

The RCA Heritage Museum is excited to be celebrating 7 years here at Rowan University!

We are proud of the many accomplishments that are illustrated on the attached sheet and hope you will come visit us. We also hope you will encourage the students stop by to see a little of the history of technology that started right here in South Jersey and influenced the world.

We are here Monday, Wednesday and Friday from 9 a.m. to 11:30 a.m. or by appointment.
