The Crown Point High School Alumni Association will award two (2) \$1,500.00 scholarships to the members of the Class of 2025 who best exemplify the Portrait of a Graduate through the Six C's.

Please read each of the Six C's carefully and write a clean paragraph to explain how you have in some way exemplified each. It is not necessary that you fill all the space provided. The questions provided are intended to provoke your thinking and guide your essay; however, **the goal is a clear paragraph, and any guiding questions that do not apply to you can be entirely disregarded without penalty.** You may neatly handwrite on this packet in pen OR you may type your paragraphs on separate paper with the required signatures.

Then, choose a supervisor or Crown Point High School staff member who will verify with his or her signature that the short essay is accurate. It is likely this will require six different signatures.

(If you cannot comfortably state that you exemplify all six of the C's, it is still worth applying if you can defend that you exemplify at least four of them. It is possible in any given year that there will not be a candidate who meets all six strongly.)
