Pet **Travel** Pass

OV66 ID Verification Application Form:

Important! Before emailing the application form and copy of your pets microchip database details, **please check the microchip database carefully** to ensure the registered name and address match the details you will use to export your pet. You can check which microchip database your pet is registered to here

- Please email a **copy of your pet's microchip database registration** and this application form **(completed digitally and returned as a PDF)** to **OV66@pettravelpass.uk**

- Please title your email with your **surname, first name, pet name and pet microchip number** e.g. SMITH, JANE, TIDDLES, 123456789101112

- Please only return the form as a PDF. We do not accept screenshots or JPGs
