Office

Kristie Martin resigned. We have a new/old secretary - Jackie Carley. Welcome back! With Covid-19, we are requiring everyone in the office to wear a mask and limiting 1 person in the office at a time. Please don't come into the office if you are feeling ill or have a temperature, we want to protect our at-risk members. If you can do your business by phone or e-mail, please do so.

PRESIDENT'S LETTER

Thank you to our outgoing President, Mike Parkhurst and Vice-President, Alan Smith! We appreciate the time and energy both of you spent in office, especially during this crazy year! Because of the ice storms we experienced this past winter and COVID 19, we were not able to meet several months as planned, leaving it

very difficult to keep projects on track as we had all hoped.

I would like to take this opportunity to introduce myself to those of you that do not know me. My husband, Mark and I purchased a vacation home at Leisure Lake in the spring of 2017. Since that first summer we have fallen in love with the community and will make it our fulltime residence once we retire. This past spring we purchased a second house at Leisure Lake that offers us more accommodations for our children and grandchildren when they come to enjoy the lake. Over these 3 years we have seen some big changes and look forward to continuing the vision of previous Board Presidents. Thank you to the Committees and Volunteers that have made all of the changes possible!

Last fall we had a work day to clean up trees and brush along the roadways, it was a great success! We are planning another work day on October 3rd to continue the clean-up. If you can help in any way, please meet at the shelter house at 8 AM.

In closing, I would like to say that I look forward to working with all members of our community to push forward the projects that have been approved, as well as implementing new ideas that will assist us in making Leisure Lake the envy of all!

Denise Lindquist
President, Leisure Lake Association

Vending Machines

I would like to apologize for the delay on the vending machine. They are here and will be up and running very soon. The vending machine is located at the Leisure Lake Storage Unit. It will hold pop, candy, and snacks. It will also carry worms at some point. If you have suggestions on what you would like to see in the machines, text Angela (515-205-0761). Signs will be posted when open.

Vision Mission Committee

I wanted to thank everyone for all their hard work and support with the Beach Clean Up Project. We hope to have this completed by end of the year. As you can all see the great changes, we have been making with many more to come. I would also like to point out that the Beach is a family area where our kids and grandkids play. Please be mindful to the Rules, we have them for a reason. They are there to protect us all. We are seeking help with the last phase of our Beach Clean Up. We need assistance in: 1) building a berm; 2) removing retaining wall; 3) putting in French drains; 4) removing sidewalk; 5) removing fencing around bathroom doors. Please contact me (515-205-0761) if you are able to help with any or all of these projects, so I can put together a volunteer work detail.

We are also looking for donations of exterior paint any amount and any color for the mural on the Bath House. We are always looking for ideas, feel free to share if you have any. We have placed an Info Board up at the Mailboxes. This will show dates, times and info on upcoming events and work days. Please join us if you are available any time. It will also show the same info for The Ladies of the Lake.

Don't forget our fundraisers. We have new shipment of t-shirts/tank tops, just stop in at the office or call Angela (515-205-0761) to get yours! Kayak rentals – enjoy the water with your family and friends rent a kayak for the day. Kayaks are available at the leisure lake storage unit and can be rented at the office or calling Angela. More Fundraiser are to come so keep an eye out and thank you again for all your support.
