Shipment, performance, or acknowledgement constitutes acceptance of these Terms. Seller agrees it shall sell, and Buyer agrees to purchase from Seller, the goods and/or services described in the Order. Seller shall acknowledge receipt and acceptance of each Order; however, if for any reason Seller shall fail to accept or acknowledge an Order within two (2) business days of issuance by Buyer the Order shall be deemed accepted. Additionally, any conduct by Seller which recognizes the existence of a contract pertaining to the subject matter of the Order including taking any action to fulfill the Order shall constitute unqualified acceptance by Seller of the Order and all its terms and conditions, including these Terms. Seller shall not submit additional or different terms and conditions, and Buyer rejects any additional or inconsistent terms and conditions offered by Seller at any time. If the Seller and Buyer have executed a prior written agreement and such prior agreement (i) has not expired or been terminated and (ii) does not expressly state that these Terms shall not apply, all the provisions of such prior agreement will remain in full force and effect and to the extent the provisions of such prior agreement are not in conflict the Terms, the Terms shall supplement the prior agreement and together shall constitute the Supply Agreement (“**Supply Agreement**”). If there is no prior agreement, or such prior agreement has expired or has been terminated, the terms of the Order, including these Terms, shall constitute the complete and exclusive statement of the terms and conditions of the contract between Buyer and Seller and may be modified only by a written agreement executed by the authorized representatives of both parties (“**Order Agreement**”). The term “**Agreement**” shall refer to either the existence of a Supply Agreement or Order Agreement as applicable.

To the extent goods or services are identified as exempt from sales taxes, the tax identification number and/or other exemption information shall be provided by Seller. The Seller warrants that the Price is not less favorable than that currently extended to any other buyer for the same or like goods or services in equal or lesser quantities. No extra charges or surcharges of any kind will be allowed unless specifically agreed by Buyer in writing. The price of goods and services supplied to Buyer by Seller is subject to decrease upon thirty (30) days prior notice to Seller provided that prices shall not be unilaterally decreased by Buyer in an amount more than 10% in any 12 month period.

6. Invoicing; Payment

Seller shall invoice no earlier than shipment or completion of services. Unless otherwise agreed in writing or required by law, invoices will be processed ninety (90) days from Buyer's receipt of a correct, undisputed invoice and then paid on the next scheduled payment run if the invoice is accurate and all subject goods and/or services have been received. Payment runs occur at least once per month. Buyer may set off any amounts owed by Seller. Seller shall issue invoices in accordance with the Buyer's instructions, which may include designated system, format, and process. Payments of invoices shall be subject to adjustment for shortages, defects, non-conformities, credits and other failures of Seller to meet the requirements of the order or prior orders. Buyer may make payment electronically or by check, provided such check is honored upon presentment by the "Payor Bank." In addition to any right of setoff or recoupment provided by law, all amounts due to Seller will be considered net of indebtedness of Seller and/or Seller's Affiliates to Buyer and/or Buyer's Affiliates. Buyer will have the right to set off against or to recoup from any payment or other obligation owed to Seller, in whole or in part, any amounts due to Buyer or Buyer's Affiliates from Seller or Seller's Affiliates. 7. Packing; Shipping; Delivery Terms

Seller will properly pack, mark, track, ship and deliver all goods according to the requirements of Buyer, the involved carriers, and the country of destination. If there are no instructions, goods will be packaged and shipped in a manner sufficient to ensure that the goods are delivered in undamaged condition. The goods shall be delivered, assembled and ready for use to the address or location specified in the Order. A packing list referencing the Order number must accompany each shipment. Unless otherwise specified in the Order or Agreement, Incoterms© Ex Works will apply to all shipments. Title and risk of loss pass upon Buyer's acceptance at the delivery point specified in the Order, except for Goods rejected or revoked after inspection. Title to all goods shall vest in Buyer upon full payment for or delivery of the goods to the buyer's Location, whichever occurs first. However, to the extent goods need to be imported by Buyer, the title vests in Buyer before importation. Unless otherwise indicated in the Agreement, Seller bears all risk of loss or damage to the goods until delivery to the buyer's Location.

9. Schedule; Time is of Essence

Seller shall meet all delivery dates and milestones. Time is of the essence. If Seller anticipates delay, it shall promptly notify Buyer of the cause, recovery plan, and new dates, without prejudice to Buyer's rights. The obligation by Seller to meet the delivery or performance date is material and TIME IS OF ESSENCE with respect to Seller's obligation to deliver goods and performance of the services. Buyer's acceptance of goods or services not timely delivered or performed is not a waiver of its right to damages. Seller bears the risk to ensure it possesses the required raw materials and components necessary to meet its delivery obligations. If an expedited shipping method is required to meet the delivery dates in the Order (or such earlier or later delivery dates otherwise agreed to by Seller and Buyer), Seller shall utilize such method and pay all premium freight costs. Buyer, without prejudice to any other rights or remedies, shall have the right to reject defective goods and/or services and, at Seller's risk (notwithstanding the terms of delivery) and expense, return the same to Seller or dispose of the same according to Seller's instructions. Payment or transfer of title shall not constitute acceptance. Buyer may

return or reject as applicable any nonconforming goods or services to Seller for reimbursement, credit, replacement or correction as Buyer may direct, or Buyer may correct and/or replace such goods or services at Seller's expense. If Seller fails to correct or replace non-conforming goods or services, per Buyer's direction, in a timely manner, Buyer may cancel the order as to all such goods or services, and in addition, may cancel the then remaining balance of the order. Any goods rejected by Buyer will be held by Buyer temporarily at Seller's risk and expense. Seller will reimburse Buyer for any packaging, handling and transportation costs Buyer incurs with respect to rejected goods. Buyer may revoke its acceptance of goods at any time, whether or not a substantial modification to the goods has been made, if Buyer finds a previously undiscovered defect in the goods which materially affects form, fit or function or substantially impairs the value of the goods to Buyer.

11. Changes

Seller is required to promptly implement such changes. Within ten (10) days after receipt of a change notice from Buyer, Seller shall notify Buyer of its proposed adjustment, if any, for the requested change including a cost breakdown and substantiation for the adjustment, whether by way of increase or decrease, and the parties shall negotiate an equitable adjustment. Any adjustment may only include reasonable, direct costs that will necessarily be incurred as a direct result of the requested change. Any Order terms that incorporate flexibility for variations or modifications shall not be considered changes within the meaning of this section and shall not be subject to adjustment unless specifically stated in the Supply Agreement. If Seller fails to provide a proposed adjustment within ten (10) days of receipt of Buyer's change notice, Seller's claim for adjustment shall be deemed waived. Notwithstanding the foregoing, Seller may not charge Buyer any additional fee and shall not be entitled to an adjustment in Price, to the extent Buyer's requested changes are to the delivery date and such new delivery date is no more than ninety (90) days after the originally scheduled delivery date.
