

Hi I'm John Linnehan, a "Maine First" Patriot, a Christian, a Constitutionalist, a Conservative and a Freedom Fighter. I'm thrilled to announce to every Conservative Constitutionalist in Maine the opening of Maine's first, exclusive "CONSTITUTION HALL". CONSTITUTION HALL is the mecca for like-minded, Maine First, America First, Patriots to gather freely, hold rallies, host conventions, live stream events, feature special speakers and hold any other Pro Constitutional Events you could possibly dream up!

CONSTITUTION HALL is centrally located in Ellsworth, Maine. I have leased the former Maine Coast Mall Cinema's at the Maine Coast Mall, 225 High St., Suite 2, Ellsworth, ME, 04605. My personal goal is to create a "unification hub" for the hundreds of groups, organizations and individuals all across our great State of Maine that share common Constitutional freedom goals but may not even be aware that each other exists. Creating awareness of each other creates endless possibilities of expanding our Pro Constitutional base. We must expand support both numerically and financially for our common goals and our common good. I believe we Pro Constitutionalist are in the majority, we just haven't had the net working relationships to realize it. This venue will provide the opportunity to start building these relationships NOW!

Mission Statement: *To provide a Patriotic venue to unify all groups, organizations, and individuals within Maine that share a loyalty and love for our Constitution, for our God-given Freedoms of Faith, Family and Friends and who share one common goal of TAKING ACTION to stand up for our Constitution.*

2022 is the most important year in our nation's 245 year history. Important not only for our state, but for our nation and for our individual futures as freedom loving Americans. We are inviting, encouraging and praying for every Pro Constitution Patriot to speak up, stand up, step out, join in and actively work together to turn Maine RED in 2022! RED simply means Remove Every Democrat. This will happen IF we unify on our one common issue and collectively reclaim our Constitutional freedoms that have systematically and seemingly abruptly been taken away from us...from "We the People"!

We'd love to show everyone the tremendous opportunities available for you and your group here at this wonderful, spacious facility. Let me just "whet your appetite" with a brief overview of what this facility offers for amenities:

- Two adjacent auditoriums, each with a seating capacity of approximately 175 people for a total of approximately 350 people (depending on the type of venue you have planned)
- One auditorium is called Independence Hall and the other virtually identical auditorium is called Freedom Hall
- A large Lobby area
- Last but certainly not least...a huge parking area of 300 vehicles plus... complete with its own semi private, easy access rear entrance and exit so that we are segregated away from the more congested main parking area for the rest of the Mall.

HOW MUCH DOES IT COST TO USE OUR AWESOME CONSTITUTION HALL?

DONATION POLICY

Constitution Hall operates as a non-profit. We simply ask anyone whose Application is approved to donate to help our non-profit pay the expenses to operate, maintain and upgrade as funds become available. Our out-of-pocket estimated start-up costs will be approximately \$2000/week for our first year. It would be greatly appreciated if your sponsor group would donate whatever they can afford. We understand that some organizations cannot meet that amount, whereas others can donate more. Thus, we ask that you donate what you can to help us. Constitution Hall is a faith-based, non-profit ministry. Our hope is that there would be enough donations to end each week with a positive cash flow. Don't hesitate to contact John Linnehan with any questions about this **DONATION POLICY**

We welcome your feedback on our mission and we welcome your ACTIVE participation. We want to be an inspiration for CONSTITUTIONAL UNITY and a Blessing to you all.

Contact us by email info@ConstitutionHall.org or call 207-667-3673.

Love and prayers daily,

John Linnehan, Freedom Fighter
