

BEAUTY & PERSONAL CARE

PROFESSIONAL STEAM STYLER

SALON-SMOOTH RESULTS AT HOME

Transform your routine with steam, ceramic technology, and the nourishing touch of argan oil.

CREATIVITY • BEAUTY • TECHNOLOGY

BRILLIANT HAIR. LESS FRIZZ. MORE CONFIDENCE.

Designed for both straightening and defining curls, this professional steam styler helps leave hair smooth, soft, glossy, and beautifully polished.

1 STEAM NOURISHMENT

Automatic steam helps replenish moisture and reduce the drying effects of high heat.

2 NANO CERAMIC PLATES

Fast, even heating and a seamless plate design glide smoothly without snagging.

3 VERSATILE STYLING

Use on dry or damp hair to create sleek finishes, soft waves, or defined curls.

DESIGNED FOR PERFORMANCE

- Fast heat-up: ready in approximately 1-2 minutes
- 360° swivel cord: flexible, comfortable, and tangle-resistant
- Ergonomic grip: created for easy handling and styling control
- Stable heat: corrosion-resistant PTC heating system
- Argan oil compatible: supports a softer, silkier finish
