All classes are 55 minutes unless otherwise specified. A supervised study hall is available at every hour of the day and required if there is a break in between a student's classes. Classes will appear in registration selection by time period, so print out this sheet to refer to during registration. Make sure to register for all classes that you need upon initial registration, including lunch and study halls at all hours needed. as you will not be able to access class selection again without contacting administration. **Second semester classes will be separated out into their own time periods near the bottom of the class selection options for each student in the registration Hub.** Students are registered by grade and age, but you will need authorization to register for a class that is not available based on your students's grade. Refer to the course descriptions to see the individual class grade and age requirements.
