**OVERVIEW-** Our eight-week summer program begins on **Monday, June 19 and ends on Friday, August 11**. Our program has a good balance of playtime and study time. We provide academic instruction every morning from 9 am until lunchtime (Mon-Thurs). Each afternoon we offer a variety of free activities, including dance, crafts, group projects, movies, karate, game time, and other fun activities. These activities are not just fun; they also teach coordination, cooperation, and listening skills.

**ACADEMICS-** Monday through Thursday begins with three hours of academic study. Our goal for the educational portion of the summer is to reinforce what the students have learned the previous year and help prepare them for the upcoming year.

**FIELD TRIPS-** Students enjoy bus trips, local walking trips, and special on-campus activities every Friday. We provide transportation, supervision, admission, and lunch for every off-campus adventure.

**TRIP SHIRTS-** Included with the registration and **required** for all off-campus events. Extra shirts are \$10 each.

**MCDONALD'S MONDAY-** You have two lunch options every Monday. You can eat the complimentary lunch or purchase lunch from McDonald's. Order forms are available in the office or by download on Curacubby. The price is \$5-\$6.50 per lunch, and they will be delivered directly to the school.

Pay online or in the office. Exact change preferred.

**COVID-19-** There will be temperature and visual screening upon arrival. As of March 14, 2022, face masks are optional. Regular cleaning and sanitation schedule will continue. The Covid-19 school policies are subject to change as deemed necessary by LA County and the Department of Public Health.
