

Habersham County United Way

Dear United Way Supporter:

We are delighted to announce the **4th Annual United Way Charity Clays Tournament benefiting the Habersham County United Way**, to be held on Saturday, **October 26, 2019**.

This event is one of the fundraisers that the Habersham County United Way hosts throughout the year to raise funds for the annual Campaign Goal. The campaign fundraisers for 2019 will be used to help fund over 22 non-profit agencies and programs that benefit Habersham County residents in times of need. The mission of the Habersham County United Way is to ensure that funds raised go to help the people right here at home in the most efficient and effective ways possible. Without the generous support from the community, the Habersham County United Way could not help fund these agencies that service our community. Support the Habersham United Way by participating in the Charity Sporting Clays Tournament!

Registration forms are attached to secure your individual or team spots in this year's tournament. Individual entry is \$125 or team of 4 is \$500. We have plenty of team space available so make plans to join us on October 26th! Our goal this year is 40 teams, so please help us spread the word! T-shirts for participants can only be guaranteed by meeting the early registration deadline of **Friday, Oct 18th**. You can pay registration with a check or by credit card. If you wish to pay with a card, contact Connie Foster for PayPal invoicing. Day of event registrations are allowed as long as space permits.

We've also included information on how you or your business can become a tournament partner. For inclusion in print materials and other tournament publicity opportunities, partner commitments are due no later than **Monday, October 21st**.
