Greetings from your Lake President

Welcome summer!

I want to start by thanking everyone
who volunteered to help with clean up
and with projects around our lake.

We need to all work together as a
community by keeping dues paid and
property cleaned up.

Together, we can accomplish
anything!

Charlie Pattee
President, Leisure Lake

Vision Mission

On May 27th we held a Fish Fry and had a wonderful turnout. We are raising money for a 4th of July Firework display and improvements to our parks. Thanks to all that participated. If you would like to make a donation, please contact the office.

ELB Rental Units

All units are currently available for rent. If you need a place to store your camper, boat etc. please contact the office for square footage of each unit to determine which best suits your needs.

Volunteers

We only have two paid positions - secretary and road maintenance. Everything else is done by volunteers. If you can help out in any way, please contact the office or the committee chair.

Assessment Increase

The board voted on and approved an increase to the 2024 assessments. The first lot will be \$200 and all other lots will be \$100 per lot. Special Assessments will remain the same at \$25 per lot. The increase is needed due to all of our bills increasing. The two largest increases are for trash and rock.
