Cuisine Supreme

Ran by Caiden and Gabby, Cuisine Supreme is a live show and podcast about food- the one thing *EVERY* person can get behind. Their most recent show was aired live on the station, with Jessie and Brayden as guests. The episode was about funky Italian foods, and around five different dishes were ranked based off of likeliness to eat! Tune in to the station to potentially hear it replay and check out the MyPulseRadio youtube Channel for more live shows. The show also has an instagram @a_cuisine_supreme.

"I love doing this show because I can give back to my community through food, which everyone loves."
