## PROGRAM BROCHURE

**06 MONTHS POST DIPLOMA COURSE (PDC)**

in

**RENEWABLE ENERGY INCLUDING  
SOLAR TECHNOLOGY**

**FIFTY YEARS OF SERVICE TO THE POWER SECTOR - एनपीटीआई के साथ पावर सेक्टर का सुनिश्चित समपूर्ण विकास**

## About NPTI

National Power Training Institute (NPTI), has been set up by Ministry of Power, Govt. Of India to function as a National Apex body for Human Resources Development in Power Sector with its Corporate Office at Faridabad. NPTI has been providing its dedicated service for more than five decades.

NPTI has trained over 3, 60,000 Power Professionals in regular programs over the last 5 decades. NPTI is the world's leading integrated power training Institute. NPTI is the only institute of its kind in the world with such a wide geographical spread and covering a wide gamut of academic and training programs in power sector. NPTI's committed faculty is providing excellent training in the powersector, which is the most important sector among various infrastructure sectors. A number of programs for national as well as foreign customers have been conducted. These programs have benefitted the executives from different organizations. Training provided by NPTI on Power Plant Simulators has improved Plant Load Factor of Generating Units also has increased the availability of Transmission & Distribution System and has decreased Aggregate Technical & Commercial Losses. This in turn is providing more power to the country. Thus, the training being provided by NPTI is having a cascading effect in the growth of GDP and the economy of the country.

## ABOUT NPTI, ALAPPUZHA

National Power Training Institute (NPTI), Alappuzha, Kerala, an ISO 9001 & ISO 14001 Organization under Ministry of Power, Govt. of India is pleased to introduce ourselves as a National Apex body for Training and Human Resources (HR) Development in the Power Sector. NPTI with its pioneering services in Human Resource development has rendered its services in the power sector for more than five decades. We are imparting training relating to Operation & Maintenance of the electric power plants/systems in the field of Thermal, Hydro, T&D, Renewable Energy and Latest Smart Grid to trends in Power Sector including working professionals of various power

utilities/ organizations.

## ABOUT THE LOCATION

The state of Kerala, India's most verdant state, rated by National Geographic Traveler as one of the world's 50 must-see destinations, is a paradisiacal landscape of palm-lined beaches, steamy jungles, plantation-covered hills, and tropical rivers and lakes. NPTI, Kerala is located at Pallipuram, near Cherthala railway station in the district of Alappuzha. The Venue is well connected with roads, rail and by Air. The nearest Airport is Cochin International Airport about 60 Kms away. The Venue is at the midway around 35 Kms away from Alappuzha railway junction and Ernakulam railway Junction. Alappuzha or Alleppey, known as the "The Venice of the East" is an entrancing region of awe-inspiring natural beauty with the Arabian Sea on the west and a vast tangle of cerulean lakes, serene backwaters and freshwater rivers. In the recent days, Alappuzha has developed as a major backwater tourist center and is renowned for its pristine beaches, exciting boat races, romantic houseboat holidays and coir industry.

## **ABOUT THE POST DIPLOMA COURSE:**

The course is of 26 weeks duration being conducted by this institute. The objective of the program is to understand the characteristics of Renewable Energy generation including fundamentals, applications, commercial aspects, Grid Interface challenges and regulatory provisions of Renewable Energy Technologies with special thrust to Solar Technology, Regulatory Framework and Energy Management. Renewable Energy Technologies are now fundamental to growing global effort to combat the effect of climate change. This Program is designed with the objective of developing the skills of the participants in tapping solar sources of Renewable Energy, its engineering design, and related equipment details and management.

## **ELIGIBILITY:**

Three years Diploma or Equivalent in Mechanical/Electrical/ Power/Instrumentation/ECE/Electrical & Electronics (EEE) from a recognized Technical Board/University.

## **PLACEMENT**

In order to provide career opportunities in the Indian Power Sector, NPTI maintains close linkages with the power utilities and reputed concerns for placement of trained engineers/ technicians. In the past, companies like, Abhijeet Power, Adani Power, Bajaj Energy, CLP, ESSAR POWER, GMR Energy, HINDALCO, India Bulls, IL&FS, Jindal Power, KSK Energy, LANCO, L&T, Moser Baer power, NALCO, Reliance Power, TATA Power, THERMAX, Torrent Power, Vedanta etc. visited various NPTI for placement of trainees. Sponsored candidates are not eligible for Campus Placement.

**Assured placement assistance shall be given. However, placement is not guaranteed.**

## **ON-JOB TRAINING**

On-job training is an essential supplement to formal training which provides the trainees an understanding of the functions through involvement with real work situations. Special stress is laid on acquisition of required skills for undertaking specific responsibilities in a particular area of work. On-job experience simplifies and consolidates the knowledge in a Power Sector sphere for which special type of work books have been designed according to the needs of area where on-job training is conducted. On-Job training & plant visits arranged at TPS & nearby substation & Power plants.

## **FACILITIES AT NPTI, KERALA:**

### **Laboratory:**

NPTI, Alappuzha firmly believes in providing its trainee's exposure to National and International Knowledge experts through various training programs. NPTI Alappuzha have built well equipped laboratories and workshops with wide ranging facilities for imparting training to Technicians, Operators and Engineers in various aspects of Power Stations. Some of the areas where expertise has been built are:

## 1. Multifunctional Simulator

The Simulators replicating the real-time integrated Unit operations for 210MW, 500MW, 800MW, Thermal Units, 250 MW Hydro Unit with additional functionalities of SCADA & Smart Grid are being established. The training on the multifunctional configured simulators may be on only the Thermal Power Plants (210/ 500/ 800 MW) or an integration of Thermal, Hydro (250 MW), SCADA and Smart Grid or even a integration of Thermal, Hydro (250 MW), SCADA and Smart Grid Hands on training on either of the combinations would give a perfect understanding of integrated operation of the power plant & power system.

## 2. Smart Grid Lab:

Trainer kits available in the Smart Grid Lab are:

1. High Voltage Transmission Line and Protective Systems Trainer/Simulator Kit
2. High Voltage Direct Current Transmission (HVDC) Trainer/Simulator Kit
3. Smart Grid Trainer/Simulator Kit.

The High Voltage Transmission Line and Protective Systems Trainer/Simulator shall be capable of imparting training in Transmission lines and Cable System and shall be a standalone system. The High Voltage Direct Current Transmission (HVDC) Trainer/Simulator shall be capable of imparting training in HVDC systems and shall be a standalone system.

The Smart Grid Trainer/Simulator shall be capable of imparting training on Smart Grid functionalities.

## 3. Renewable Energy Lab:

Trainer kits available in the Renewable Energy Lab are

1. Wind Power Plant Trainer/Simulator kit
2. Solar Photovoltaic (PV) Trainer/Simulator kit
3. Micro grid Trainer/Simulator kit

## SMART CLASS ROOMS:

The classrooms are well designed to incorporate everything needed for a pleasant learning atmosphere. There are Seven class rooms and one E-learning room of air conditioned well-furnished are available. Each class room can accommodate 40 participants.

## STUDENT /TRAINEES HOSTEL:

Separate hostel facility is available for ladies & gents. During the contact classes, simulator training at NPTI, Kerala and on-job training trainees can stay in the hostel and hostel is provided on nominal charges. Hostellers are to take meals in hostel on payment basis.

## AUDITORIUM

The Institute is having AC Auditorium equipped with Audio-Visual System & having capacity of 200 persons.

## HOW TO APPLY

Applications are to be filled online with payment of prescribed **Application fee of ₹500/- (including GST)**. Candidates must pay the application fee in online mode through SBI Collect. Eligible candidates can fill the application form online through the **Google form**.

<https://forms.gle/RPjTqwKTydMEgF2G7>

For detailed course curriculum and the future notifications/ information will be available on website. The candidates are advised to be regularly in touch with the website.  
<https://nptikerala.in>

### **COURSE FEE DETAILS FOR PGDC IN POWER PLANT ENGINEERING**

1	Course fee for the Non-Sponsored candidate	Rs.80,000/- (including GST) per participant with following details : a) Registration Fee of Rs.20, 000/-to be paid at the time of counselling for confirmation of admission b) Rs.30,000/-* towards 1 <sup>st</sup> installment of course fee. c) Rs.30,000/-* towards 2 <sup>nd</sup> installment of course fee.
2	Course fee for the sponsored candidate	Rs.1,35,000/- (including GST) per participant

### **BOARDING & LODGING**

The boarding and lodging charges are extra. Rooms will be provided on twin sharing basis.

- ❖ Twin Sharing Accommodation shall be provided if available on the chargeable basis of Rs. 24000/ + applicable GST for 06 Months. However, the Hostel fees may be paid in 2 installments if required.

## **PAYMENT MODE:**

### **THROUGH NET BANKING MODE:**

Click on the link below or scan the QR code

<https://www.onlinesbi.com/sbicollect/icollecthome.htm>

Select State and Type of Institution as **KERALA and EDUCATIONAL INSTITUTION** respectively and the educational institutions name as **NATIONAL POWER TRG INSTITUTE**, then select payment category as **RECEIPTS** and finally fill up all the given mandatory fields.

### **THROUGH UPI PAYMENT MODE:**

**G PAY/PAYTM/PHONE PE** etc. to **NPTI ALAPPUZHA, KERALA** account as below:

Name of the Institute: **NPTI ALAPPUZHA, KERALA**

Name of the Bank: **State Bank of India**

Account No. : **38992295505**

Branch: **Cherthala**

IFSC code: **SBIN0070081**

## **APPLICATION LINK:**
