

Byron Bear Fishing Team 2020 Sponsorship Form

The Byron Bear Fishing Team is comprised of youth anglers in grades 1-12 who reside in the Byron area. The team provides members with the opportunity to engage in the promotion and participation of the sport of fishing.

Goal of the Program

Our goal is to give each kid hands on experience fishing while teaching and providing instructions on things such as proper fish handling, boater safety, fishing techniques along with many other things. Anglers can participate in tournaments, fishing events, fundraisers, practices, seminars and volunteer at local events and local non-profit organizations.
