25% off Hot Stones

Natural Elements offers 2 types of hot stones to aid your wellness needs. **This month, save 25% on any hot stone massage!**

SALT STONES, rich in calcium, potassium, magnesium, iron and sodium, Relax and Balance the body. Their anti-inflammatory qualities boost Detoxification, Exfoliation, Improve Circulation, & more.

RIVER STONES hold a warmer heat to promote deeper relaxation and pain relief than other stones. Reduce stress and alleviate pain to a greater level than you have with massage before!

It's Chemical Peel season!

We are now proudly offering professional grade chemical peels by PCA Skin! Get your summer skin ready with a series of peel treatments custom to you and your needs.

Lash Lifts & Tints

Lash Lift curls from the base of the lash, to stand out & appear longer. We recommend pairing it with a Tint, to enhance and define the results. When finished, your eyes look larger, lashes look longer and fuller, and the entire face looks uplifted. **BYE BYE MASCARA!**

NEW SAVINGS! Lash Lift & Lash Tint duo for only \$110! Save even more with **Packages of 3 sessions at 15% off!**

All month long, save 20% on all Chemical Peel Packages!
