

Group Pricing

Portsmouth Group Pricing

Each **Group Pricing** package includes a 1.5-hour total booking time with:

- 1.5-hour axe throwing experience for your private group w/our Axeperts instructing on proper throwing technique and running group games.

The regular pricing of Southern Ohio Axe Throwing presumes that for any number of people 12 or less, the experience is expected to have the potential to include non-related people to be put together in the same time slot. This allows for efficient use of SOAT resources and the more people you have in a time slot, the more fun the games that are played will be. Besides, who doesn't want to make new Axe Throwing Friends?!?

We do understand that there are times where you will want your group to be exclusive and not be potentially mixed with other people...purchasing the full experience provides you with the opportunity to do just that and guarantee that you will have your private experience.

Group pricing requires full payment in advance of the event to secure the times requested.

1 - 12 throwers - 1 range - \$299 [SAVES more than \$60]

- \$299 range fee (add 1-2 throwers for \$25 each, 14 throwers MAX) **

** adding people beyond 12 per range may require more time than 1.5 hours and does decrease how much each person might get a chance to throw.
