For Bus America Overnight Trips, there are two options available for protection of your investment in case you need to cancel your trip due to unforeseen circumstances:

Bus America's Cancellation Protection Plan (CPP)

You can decide if you would like to purchase the CPP up until the special offer registration deadline of June 30th, and you will be invoiced for the amount due with your first installment in July.

\$10 per \$100 of coverage (for example \$1925 tour price; CPP = \$10 x 20 = \$200)

This provides protection only for cancellation prior to departure for DOCUMENTED medical & personal emergencies. It is not travel insurance, and does not provide any coverage for emergencies during the trip. This protection is optional and the cost is in addition to the tour price. This plan provides a full refund of the trip cost in the event of a cancellation due to a documented medical emergency (such as illness or injury to the traveler) or an unexpected personal emergency (such as an accident or death in the family).

Travel Insurance (From an outside company, not from Bus America)

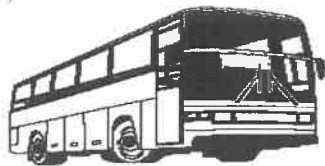

This can be purchased at any time prior to departure. However we recommend purchasing it within 2 weeks after the special offer registration deadline (June 30th) in order to have coverage for pre-existing medical conditions. Prices vary according to age, tour price, trip length, and type of plan. There are many travel insurance policies available on the market and travelers can purchase any policy from any provider to insure their trip. One company that we recommend is AIG Travel Guard www.travelguard.com. Generally, most travel insurance policies provide the following coverages:

- | | |
|------------------------------------|------------------------------|
| • Trip Cancellation | • Trip Interruption |
| • Trip Delay / Missed Connections | • Baggage Delay |
| • Baggage Damage | • Travel Assistance Services |
| • Emergency Medical Expenses | • Medical Evacuation |
| • Accidental Death & Dismemberment | |

IMPORTANT NOTE: If a traveler has to cancel and has not purchased Travel Insurance or CPP, the Cancellation & Refund Policy on the tour Terms & Conditions (on the reverse of the flyer) applies. A partial refund may be possible based on the date of cancellation. However If the date of cancellation is close to departure, we regret that we are unable to refund program fees (a replacement traveler could be provided in such cases if available).
