Within the first 5 minutes, you know why Robert F. Kennedy's Jr.'s blockbuster bestselling book *The Real Anthony Fauci* is now a full-length feature documentary exposing Big Pharma, Big Tech and Big Government.

During more than a year of painstaking and meticulous research and interviews, Robert F. Kennedy Jr. unearthed shocking truths about collusion, deceit and manipulation affecting the freedom, health and safety of our families.

And, despite censorship, boycotts from bookstores and libraries, and hit pieces against the author, Robert F. Kennedy's Jr.'s book, *The Real Anthony Fauci is a New York Times bestseller with over 1,000,000 copies sold!*

**And now... that book is a full-length feature film...**
