March 27, 2017, In the Year of our Lord

March 27, 2017 was the first hearing in the Nevada Legislature on [SJR10](#) to **Rescind all previous applications for Article V Conventions including a BBA**. I was asked by the very liberal Democrat Sponsor Senator Segerblom to sit at the table with him and give testimony. Democrat Senator Atkinson on the Committee was so amused by our left-right cooperation that he took our picture to send out on Twitter. The basis of my testimony is in the handout below.

[REDACTED] In addition, about 10 liberal organization lobbyists testified with Me-Too's.

It's looking very good for passage in the Senate where we have a Democrat majority. I have also garnered a majority of Republican votes in the Senate.

Why Rescind all Previous Applications for an Article V Constitutional Convention?

An Article V Constitutional Convention Cannot be Limited

The highest authority in the United States to ever speak out on a Constitutional Convention is Former Chief Justice Warren Burger who stated: "I have also repeatedly given my opinion that there is *no effective way to limit* or muzzle the actions of a Constitutional Convention. The Convention could make its own rules and set its own agenda. Congress might try to limit the Convention to one amendment or to one issue, but there is no way to assure that the Convention would obey. After a Convention is convened, **it will be too late to stop the convention** if we don't like its agenda..." <https://www.eagleforum.org/topics/concon/pdf/WarrenBurger->
