Plans, specifications, reports, documents, or electronic data prepared by the architect are not intended or represented to be suitable for reuse by the owner or others on extension of the project or on any other project. Any such reuse without written verification or adaptation by the architect for the specific purpose intended will be at the owner's sole risk and without liability or legal exposure to the architect, and the owner shall indemnify and hold harmless the architect from all claims, damages, losses and expenses including attorney's fees arising out of or resulting therefrom. Any such verification or adaptation will entitle the architect to further compensation at rates to be agreed upon by owner and architect. All drawings, specifications and other documents are not to be used in whole or in part for any other project without the written permission of the architect and are not to be changed or copied in any form or manner whatsoever. Copyright of the architect and must be returned upon request. Reproduction of drawings, specifications and other documents in part or whole is forbidden - do not scale drawings
