Great News! Late last night **SJR10** was introduced in the Nevada Legislature to **Rescind all previous Article V applications in Nevada which includes an Article V for a Balanced Budget Amendment.**

It was introduced by a handpicked Democrat. We have a Democrat majority in the Senate and Assembly. We are working hard. **We do not want or need any Emails from out of state.** We feel that they are not necessary or helpful at this time. Your prayers are very welcome.

I will let you know of our progress. No hearing is scheduled yet. Below is a copy of the Resolution. **We feel it is an EXCELLENT Resolution!**
