CONFIDENTIAL BUSINESS PROFILE

Description of Business:

- Registered molecular diagnostic laboratory located in the Greater Houston Metropolitan Area. This entity has met the documentation, personnel, and infrastructure requirements necessary for High-Complexity CLIA registration status and specializes in high complexity molecular testing using an extensive array of state-of-the-art equipment and platforms, such as ThermoFisher's QuantStudio and BioRad's CFX/OPUS lines.
- The hard capital, including equipment, has a purchase value of over \$300,000.00. Despite no standing laboratory business (lab currently in a minimally operational state), this laboratory has maintained peer-to-peer service agreements with drug screening/confirmation facilities, next-gen sequencing facilities, and microbiology culturing facilities! Additionally, reagent pricing and supply chain are secured by existing purchase contracts.
- Payor mix: MEDICARE and BLUE CROSS/BLUE SHIELD.
- Total value **equipment/accessories: \$300,000**
