

Connecting to the Cloud

- Steps for connecting to public Wi-Fi: _The Cloud (which is provided by Sky) for guests and visitors
- Once signed up and registered devices should automatically connect when visiting places with _The Cloud Wi-Fi
- Those with BU logons already can use BU-WiFi and those with other educational accounts are still able to connect to Eduroam

Get connected to _TheCloud:

Step 1

On whichever device is wanting to be used (laptop, tablet, mobile devices etc) go to wireless settings and select ‘_The Cloud’ from the options that show

Step 2

Once selected your device will automatically open a page (as shown below) where you can sign in with an existing account or register for a new one by clicking ‘Create Account’

Step 3

When creating a new account some information will be required when registering so Sky can create the account – it will also require an email address and password in order to generate the account

The image displays two screenshots of a mobile registration form for Sky WiFi. The left screenshot shows the first part of the form with fields for First name, Last name, House number, Postcode, Phone number, and Date of birth. The right screenshot shows the second part of the form with fields for Email, Password, Password confirmation, and Tailored Advertising Choices.

Left Screenshot:

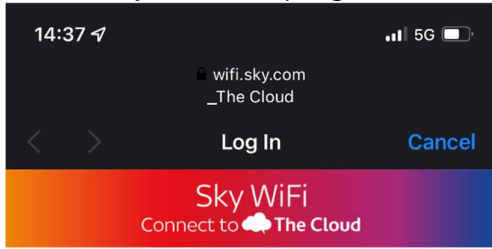

- Time: 14:38
- Signal: 5G
- URL: wifi.sky.com
- Page Title: _The Cloud
- Buttons: Log In, Cancel
- Fields:
 - First name *
 - Last name *
 - House number *
 - Postcode *
 - Phone number * (Country code: +44, Number: 000 000 000)
 - Date of birth * (Day, Month, Year)
 - Gender (Male, Female, Other)

Right Screenshot:

- Time: 14:38
- Signal: 5G
- URL: wifi.sky.com
- Page Title: _The Cloud
- Buttons: Log In, Cancel
- Fields:
 - Email (Email address)
 - Password (Your password)
 - Password confirmation (Confirm password)
 - Tailored Advertising Choices (dropdown)
- Text: Password must contain between 8 to 200 characters including an uppercase letter, a lowercase letter, a digit and a special character
- Text: Sky WiFi and our advertising partners may use certain data about you to deliver and help personalise advertisements you see. We have provided a list of our current [advertising partners](#).
- Text: To learn more about this, click the arrow below and untick the box to opt out from receiving tailored advertising or change this later using the WiFi Services Preference Centre.

Step 4

Terms and conditions will need to be agreed along with the privacy noticed – by clicking on ‘Continue’ you are accepting these terms and will be connected to the Wi-Fi

Sky WiFi Roaming Service

We provide the Sky WiFi Roaming Service in accordance with the Terms and Conditions and Privacy Notice below. By clicking "Continue" you are accepting these terms.

Step 5

Click 'Done' in the top corner to close the window and you are now connected

The screenshot shows a mobile browser interface. At the top, the status bar displays the time 14:40, signal strength, Wi-Fi, and battery icons. The browser address bar shows 'wifi.sky.com' and '_The Cloud'. Below the address bar, there are navigation arrows, a 'Log In' button, and a 'Done' button. The main content area features a 'Sky WiFi' banner with the text 'Connect to The Cloud'. Below this is a promotional graphic for 'sky mobile' with the text 'Switch to the Network of the Year' and a 'View our deals' button. To the right of the graphic is the 'Uswitch Network of the Year Winner 2020' logo. Below the graphic is a 'Welcome to University of Derby - Campus' banner. Underneath, there is a message: 'Surprised you have connected automatically?' and a 'Forget Device' button. A 'Preference Centre' section follows, with a link to 'Preference Centre' and text: 'Log in to the Preference Centre to update your marketing preference and to view Sky WiFi Roaming's Terms and Conditions and Privacy Notice'. At the bottom of this section are links for 'About Us', 'Sky Group', and the number '2058476'. The footer of the page features the 'Sky WiFi' logo and the text 'Connect to The Cloud'.
