

Hopewell Township Huntingdon County

Minutes from May 4, 2024

Present: Roy Smuda
Richard Buseck
John Husick

Secretary: Susan F Shontz

Employees: Chris Cooper

Visitors:

Rodney Feight, Jr – attended meeting as possible fill in for Sewer Plant Operators. Secretary will supply him with employment application to be completed and reviewed by Supervisors.

John Husick, Jr – submitted invoice for work spreading millings on River Road. Described work and how he built desired speed bumps which were later observed being destroyed by other drivers. Township needs to address this and is considering purchasing portable road bumps and installing them on River Road.

Bob and Becky LeFever – submitted Land Use permit for garage to be constructed. Permit was reviewed and approved.

Brian Hoover – attended meeting to update township on subdivision. Should be able to bring it to next meeting for final approval.

Engineer:

Did not attend

Minutes:

Read by secretary and motions made by Supervisor Husick and Buseck. All in favor.

Financial:

Check Disbursements reviewed and motions by Supervisors Buseck and Smuda. All in Favor. Other Financial reports were reviewed. Reviewed AR in detail and Secretary to send past due letters and also go to District Magistrate and file civil judgements against remaining past dues. Also have Constable serve Levenia Reed and notice of sale to satisfy past due balance.

Business

Upper Ridge Road and Puttstown Paving projects – Supervisor Smuda and Supervisor Husick to meet with District Service Manager – Jesse Theys to review projects and get approval to use Liquid Fuels funding.

Tree Removal corner of Baker/Hotnisky Roads will need to get approval from Joel and Amanda Reed.

Stone Reimbursement – Cathy Nagle, secretary to send reminder of balance due.

Topsoil removal at township property – needs to be advertised as removal in bulk.

Secretary to identify new notary hours in Saxton.

Chris Cooper has identified additional work to be undertaken at Shy Beaver Sewer Plant.

New hinges to be installed, A/C needs to be updated in pump room

Meeting was adjourned at 9:50 am

Respectfully submitted

Susan F Shontz
