### Terms of Consignment

1. Consigner is limited to bringing in 50 items every 3 days. Items must be brought in ready-to-wear condition (freshly laundered and wrinkle-free), in current styles less than 3 years old and brought in folded flat in a basket/tote. NOTE: we cannot accept items brought in bags, smelling of smoke, wrinkled, or with stains or holes.
2. Consigner may choose to wait for items to be inspected (if a Carousel employee is available) or do a 'Drop & Run' leaving items to be inspected later in the day. You may choose to allow us to donate your 'No Thank You' items to charity, or pick them up within 2 business days. If No Thank You items are not picked up within 2 business days, Carousel Consignments reserves the right to donate them to charity.
3. We take great care ensuring accepted items are in excellent condition. However, occasionally upon processing items a stain/tear is found. We reserve the right to donate these items to charity.
4. Consignment period is 60 days (with a 5 day grace period). If you choose to pick up unsold items at the end of this period it is the consigner's responsibility to come in and pull unsold items. Be sure to bring a basket as we are unable to provide you with bags to store your items. Any expired items not picked up become the property of Carousel Consignments and will be donated to charity.
5. Carousel Consignments is not responsible for any lost, stolen or damaged items.
6. You, the consigner, will receive 40% of the actual price of sold items. After 30 days, the price of unsold items gets reduced by 25%. Other occasional discounts may be given at the discretion of Carousel Consignments.
7. A handling fee, paid for by the buyer, is added to items priced over \$2.00 and is not split with the consigner.
8. Checks are only issued once the consigner's account reaches \$25.00. If the consignment finishes before the minimum is reached, the consigner will need to bring in more items to consign. Store credit may be used at any time. Checks are issued on the 10<sup>th</sup> of each month. \*Note: Inactive accounts will be deleted after 5 years.
9. Checks can be mailed or held for 6 months. Please pick up your check promptly. If you choose to have your checked mailed to you there is a \$2.00 mailing fee. Mail: YES \_\_\_ or NO \_\_\_
