President's Message

Hello and welcome to Fall in Lagoon City. As I write this article, I am watching the leaves float to the ground, a fine mist of rain comes and goes and the backyard looks barren. All the summer furniture and garden ornaments are tucked away in the shed, except for the rakes of course as they still have lots to do. It is sad to see the warm seasons vanish into our memories.

The transition from summer into winter is where the LCCA really begins to shine and show so much purpose. We have many months ahead where being out in the cold isn't preferential for many of us. The LCCA works tirelessly to keep the centre open and energized with club activities, Mix 'n Mingles and other events. These activities can only happen if you, the members, attend these events. Please come out and attend as many as you can. It is a great way to stay in touch with friends and neighbours. We have plenty of events happening as we move into the cooler season. We continue to put on Mix 'n Mingles every month to get people out, we have dances, seasonal lighting event with chili cookoff, and a Christmas dinner to name a few.

For those of you that head to warmer climates for the winter, as well as those who take periodic vacations in the sun, we wish you well. Be safe and enjoy. We will be here waiting for your return.

Please consider the following. November 11 is Remembrance Day. Please wear a poppy to show thanks for those who gave the ultimate sacrifice for the freedoms we enjoy to this day. The Brechin Legion always has a Remembrance Day Service and we will be laying a wreath from Lagoon City Community Association along with all the others.

I would also implore you to support local food banks and the Families in Need program in our area. There are people that need our assistance during this time in their life. Our support is appreciated by so many. We as a community are a very generous and supporting group, so let's make a difference!

A gentle reminder that we have the Laguna Lounge upstairs that is open to all members to gather. We have a generously donated big screen tv, dart boards and table to play cards or just mingle. Please use it! We built it and want to see people enjoying all our hard efforts. Maybe a great place to meet and watch a hockey game every week?? No reservations needed, just come and enjoy the area.

The Annual General Meeting took place in October. Thank you to all those who attended and enjoyed a hot coffee and a treat as we went through the agenda. The feedback from attendees was positive. We have our elected A Board and our B Board ready to get to work and keep the Community Centre safe, fun, and well utilized. Thank you to Lonnie Potter and Diane Daly for your support and hard work over the past year and we wish you well in your future adventures. And welcome to Jacquie Vesh as a newly elected Board member.

In closing, I wish everyone a healthy Fall and look forward to having fun in the 'hood with all of you. Thank you for your support.

Robert

COUNCILLOR SHERRI BELL

Happy Fall Community!

I hope each among you has found your favourite way to enjoy autumn's glorious crimson and gold:

LCPWC

- ~ South Footbridge fencing is in place; North Footbridge works are underway
- ~ *Harvey, Scoop Dogg and Marge* removed an estimated 280 tonnes in July/August; final numbers to come
- ~ Clean-Flo remains in operation until ice-in is imminent to allow fall Bioaugmentation treatments to distribute through the canals
- ~ 2025 Budget discussions are complete and sent to Council for approval
- ~ Commission gathered 'first-glance' pricing for community-suggested projects, examples of possibilities are accessibility and a beach gathering place; watch for formal engagement
- ~ Commission received Characterization Projects from the Lake Simcoe Region Conservation Authority – one, to consider nutrient loading and overall health of the lagoons, the other, Sodium Chloride. The first was sent to Council since stewardship for Lake Simcoe is the responsibility of all Ramara residents; the second, received for the moment, leaving the door open for future discussion
- ~ Two reminders: Boats should not be moored in the canals after October 31. Please, do your part to take care of our canals by bagging up all organics to prevent them from becoming 'muck-makers'. [Visit County](#) for the Collection Schedule.

Council

- ~ I've supported Drew Fulford's 'Request for Consideration' a solution for the Brechin East Train Siding be investigated jointly by all appropriate bodies. Drew will formally submit to support the Township's 2024 delegation to Minister of Transportation and future delegations
- ~ Prior to the 2024 Association of Municipalities Ontario Conference, I requested a delegation with the Minister of Health to gain perspective on *Good Doctors Brechin* where the private funding model is concerned. It was communicated Ramara should reconsider a return to funding of the *Orillia & Lake Country Physician Recruitment Program (O & LC)*
- ~ I placed a Motion on October 7 to have the *O & LC* expenditure of \$2/resident, or about \$21,000, forwarded to 2025 Budget discussions and was supported
- ~ Laguna Parkway has been freshly surfaced and widened to 10 Meters to allow for walking/cycling paths on east and west; line painting is pending at the time of writing

It's time to *Fall for Ramara!* The Ramara Experience's 2024 *Shop With Us Ramara*. Support local between October 21 and December 1 and enter to win Ramara Experience swag:

- ~ Snap a picture of your receipt
- ~ Scan the QR code you received by mail or visit [The Ramara Experience](#) to upload your receipt
- ~ Shout out loud and proud Ramara Rocks whenever you can! If you're adding social media content show your pride by hashtagging #ramararocks

There's so much more and I'm out of space! If you haven't yet, please be sure to sign-up for my newsletter so you don't miss a thing: <https://www.sherribellward5.com/>

See you 'round Ramara :)

IMPORTANT – FINANCIAL UPDATE

In **summary**:

- The budget for 2024 – 2025 was printed in the October newsletter and presented at the October AGM.
- Unfortunately, it showed a net loss of approximately \$15,000.

The LCCA/B Boards are taking the following steps to address the financial situation:

Change to Cleaning - We were receiving a full clean on Thursday and a partial clean on Monday. This has been changed to a full clean on Monday and elimination of the partial clean. **This will save approximately \$3,500.**

Please continue to clean up after your activity or event to help keep the centre clean for the next group.

Activities Cancelled during Christmas and New Year's – These two weeks, from Sunday, December 22nd up to and including Saturday, January 4th, usually see some activities cancelled, or attendance significantly less than normal.

Cancelling all activities will achieve two things: it will help in reducing costs (hydro and heat) and it will also allow our Activity Leaders to have a much-deserved break as they give generously of their time year-round.

Any suggestions for increasing the revenue or decreasing the costs are welcome! Email Brenda Schuurman at lcc.finance@gmail.com.

Donations Received toward LCCA General Fund Sep 1/24 – Oct 20/24

Chair Yoga	\$226
Mah Jongg	\$100
Ladies' Club	\$600
Line Dancing	\$116

Thank you to these clubs for donating.

Thank you for your continued support of the LCCA and our members!

Thanks to everyone who attended our
Lagoon City Community Association

Annual General Meeting

It was great to see both some familiar faces but also some new members – we appreciate your support!

At the meeting, the LCCA Board of Directors was elected for the 2024/2025 year. Most of the existing members agreed to stay on for another year. We said farewell and thanks to Lonnie Potter (Secretary) and Diane Daly (Director at Large) and happily welcomed Jacquie Vesh, who is joining as a Director at Large. Kelly LePage is serving as an Interim Secretary but we are still looking for someone to take on that position in an elected capacity. If you are interested in learning more, please contact Rob LePage.

Minutes of the AGM will be available in the members' section of the LCCA website in early November and will be emailed to the membership prior to our SAGM.

Council Liaison Report *(Unbiased reporting of events deemed important to LCCA members as detailed by Rick Driffield)*

The leaves are quickly turning as Mother Nature displays the majesty of her artistry on a topographical canvas for all to see. This elaborate display of colours is enhanced with the spectacular views we have been blessed with of the northern lights. For a brief moment if you have been fortunate enough to have been able to take the time and absorb the beauty of these displays hopefully it allowed you to shout out the worries of the world and be thankful for what we have here in Lagoon City. Speaking of being thankful hopefully everyone was able to enjoy friends and family on Thanksgiving weekend.

As you can see by the details below in effluent update, we have a long way to go and thus it would appear we will see our friendly trucks coming along Laguna Parkway for quite a while.

Maybe we can convince the company to decorate for Christmas so at least we can have a Christmas parade in Lagoon City.

I somewhat understand the explanation re lines painted on the newly paved roads however prior to the resurfacing we at least had the walkways marked and now with walkways on both sides (which is new) I would think it a safety issue to have both sides properly marked. I would also add to those walking on Laguna Parkway to be careful as the drop from the road to the ditch is quite steep now and the gravel is still loose, so it is fairly easy to fall into the ditch.

On a positive note, it looks like this last attempt at fixing an underground leak was successful as the standing water along Laguna parkway has disappeared.

Items from Committee of the Whole October 7, 2024, meeting *(to be presented at upcoming Council meeting)*

Effluent Update

- as of September 27, **18,672 m3** of effluent has been hauled out of the **120,000 m3** required to be hauled.
- due to the weather this year, only able to spray **20,000m3** of effluent compared to the over **90,000 m3**, sprayed in other years.

Winter Maintenance at mailbox in Lagoon City

- Discussion on the failure of Canada Post to provide an acceptable winter maintenance of the community mailboxes located at the intersection of Lake Ave and Poplar Cres. resulting in residents having difficulty and/or not being able to access their mail in a timely fashion.
- Staff to contact Canada Post regarding updating the mail bar in Lagoon City and possibly removing it from the township's parkland.

Lakeshore Drive Water expansion

- Engineering for the water and/or sewer expansion is currently being undertaken
- The finalized documents will then be released for tender (*Water only for Lakeshore from Simcoe to Con 3 and sewer servicing on Lone Birch, Ridge, and Maple Trail*).
- When the tender results are received, staff will report to Council for their decision whether to proceed with the project.

Line Painting on newly paved roads

- It was pointed out that standard practice for many municipalities is to paint lines on collector and arterial roads, however residential roads are not painted.
- The Township is not legally required to paint lines on residential roads. It was noted that painting the lines could be viewed as a precedent for all rural residential roads.
- It was also noted that lines on rural residential roads might impact safety in that motorists could be less likely to move over to avoid objects, vehicles or other obstacles that may be parked on the side of the road.

Ramara Road 47

- Now that the work has been completed on Ramara Road 47 it was discussed whether the speed limit should be reset to 80KM/hr
- Committee approved for staff to review the speed limit bylaw that reduced the Ramara Road 47 to 60 km/hr.

Topics of Concern

Please note the following excerpt from the Township of Ramara media release. For those concerned about their water usage and possible leakage etc. the following is quite important!!

“Over the past two years, the Township has been working on implementing the technology as a result of being a recipient of Ontario’s Municipal Modernization Intake 2 program. With this new technology, water consumption data is relayed in real-time to the Township through a wireless communication platform, eliminating the need for laborious and time-consuming manual readings across the Township.

Over the next week, users will receive their utility bill and instructions on signing up for the portal. Users can access detailed information about the Customer Portal, including interactive videos detailing how to sign up and navigate the portal by visiting www.ramara.ca/portal. Users will also receive additional information with their bills, introducing Ramara’s new 12-month Pre-Authorized Payment (PAP) Plan to make it more convenient for them to pay their utility bills. The current PAP plan, which involves regular installments four times a year (April 30, July 31, October 31, and January 31), is still available.

For assistance of technical questions regarding the Water Usage Customer Portal, please contact infrastructure@ramara.ca or call 705-484-5374 ext. 285.”

Special COW budget meeting dealing with water-wastewater

Please note that there will be a Special Committee of the Whole meeting on Monday October 28, 2024, at 9:30 a.m. in the Council chambers (will also be available via Zoom) at the Administration building. The meeting will be dedicated to the water/wastewater designated ratepayers’ budget only.

Next Regular Council Meeting October 21, 2024.

WE ARE CLOSED FOR THE WINTER SEASON

Hopefully everyone enjoyed the summer but it is now at an end. Unfortunately, winter is on its way. We thank everyone for their support and patience.

Don't forget for next season we have a fully licensed mechanic, small canvas/upholstery and body shop. We also have a fully stocked chandlery, parts department, storage, and much more.

We take great pride in what we do and want to make the boaters enjoy their summer season without any stress and enjoy the comforts beyond.

If you have any questions please do not hesitate to contact us.

Stay healthy and safe and we will see you in the spring.

Regards

Ted, Connie, Mike and Ted Jr.

Building Forward

Fundraising Campaign: Wrap Up!

On behalf of the Lagoon City Community Association, we thank you for your participation in the Building Forward Fundraising Campaign with your generous donations and your involvement in community clubs and events. With your help, we have raised **\$79,824.62** that will help with the capital expenditures and ensure a safe and successful future for our community building.

Our original goal was to raise \$100,000. However, with the skilful dedication and volunteer efforts of the LCCB board, we have already been able to accomplish many of the repairs and improvements required. As a result, we have decided to end our campaign at the end of this calendar year.

As a special thank you to you, we have been working on an idea to acknowledge all individuals and clubs for your generosity. Instead of a traditional plaque, we thought a Tree of Life would be interesting and wholly appropriate. We look forward to unveiling our very own Tree of Life in the coming months, with our generous donors creatively acknowledged. If you still wish to donate, please do so by December 31, 2024, as your cumulative donations will be recognized. The leaves will be coloured to designate the level of donations:

Diamond - \$1000 plus	Platinum - \$500 - \$999	
Gold - \$250 - \$499	Silver - \$100 - \$249	Bronze - up to \$99.

If you wish to increase your level of donations, they will be added to your current level. Please email me if you have any questions at Yvonne45p@gmail.com

As we heard at our AGM in October, our annual operating expenses continue to exceed our annual income. For this reason, LCCA will gratefully continue to accept donations at any point.

This Campaign has been testimony to the spirit and generosity of all our members.

We thank you.
Yvonne Taylor

Summary of LCCA Board Meeting

Meeting Date: September 17, 2024

- Rob LePage shared a requirement for Board and volunteer positions: Vice President and Secretary needed for A Board. Volunteer Coordinator, Web Master and Advertising Rep volunteers needed
- Ron Schuurman reported on continuing work by LCCB including sidewalk levelling, solar light installation in parking lot, wooden street sign taken down and new design and installation are in progress. We had a BBQ donated to the CC. Township of Ramara has designated our Centre as a Reception Centre in the event of a local emergency. Acquiring quotes to build a wheelchair access ramp. Investigating intermittent leak in the main room. LCYC has advised LCCB that they wish to repair their portion of the parking lot. Costs will be shared as per lease agreement
- Brenda Schuurman reported LCCA account has a balance of \$32,000. LCCB account balance is \$36,000. GIC's totalling \$47,828.39. Building Forward Campaign revenue as at September 17, 2024 is \$77,650.77.
- Denise Dickin reported that Tom and Sue Heideman are stepping down as our Web Masters and we are actively looking for a replacement. Board members are working on a list of community agencies and groups that could be invited as guest speakers to provide public information sessions such as Fire Safety, Marine Safety, etc. A community section of our bulletin board is being developed to promote Orillia/Beaverton/Ramara Community Event postings.
- Laurette Woods reported the Georgian Downs event was successful and very well attended. Mix n Mingles will kick off on September 21st and future events will include a food bank drive component. Laurette will solicit volunteers for all events for set-up and clean-up. A finalized list of planned events for 2025 will be provided at the next Board meeting.
- Karen Berends reported on the recent membership drive. A few new memberships this year, but several non-renewals due to moves out of the area, and member deaths. Karen will update the Membership brochure and new member information package to include information regarding our new event ticketing system.
- Mary Ann Deebank reported that all activity leaders have received updated member lists and have signed the 2024/2025 Activity Leader Agreement. Friday Darts has started their season and Sunday Yoga will restart at the end of September.
- Rick Driffield reported the Township of Ramara's current survey regarding the Lake Avenue parking lot expansion project and noted the survey is open to residents until October 15th.
- The Board approved the Policy Manual and Appendices, effective September 17th, 2024
- The Board approved the 2024/2025 LCCA and LCCB Budgets as presented by Brenda.
- Director's Open House (December's Mix n Mingle) will be held on December 7, 2024.

PATRICIA ROBINSON

Lagoon City recently lost a special person. After farming in Cobourg and retiring in Beaverton, she and Dave made their forever home in Lagoon City. They were members of the yacht club where Dave served as commandant. Until Dave's health deteriorated, they were active in everything. She has served on the wings and social committee. She loved her golf and cards and joined the power walking club, chair yoga and darts. If there was a social, she would be there. She even belonged to the hipster club!! She was well known for her happy disposition. She recently attended her first Bayview Wildwood weekend and had already said she was in for next year. She had so much more living to do but accepted her fate. Her lovely smile will be missed. Safe journey Pat.

LESLIE JACK SMITH

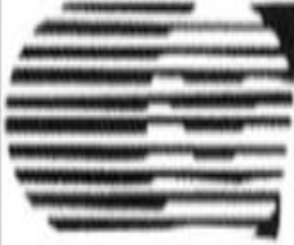

Leslie Jack Smith passed away peacefully on June 25, 2024. He and his wife Shirley moved to Lagoon City in 2012 and immediately joined the LCCA, participating in many activities. Donations to the Building Forward Campaign, in honour of Les have been received.

November 2024

There is no better time than now to join other ladies at the community centre for a fun filled afternoon. Our ladies are happy to include you, whether you already know how to play or just want to learn. The doors open at 1 pm and the games begin at 1:30.

Our ladies take turns providing goodies, coffee, and tea. They also add laughter and friendliness. You are welcome to come next Tuesday to check it out.

We will not be meeting during the holiday break on Tuesday, December 24th and 31st.

We were all shocked and saddened this week to learn that our dear friend and Ladies Club member, Pat Robinson passed away. Everyone enjoyed her laugh and positivity. She will be sorely missed. Our condolences go out to her friends and family.

Lagoon City Racquet Club *Members' Communiqué* November 2024

After another fun season on our Lagoon City Courts, outdoor tennis & pickleball will be coming to a close as of November 4th, when our nets will be taken down and our amazing volunteers will once again “roll up their sleeves” or maybe I should say “zip up their jackets” depending on the weather, to take care of the end of season repairs that need to be completed before winter begins.

Keeping our Lagoon City courts in operation is no small feat! When we consider that they're maintained and administered by dedicated member volunteers who collectively work to ensure that those of us who really enjoy socially interactive outdoor court sports can do so close to home.

Thanks to our newly elected Maintenance Director Ron Quattro & his team, we are so very grateful to all of you for stepping up to the challenge!

So as our season comes to a close, we say thank you to all of you who have been a part of our court community which proudly serves our Brechin area whether you're a resident or member's out-of-town guest. And, we urge you to continue to follow our Club in our LCCA Newsletter and www.lcca.ca/racquet-club & Facebook Page.

The Township of Ramara launches new Water Usage portal

Ramara/October 10, 2024 – Ramara/October 10, 2024—The Township of Ramara is introducing its new Water Usage online Customer Portal, now available to Ramara residents and businesses receiving utility bills from the Township.

The new user-friendly portal allows users to monitor their water usage, understand current and previous bills, optimize water conservation through real-time monitoring, and customize alerts regarding water consumption. This can help identify problems such as leaking toilets and taps. To get started, users will need a copy of their utility bill and must provide their account number, email address, and name exactly as it appears on the bill.

“The Township is always working to implement innovative technology that enhances our services and provides a greater understanding and communication to our residents,” states Mayor Clarke. “This technology will equip our users, including seasonal residents, with real-time consumption information that can help them make informed decisions regarding their water consumption and help identify potential plumbing problems sooner.

Over the past two years, the Township has been working on implementing the technology as a result of being a recipient of Ontario’s Municipal Modernization Intake 2 program. With this new technology, water consumption data is relayed in real-time to the Township through a wireless communication platform, eliminating the need for laborious and time-consuming manual readings across the Township.

Over the next week, users will receive their utility bill and instructions on signing up for the portal. Users can access detailed information about the Customer Portal, including interactive videos detailing how to sign up and navigate the portal by visiting www.ramara.ca/portal. Users will also receive additional information with their bills, introducing Ramara’s new 12-month Pre-Authorized Payment (PAP) Plan to make it more convenient for them to pay their utility bills. The current PAP plan, which involves regular installments four times a year (April 30, July 31, October 31, and January 31), is still available.

For assistance of technical questions regarding the Water Usage Customer Portal, please contact infrastructure@ramara.ca or call 705-484-5374 ext. 285.
