PRESIDENT'S MESSAGE

Hello everyone, and welcome to our late fall and early winter edition of The WAVE!

It's hard to believe we're approaching the end of another year. As we look ahead to the holiday season, it's a good opportunity to reflect on what we've accomplished together and what lies ahead.

On October 17, the LCCA held its Annual General Meeting. Members received updates on the Association's activities and accomplishments, including reports from our A and B Boards, an overview of our financial position, and the ongoing work involved in maintaining our clubhouse and supporting our many events and activities.

The AGM also marked the election of our Board of Directors for the coming year. I would like to personally thank three departing Board members: **Laurette Woods** (Social Director)**, Sherry Gifford** (Membership Director)**, and Jacquie Vesh** (Director at Large**).** These three ladies have given so much of their time, energy and enthusiasm to the LCCA. Their dedication has helped keep our club running smoothly, financially supported and, perhaps most importantly, FUN! Thank you, Laurette, Sherry and Jacquie, for everything you've contributed. Your efforts have made a real difference!

I'm also very pleased to welcome **Susan Quiquero and Leanne Bedrosian,** who join us as our new Directors at Large. It's encouraging to see members step forward and offer their time and talents to help shape the future of our Association. We look forward to working with both of you!

For my part, I'm honoured to have been elected to serve another term on the Board and to continue in the role of President. I appreciate the confidence and support of our membership and fellow Directors and look forward to working with this dedicated team in the year ahead.

"It's a new season at the LCCA, with fresh perspectives and opportunity"

ROB LEPAGE
LCCA PRESIDENT
705-331-9616
rglepage@live.com

We still have some important opportunities for members to get involved. In particular, **the position of Membership Director remains vacant,** and we're actively looking for someone interested in taking on this important role. Membership is at the heart of our Association, and if you're interested, or know someone who might be, please reach out to me or any Board member.

We also continue to rely on our wonderful volunteers to make things happen. Whether it's helping at an event, supporting an activity or lending a hand behind the scenes, every contribution makes a difference. Remember, many of our events raise much-needed funds to support the operation and upkeep of our clubhouse. Your participation helps keep our Association strong!

With our AGM behind us and the municipal elections complete, we head into a new season with fresh perspectives and opportunities ahead. While the days may be getting shorter and cooler, there's still plenty happening at the clubhouse! Check the calendar, come out to an event or try a new activity.

Remember, this is your club. It's here for you to use, enjoy and help shape.
As I close, thank you to all our members, fellow Board members and volunteers for your ongoing support. I hope to see you around the neighbourhood and at the clubhouse. As always, please feel free to reach out with any questions, concerns or ideas.

Until next year, **I wish you and your families a wonderful holiday season,** safe travels, good health and all the very best for 2027!

COMMUNICATION: MORE THAN JUST KEEPING IN TOUCH

While preparing my Communications Report for our recent AGM, I found myself reflecting on something bigger than newsletters, websites and social media. What does communication really mean, and how do we keep it meaningful in a world that is changing so quickly?

How we connect is constantly evolving, and the tools available to us are changing faster than ever. Artificial Intelligence (AI), for example, may not have been in many of our toolboxes even a year ago. Today, it is becoming part of everyday life. It's exciting, scary and sometimes overwhelming, and raises an interesting question: How do we embrace these new tools without losing our own creativity, individuality and authentic voices?

Recently, a few members approached me looking for help navigating technology. It reminded me that communication isn't just about sharing information; it's also about helping one another access it. I'm learning too, and I believe there's real value in learning together.

At our AGM, a question was raised about circulating a membership contact list. While privacy concerns and the work of maintaining such a list would not be practical, what struck me most was the important desire behind the request. **Our members want to feel connected.** And really, isn't that at the heart of what the LCCA is all about?

As we look ahead, I'd love for us to continue exploring ways to strengthen those connections, whether through the technology we use, the stories we share, or simply helping a neighbour navigate something new.

With that spirit in mind, we're planning a Technology Drop-In, an informal opportunity to ask questions, share tips and perhaps learn something new together. Because ultimately, the tools may change, but the most important part of communication never will: the people on either side of it.

THOUGHTS FROM TEAM WAVE

I must confess, it's a little hard to wrap my head around this being our pre-Christmas issue, when the leaves are still falling on green grass. Almost time to trade in those pumpkins and witches for wreaths and snowmen! Oh well, winter feels a little milder when you are connected to your community.

I'm happy to report that we have two new members on our newsletter team, Lisa Beech-Hawley and Teri Schymik. We're still figuring out exactly "who does what" but I know that our newsletter will be an even better resource for members with these two wonderful women joining us. Welcome, Lisa and Teri!

Lorraine and I are also an looking forward to working with the 2026-2027 LCCA board - both the new members and those wonderful troupers who are continuing to serve.

For 2027, we are planning on focusing on a different theme for each issue of LCCA Wave. For Jan/Feb, it will be health and wellness, as we support each other with those New Year's resolutions and good ideas! If you have a suggestion for a future issue, please email me with your ideas.

I want to offer a little shout-out to everyone who helps with the printing, distribution and home deliveries of the Wave. These volunteers do a great job all year but especially in our chilly winter months. Please remember, if you usually receive a paper copy and you are going away, to let us know the dates that you won't be in Lagoon City. It's a small kindness to the people who try get to up snowy driveways to bring you the newsletter.

Best wishes for the holidays!

IN MEMORIAM

REMEMBERING OUR MEMBERS, NEIGHBOURS & FRIENDS

Muriel was witty, with a dry sense of humour and very good company. She added good conversation to our Tuesday afternoons at Ladies Club, and our occasional lunches. Muriel was at ANDY'S HOUSE hospice in Port Carling. She could not have been in a better place at her time of passing. Muriel did not want any service or ceremony. In lieu of flowers please consider donating to ANDY'S HOUSE, to help them continue the awesome work they do. Although Muriel is no longer here with us, she will never be forgotten. She will always be remembered with love. She is very much missed.

Rest in Peace Muriel.

SEPTEMBER & OCTOBER A LOOK BACK!

As summer gave way to fall, the fun continued at the LCCA! Alongside our regular weekly and monthly activities, September and October brought plenty of special events, laughter and opportunities to connect.

Our September **Mix 'n' Mingle,** hosted by Susan and Mario Quiquero, had us Sailing into the Sunset, while Dawn Cox and Jackie Bacon brought a little Bavarian flair to our Oktoberfest Mix 'n' Mingle. A big thank-you to our wonderful hosts for two fantastic afternoons!

The Lagoon City Star Squares delivered another hilarious game-show evening! Bravo to our celebrity participants and special thanks to Sherry Gifford and her team for organizing the fun.

It was smooth sailing for **Cruise in the Lagoon**, organized by Diane Daly and Daryl Puffer. Five pontoon boats carried 40 guests and crew on a beautiful afternoon cruise, giving neighbours without regular access to a boat a chance to enjoy our waterways.

Creativity was also flowing at our **Fall & Thanksgiving Stenciling and Lunch,** led by Sherry Gifford. And, of course, our Annual Car Rally was another highlight! (See page ___ for the full story.)

Thank you to everyone who organized, volunteered and participated. You make it all happen!

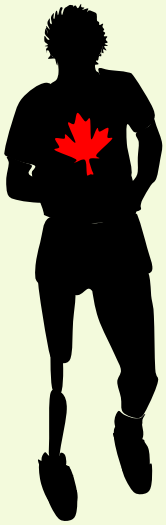

LAGOON CITY TERRY FOX RUN – A GREAT SUCCESS!

This year's Lagoon City Terry Fox Run raised approximately **$4,100 in support of cancer research!** A heartfelt thank-you to the generous donors, local businesses, sponsors, firefighters, Lions Club and dedicated volunteers who helped make the weekend such a success. The organizing committee, led by Kim Robinson, is now looking for new volunteers to take the lead in 2027— please consider stepping forward to help keep this wonderful tradition going! Thank you Kim, for all your efforts in keeping this important fundraiser in our communicty.

LIVING WELL TOGETHER

Small Steps for a Healthier Holiday Season

November and December are filled with comforting foods and connecting with family and friends - but busy schedules and colder weather can make it harder to prioritize our well-being.

Sometimes we “let it all go” over the holidays and then try to get back on track in January - but how about making small choices now and every day to care for our health and feel our best?

Try a Healthy Holiday Challenge this year - choose one small habit to practice each week!

- **Eat Well:** Add more plants! Enjoy comfort foods with lots of different vegetables, whole grains, beans, lentils, fruits and nuts. Enjoy Holiday treats but get lots of good food too!
- **Keep Moving Every Day:** Whatever “moving” you enjoy - even a few minutes - supports immunity, heart health, mood and sleep!
- **Rest & Recharge:** A good sleep supports mood, memory, immune function and energy
- **Nurture Your Mind:** Do activities that bring you joy and peace - like time in nature or your favourite hobby. Practice gratitude!
- **Stay Connected:** Reach out to someone you haven’t spoken to in a while, invite a neighbour for tea, do something kind.

Healthy living isn't about being perfect—it's about the pattern of our choices over time!

Wishing you a happy, healthy holiday season!

No-Bake Oatmeal Energy Balls

INGREDIENTS:

- ***1 cup rolled oats***
- ***½ cup natural peanut butter***
- ***¼ cup ground flaxseed***
- ***¼ cup honey or maple syrup***
- ***1 teaspoon vanilla extract***
- ***Pinch of salt***

There are so many options you can add for a seasonal twist or variety! Try:

·***Coconut flakes*** *- mix into the batter or roll and coat the balls*

·***Chocolate chips*** *- mini-sized work best*

·***Dried fruits*** *- add raisins, cranberries,or blueberries to the mix*

·***Nut or seeds bits*** *– almonds, walnuts, hemp hearts, seeds*

·***Spices*** *- cinnamon, nutmeg*

·***Cocoa powder*** *- for a rich, chocolatey taste*

METHOD:

1. *Mix dry ingredients in large bowl, then mix in the wet ingredients. Combine thoroughly.*
2. *Check if the mixture is easily mouldable. If too loose/wet, add small amount of dry ingredients. If too dry/ crumbly, add a splash of water or honey. Mix to right consistency.*
3. *Roll mixture in your hands into roughly 1-inch balls and place on a plate or baking tray lined with parchment paper.*
4. *Refrigerate about 1 hour to firm up.*
5. *Refrigerate 1 week or freeze up to 2 months!*

Revved Up & Rally-Ready!

IT'S A WRAP ON THE 2026 LAGOON CITY CAR RALLY!

TEAM JIM HELMKAY
Marty Hawley, Lisa Beech-Hawley, Jim Helmkay, Lorraine Bruce-Helmkay with Rob LePage

What a fantastic day for the 2026 Lagoon City Car Rally! With 27 cars and 96 enthusiastic participants, teams hit the road for a fun-filled adventure through Ramara and Severn Townships, answering questions, exploring local parks and making stops at a couple of farm markets along the way.

A welcome coffee break at Christie's Mill Spa kept everyone fuelled for the journey before heading to the Brechin Legion for our closing banquet. There, we were treated to a delicious meal prepared by the wonderful volunteers of the Ladies Auxiliary. With plenty of laughs, friendly competition and some impressively close scores, it was a great day from start to finish!

Congratulations to our top three teams, they took home cash prizes, but the rewards didn't stop there! Thanks to the generosity of local businesses, friends and neighbours, every participant went home with a door prize! The popular 50/50 draw added to the excitement, with proceeds shared between the lucky winner and the LCCA. Beyond the fun and friendly competition, the Car Rally is an important fundraiser for the LCCA and an opportunity to give back to the wider community. Participants generously donated non-perishable food items in support of Families in Need, and a donation was also made to the Brechin Legion in appreciation of their hospitality and ongoing support. A wonderful example of how a day of fun can make a meaningful difference!

A Special Thank You!
Behind every great event is a dedicated team! A heartfelt thank-you to our organizing committee: Led by Rob and Kelly LePage, along with Ken and Judy Low, Dawn Cox, Ron and Brenda Schuurman, Nancy Hunt, and Lorne Hemphill. Your enthusiasm, creativity and hard work made this year's rally another wonderful success.

Great company, plenty of laughs and a little friendly competition — what more could you ask for? Here's to another adventure at the 2027 Lagoon City Car Rally!

Dear Rob & LCCA Members,

On behalf of the Brechin-Mara Legion, we extend our deepest gratitude for your generous donation as a Bronze Sponsor for our Building Fund. We are very pleased to share that your gift will be formally recognized with a silver leaf on our **"Rooted in Generosity"** Sponsorship Tree.

Your contribution will assist in making a lasting impact, helping us preserve a revitalized cornerstone of our community – a place where veterans, their families, and neighbours come together in fellowship, remembrance, and support.

Thanks to your generosity, these funds will help reduce the debt incurred through our essential building renovations and ensure that the Legion remains a safe, accessible, and welcoming gathering place for veterans, members, and the community for generations to come.

Your commitment to our cause honors the legacy of those who served and strengthens the fabric of our community. We are profoundly thankful for your partnership in this important journey.

Once again, thank you for your gracious support. We promise to keep working diligently to realize our shared vision of serving veterans and members of our community.

Yours in comradeship,

Leonard Shier

KEEP MOVING, STAY CONNECTED, FEEL GREAT!

As the days grow shorter and temperatures drop, it can be tempting to settle in and stay indoors. But staying active through the colder months is one of the best things we can do for our physical, mental and social well-being!

At the LCCA, our regular weekly activities offer wonderful opportunities to keep moving, connect with friends and have a little fun along the way. Whether it's stretching and strengthening through **Yoga** or **Chair Yoga**, getting your heart pumping with a **Walking Workout**, finding your rhythm with **Line Dancing**, or enjoying some friendly competition at **Table Tennis**, there's something for everyone!

Regular movement helps improve balance, flexibility, strength and energy levels. Just as importantly, getting together with others can lift our spirits, reduce stress and strengthen the friendships that make our community so special.

A heartfelt thank you to our wonderful volunteer activity leaders who generously share their time, energy and enthusiasm to keep us moving, motivated and connected.

So this winter, don't just hibernate — come out, get moving and enjoy some great company. Your body, mind and spirit will thank you!

COUNCIL LIAISON REPORT

Unbiased reporting of events deemed important to LCCA members

Ramara Municipal Election Results

The 2026 Municipal Election took place on October 26, and the Township of Ramara has announced the **unofficial results for the 2026–2030 term of Council.**

First, a sincere thank you to all the candidates who put their names forward in this year's municipal election. Running for public office requires considerable time, effort, and commitment, and we appreciate everyone's willingness to serve our Township. We also recognize the many residents who took the time to become informed, engage with candidates, and cast their votes.

Congratulations to the following candidates who have been unofficially elected to serve on Ramara Township Council for the 2026–2030 term:

- **Mayor: Keith Bell**
- **Deputy Mayor: Joe Gough**
- **Ward 1 Councillor: David Snutch (Acclaimed)**
- **Ward 2 Councillor: Dianne Wright**
- **Ward 3 Councillor: Dana Tuju (Acclaimed)**
- **Ward 4 Councillor: Michael O'Brien**
- **Ward 5 Councillor: Gary Woods**

According to the Township, 5,456 eligible voters cast their ballots, representing a voter turnout of approximately 42.46%.

It was encouraging to see the interest and engagement throughout the election campaign, including opportunities for residents to meet the candidates, ask questions, and learn more about the issues affecting our Township.

As the newly elected Council prepares to take office on November 15, we look forward to a productive term marked by open communication, transparency, and cooperation in addressing the needs of Ramara residents.

The official election results will be available at www.ramara.ca/election following certification by the Township Clerk.

BLARE Update

With much of the recent focus on the municipal election, there are limited additional Council highlights to report in this issue. One matter of interest to residents is the ongoing work of BLARE (Brechin and Lagoon City Ratepayers Equity).

Following several months of research, document preparation, and legal consultation, BLARE, through its legal counsel, Loopstra Nixon LLP, has filed a Notice of Application with the Ontario Superior Court of Justice. The application has been served on the Township of Ramara.

For those wishing to follow this matter, the court filing is identified as:

- Court File Number: CV-26-00003300-0000

This information is provided for members' awareness only and does not represent a position or endorsement by the LCCA.

Looking Ahead

As many of you know, I spend the winter months down south. However, thanks to technology, I will continue to follow Township matters and do my best to keep members informed from afar. I wish everyone a wonderful holiday season, good health, and a safe and enjoyable winter.

Merry Christmas and Happy New Year!
