Opposites attract in Neil Simon's celebrated romantic comedy! Newlyweds Paul, a straight-laced lawyer, and Corie, a free-spirit, have barely returned from their honeymoon, and their marriage is already on the fritz. Corie wants Paul to be more spontaneous and do things like run "barefoot in the park," and Paul just wants to get a good night's sleep. When Corie's prim and proper mother drops by for an unexpected visit, and their eccentric upstairs neighbor, Mr. Velasco, climbs in through their upstairs window, hilarity ensues! This slice of newlywed life is sure to remind even long-married couples of the pleasures & perils of falling in love!
