We encourage each and every member of the community to become a member and help us harness the potential of unity and numbers. We have endeavoured to keep the information required to bare minimum to keep the process as simple as possible.

The creation of a dedicated website and customised social media resource suitable for frequent interactive communication within the community is underway and will be advised shortly.

- Community outing:

We have explored the possibilities of organising a community gathering but have been limited by the strict Covid guidelines restricting the maximum number for such gatherings to twenty people. We are hopeful that this limit will soon be lifted and we will advise an alternate date accordingly. However, we realise that some of our community members are very keen to organise a picnic after the tumultuous times we have all been through. Small groups of families who wish to organise such picnics at an individual level would probably be able to do so as this circumvents the restrictions around community gatherings. However, it would be our ardent request to such families to at least include one or two families of recent arrivals so that they could also quickly integrate into our group.
