**"NO COWARDS
IN OUR BAND"**

**The Life and Times
of Fredrick Douglas:
Reconsidering the
Meaning of the
4th of July**

OUR DIASPORA DIALOGUE CONTINUES...

Masud will give some preliminary remarks and then we will view the show together and discuss afterwards. "Actor Masud Olufani perfectly embodies the spirit of Douglass as he narrates from Douglass's writings and presents factual information about his place in history, including his influence upon President Lincoln at the time of the Civil War, the Emancipation Proclamation, and the president's assassination."
