

Fredricksburg ISD Harmful Book Problem

- Are we really protecting our children? Or are we desensitizing and glorifying suicide and self harm? Why are we allowing books that glamorize child sexual abuse?

BOOKS: HANDMAID'S TALE and SPEAK

- Both of these books voted to *STAY IN FISD* schools by the book review committee. The Book Review Committee had:
 - NO discussion, just voting
 - Anonymous voting
 - A closed meeting
- Why is this heavily biased group of people deciding the fate of instructional materials for our children?

Book: The Bluest Eye, Voted to STAY IN FISD by the book review committee (Father as he rapes his young daughter)

...a bolt of desire ran down his genitals, giving it length, and softening the lips of his anus. ...He wanted to fuck her---tenderly. ...The tightness of her vagina was more than he could bear.

**Book: Beyond Magenta
Voted to STAY IN FISD by the book review committee**

I was sexually mature. What I mean by sexually mature is that I knew about sex. From six up, I used to kiss other guys in my neighborhood, make out with them, and perform oral sex on them. I liked it. I used to love oral. And I touched their you-know-whats.

**Book: Too Bright To See
Voted to STAY IN Fredericksburg ELEMENTARY by the book review committee**

"I'm a boy," I tell her..."The word for that is 'transgender' ... "I'm going to choose a new name and might start going by that before the first day of school."

..."trans men are men" and "trans women are women". A sure, unshakeable truth.

**Book: Jesus Land
Found in Fredericksburg Middle School**

"Lick it", he says in his thick voice, pressing my head toward it. I stare at Scott's penis. There's a pearl balanced on the tan tip. It smells like liverwurst. "Like a lollipop," he's begging now, breathing hard. He wags the penis with his hand to get my attention.

He pushes my thighs apart with his knees and spits into his hand and wipes it between my legs before lowering himself onto me and prodding my inner thigh with his dick. "Stop fighting me," he says as I scoot away from his fumbling.

Share this information and please respectfully ask FISD to remove harmful, age-inappropriate books from children. Parents have been asking for over ONE YEAR!
