Jewish/Green Caskets

Abraham

The Abraham Casket is built from solid poplar wood, offering a natural and simple design. Made without metal, it follows Orthodox and religious burial customs. The smooth wood finish and sturdy build make it a practical choice for families looking for a traditional wooden casket.

This casket has a **raised-top lid**, giving it a structured look, and a half-couch opening, allowing for partial viewing. The wooden swing bar handles are strong and secure, making it easy to carry.

Half Couch; Weighs 200lbs; Interior 77"L x 22.75"W x 13.75"H;
Exterior 78"L x 28.75"W x 14.75"H

Willow

The willow plant is fast-growing and does not need to be cut down to be harvested, making this a very sustainable material from which to produce caskets. This durable casket has a flat top and attractive design perfect for families that desire a simple, yet dignified farewell for a loved one. The Willow coffin is fully lined with a natural, unbleached cotton interior, and includes a matching pillow and privacy shield.

All Wicker caskets are Made in Bangladesh and Certified Free Trade.

Note: The color of the casket might slightly differ from the images shown here on account of environmental factors.

Holds up to 350lbs; Willow Plant; Interior 77"L x 24"W x 13"H; Exterior 84"L x 27"W x 14"H

Bamboo

Biodegradable, sustainable, and free of metal, the Bamboo casket provides a beautiful, eco-friendly alternative to our willow and seagrass caskets. These simple and attractive caskets are suitable for viewing and services as well as burial or cremation. Each coffin features durable, convenient handles for carrying and an interior lined with natural unbleached cotton with a matching pillow and privacy shield. All Wicker caskets are Made in Bangladesh and Certified Free Trade. Note: The color of the casket might slightly differ from the images shown here on account of environmental factors.

Holds up to 350lbs; Willowplant; Interior 77"L x 24"W x 12"H;
Exterior 82"L x 27"W x 13"H

Seagrass

The Seagrass casket is crafted by hand primarily from willow, with attractive seagrass rope woven into the willow as an added design feature. This sturdy coffin has a slightly rounded top used to finish the elegant, yet simple design. Each casket is fully lined with a natural, unbleached fitted cotton interior and includes a matching pillow and privacy shield. All Wicker caskets are Made in Bangladesh and Certified Free Trade.

Note: The color of the casket might slightly differ from the images shown here on account of environmental factors.
