TSA Approved for air travel.

Companion Unity Floral Heart

*The Companion Unity Floral Heart
Biodegradable Cremation Urn is hand-crafted
from the bark of a mulberry tree using a
centuries old papermaking technique. Once
buried, the Unity will biodegrade naturally. This
floral version is inlaid with flower petals.*

Material: Handmade paper and inlaid flower petals

Dimensions: 8.75"L x 11"W x 7.25"H

Capacity: 400 cubic inches

The urn includes a water-soluble plastic bag for the cremated remains.

Ocean Footprints

The Sand Biodegradable Ocean Footprints in the Sand Cremation Urn is a water burial cremation urn that allows families to create a unique, meaningful and participatory ceremony offshore. The urn is produced using sustainable materials to create an attractive and environmentally-friendly alternative. Each urn is hand-crafted by skilled artisans and has real beach sand (or crushed quartz) applied to the outer surface of the urn. This water burial ceremonial urn has holes in the bottom, allowing water to enter quickly so that the urn floats briefly and then gracefully sinks.

Dimensions: 9" H x 7.5" Diameter

Capacity: 200 Cubic Inches

Carpel Rock Salt

The Carpel Rock Salt Biodegradable Cremation Urn is hand-crafted with beautiful natural rock salt. The vibrant color is derived from the natural colors of the mineral. Our rock salt urns are the first of their kind in the industry and have become very popular for sea burials or water funerals. This biodegradable urn is guaranteed to dissolve in 4 hours. Each urn is manufactured from a single piece of mineral thus ensuring the urn is seamless and free from cracking.

Material: Rock Salt

Dimensions: 10.5"H x 8.5"W

Capacity: 220 cubic inches

Opens from the top and seals with provided glue adhesive

Includes biodegradable bag for cremains with zip tie closure

Not engravable

Woven Bamboo

The Woven Bamboo Eco Friendly Cremation Urns are made using bamboo that is harvested from a plantation. These beautiful urns are hand-crafted in northern Bangladesh and have a simple cotton interior lining. Bamboo is a sustainable and renewable resource.

Dimensions: 8.5"L x 8.5"W x 8.5"H
Capacity: 367 cubic inches
Lined with simple cotton lining
Secured with string and pin closure

WOOD URNS

Celtic Cross Sheesham

The Sheesham cremation urn is a solid stylish urn made of cultured wood with a rich Indian rosewood finish. The wood's warm, reddish-brown tones and distinctive grain patterns add a touch of elegance and natural appeal to the urn. The top of the urn features an intricate old-world carving and is a popular choice due to its natural beauty. The Sheesham urn offers a beautiful and timeless tribute to your loved one and can be displayed in a home or buried in the ground. The nameplate can be personalized with your loved one's name, date and personal sentiment, making this urn is the perfect way to honor the memory of your loved one and keep them close to your heart.

Material: Composite wood with a beautiful Sheesham finish
Nameplate material: Acrylic that mimics a metallic look - this synthetic non-metallic material has incredibly crisp letter definition and edges
Dimensions: 9.125" Wide x 6.5" Deep x 4.5" High
Capacity: 200 Cubic Inches (for people weighing up to 210 pounds at their healthy weight)

Hand Carved Cross Solid Rosewood

The Hand-Carved Cross Solid Rosewood Wood Cremation Urn features a hand-carved cross on two sides and top and bottom carved vine design. It opens from the bottom with a sliding panel.

Material: Solid Rosewood
Capacity: 240 cubic inches
Dimensions: 6"W x 6"D x 9.25"H

Society Collection Coastal Gray

The Society Collection Coastal Gray Wood Finish Cremation Urn is a beautiful and timeless memorial for your loved one. It is constructed with a core of micro-density fiberboard and is wrapped with a burl wood-like finish with black border. This urn has a brass plate bottom closure. These unique cremation urns keeps style and elegance as an affordable masterpiece.

Material: MDF Core (micro-density fiberboard) and wrapped with a burl wood-like finish with black border

Capacity: 213 cubic inches

Dimensions: 6"W x 4.6"D x 7.7"H

High gloss lacquer finish

Secured with a bottom plate and 4 screws

Optional Nameplate: Material - Acrylic "Flexi Brass" - this synthetic non-metallic material combines the crisp definition of traditional brass or silver with all the advantages of acrylic.

Winston

Introducing the Winston Wood Cremation Urn— a timeless tribute crafted with care and precision. This elegant urn is a symbol of honor and remembrance, meticulously created to provide a dignified resting place for your loved one's ashes.

The Winston is crafted from solid wood, showcasing the richness of its walnut color with a highly polished finish. Its luxurious appearance adds a touch of sophistication to any memorial setting. Designed for lasting durability, this urn features a secure friction-fit bottom opening, ensuring the ashes remain protected and undisturbed.
