**The Nation-  
State and The  
Promise of  
World Peace:  
An Informal  
Reflection of  
the Baha'i  
Community  
and the 75  
Years in the  
United Nations**

**Carl began working at the U.S./UN Office as an Assistant in 1991 and became the Principal UN Representative in 2008. He works with non-governmental organizations on a number of issues including the advancement of women, sustainable development, human rights, interfaith, and civil society participation. Previously, Carl worked in the private sector in computer software development and securities investments. His undergraduate studies were in psychology and philosophy.**
