

IDEAL Leadership Experience Set

Enhance leadership capability and accomplish meaningful business goals.

What This Is

A comprehensive leadership set built around a framework intentionally designed to support both people and business goals—not one or the other—supported by tangible tools and built-in implementation guidance helping managers achieve goals without compromising employee morale.

Key Outcomes

- ✓ Elevates leadership skills and employee confidence
- ✓ Provides new hires with leadership training from day one
- ✓ Reduce turnover and strengthen engagement
- ✓ Create clearer expectations and follow-through
- ✓ Turn goals into structured, achievable action
- ✓ Build a stronger internal leadership pipeline

What's Included

- ✓ IDEAL Leadership Framework™ Guide
- ✓ Team-building communication activity
- ✓ Monthly Calendar Planner
