Greetings from your Lake President

Nice to see the boats back on the water and fishing season in full swing. I would like to thank all those who helped with beach cleanup and other various projects, your time volunteering has not gone unnoticed!! Nice to see all the work being done on the dam and guard rail. Let's keep the momentum going forward!!!

Have a great Summer!

Charles Pattee

Office Remodel

The office remodel is almost done, just a couple small touch up projects remain. Just a reminder it was done by donations, no assessments were used in the remodel. Stop by and check out the changes

Ballots

If your assessments have been paid in full by May 31, 2025, you will receive a ballot. The ballots look different this year because of three proposed by-laws that need to be voted on as well as the board of directors. Please fill out your ballot and either bring it to the office or mail them to the office. They must be received before the annual meeting on August 9th to be counted.
