PRESIDENT'S LETTER

What a great summer we had, it is unbelievable that it is already getting cool and we are thinking about the Holidays!

We have made some progress on our roads over the past few weeks. The quarry finally has rock, so Mike Smith and the road committee

have been working on some of the areas that have not had any attention for a very long time. The back blade for our tractor arrived and has been installed. As we continue our work to improve the roads, I ask for your patience, we will get there!

I hope everyone is enjoying our nice fall weather!

Denise Lindquist
President, Leisure Lake Association

2021 Assessments

Just a reminder that your 2021 assessments are due by December 31, 2020. If payment is not received by then, there will be a 10% penalty applied and postage/handling will be added each month until payment is received. If you would like to set up a payment plan, contact the office and a contract will be written up for you to sign. As long as you make your agreed upon payment each month, you will remain a member in good standing.
