of the proposed expansion of the water line to Lakeshore Drive (Fourth concession to Third concession). Deputation received as information by Council.*
- *FAQ response to questions submitted regarding the water and wastewater rate history study and budget and Bayshore Village WTP. I have provided the link as the actual reports are too long. If you are unable to open via the link you can find it by going on to the Ramara website and under Agenda and Meetings go to Council highlights of July 9, 2024, meeting, and open from there.*

- *Just when you thought it was safe to go out walking this fall/winter it was reported on the July 9, 2024, Committee of the Whole meeting that the Bayshore Sewage effluent hauling situation will continue this year!! The report was received as information, and staff was requested to provide an analysis of outlining the cost of buying or leasing a truck to haul vs. hiring a contractor to conduct the haulage thus reducing the overall cost. This will be a topic of discussion at the Special Council meeting of August 12, 2024.*

Next Regular Council Meeting August 12, 2024.

Summary of LCCA Board Meeting

Meeting Date: June 11, 2024

- Rob LePage acknowledged the great job done by the Directors of A & B Boards in hosting the Volunteer Appreciation Breakfast. He received wonderful feedback on the event.
- Ron Schuurman reported on recent work of the LCCB Board including:
 - The clubhouse Spring Cleaning was a success. The volunteers were inventive and took their own initiative to tackle cleaning of areas not on the 'wish' list which was fantastic and much appreciated. Thank you to all the volunteers.
 - Goose fencing installation is progressing.
 - Tree pruning is almost done. Positive comments received that the front of the property looks open and welcoming. B Board in discussion on whether to plant trees for shade at the back of the property.
 - One shed at the back of the property has been removed; to be decided whether to sod or seed. Hostas will be relocated.
 - The Board approved driveway parking lot work to proceed as per quote from Eager Beaver Services Corp in the amount of \$10,049.90 inclusive of HST.
- LCCA account balance is \$21,800 less \$6,800 Building Forward campaign portion of the funds. LCCB account balance is \$10,800. 2024 Property Taxes are \$31,999. LCYC has been invoiced \$19,000 for their share of the taxes.
- Building Forward Campaign total as at June 11, 2024 is \$73,092.68 of which approximately \$18,000 has been spent to date.
- There have been 4 new family memberships and 8 membership renewals. An LCCA membership drive advertisement has been placed in the Ramara Chamber of Commerce 2024-25 Membership Directory.
- The Board scheduled a special meeting in July to undertake a review of all of the updates, changes and policy additions as part of the recent LCCA Policy Manual review.

Lagoon City Racquet Club *Members' Communiqué*

LAGOON CITY TENNIS & PICKLEBALL

SEPTEMBER 2024

Well, here we are once again at month 5 of our annual 6 (sometimes 7) month of outdoor tennis & pickleball play in our community, and like so many years gone by, we're looking forward to continuing the fun through the next couple of harvest months ahead. With September and October known for their cooler, fresher days, there's still so much more on court fun to enjoy whether your game of choice is tennis or pickleball. And since we're heading into September which offers special tribute days such as: Labour Day September 2nd; Grandparents Day September 11th; and International Peace Day September 21st, we thought it a perfect time to extend our sincere acknowledgement and thanks to some special LCRC members who have decided to step down from their leadership roles as long serving Club Directors.

Gratitude for their support and endless commitment to ensuring that tennis & now pickleball are alive and well in our community is beyond a simple thank you. From Gaby Thom who served so generously as our Social Director and more recently our Treasurer, to Louis DeRuiter our tireless, hardworking Director of Maintenance, and Mike Wall who has been a steady caring leader most memorably as our humorous "poet laureate" President among his other roles over the years, and to our very special "Miss Congeniality" & photo historian, Cathy Errington, whose heart and spirit are inspirational both on & off the court, & despite facing some of life's most difficult challenges, has always managed to show up with a smile & enthusiasm both on & off the courts to ensure that our courts remain a place of fun & community connectedness - we say thank you so very much to each of you for your selfless years of service.

On that note, our Lagoon City Racquet Club will be looking for new volunteers to "step up to the net" to continue to ensure that our courts remain the centre of the outdoor fun they have been for the last 46 years. So, this is a perfect time to announce the date of our upcoming LCRC Annual General Meeting, which will be held at the LCCA Community Centre on:
Sunday, October 6th, 2024.

In the meantime, it's not too late to come on out and join the on-court fun whether your game of choice is tennis or pickleball. To find out more about playing tennis and/or pickleball or both, just go to: www.lcca.ca/racquet-club And of course, Membership Forms & Information about our Lagoon City Racquet Club are always available by contacting the LCRC Membership Director directly.
