### WHAT YOU NEED TO KNOW ABOUT THE CHRISTMAS HOLIDAYS AND OUR WINTER BREAK.

Our holiday hours & schedules are  
provided for you below.

### THE NHHSA FOOD DRIVE

Join us in helping to make the  
coming holiday season a little more  
hopeful for those in need. Below is  
the information on this year's NHHSA  
Food Drive.

# DECEMBER 2021

## Celebrating the Holiday Season in Style!

During these times of reflection and giving, we want to thank you for how the remarkable support you give your children and their participation in our academic system. Merry Christmas! And may the coming year for you be a prosperous one.

**WE'RE STAYING DILIGENT FOR THE HEALTH OF ALL.  
A PROGRESS REPORT ON KEEPING EVERYONE HEALTHY AND SAFE**

No Outbreaks in the Classrooms.

You'd think that we would be feeling pretty

confident by now, considering our track record. But for us, it's a matter of vigilance. We have had no Covid19 outbreaks in the classrooms and we want to keep it that way.

Thank you for your continued trust and support. We intend to stay on the ball, for your sake...and ours.

## THE MAILBOX FOR LETTERS THAT GO STRAIGHT TO THE NORTH POLE IS UP AND READY TO GO!

Have a student in PreK to 4th grades? They will be practicing their writing skills in the next couple of weeks! If Santa makes his rounds to your home, then encourage your little one to send him a letter. We have it from a good source that he will write back!

## Project-Based Learning Schedule (Eastside Campus)

Below is the schedule for the PBL classes for the month of December.

If your student is on home-study, encourage him or her to join in. The classes are interactive and engaging and a great way for them to get their subject grades for the month.

- December 7, All Day Science for students in grades PreK to 2nd.
- December 9. All Day Science for students in grades 3rd to 6th.
- December 13. All Day Social Studies for students in grades PreK to 2nd.
- December 14. All Day Social Studies for students in grades 3rd to 6th.
- December 15. All Day Science for students in grades 7th to 12th.
- December 16. All Day Social Studies for students in grades 7th to 12th.

These classes are on tap *only* through our classrooms. Need more information? Give us a call!

We're Still Talking Lab Coats!

We *know* it didn't really seem that important when we first put it out, but we *really* want to encourage you to purchase a lab coat for your budding scientist. Dressing the part does make a difference, and you can get them cheaply on Amazon.

## FOOD DRIVE!

No one should go hungry this Holiday Season! Join us in doing our part to help those in need.

NHSA will be placing a box in the classroom area to accommodate your donations of canned or boxed food. It really takes so little from us and does so much for those less fortunate.

All food collected will be donated to needy families in our community.

Thank you for your support!

## WHAT IS THE HOLIDAY WITHOUT ANY UGLY CHRISTMAS SWEATER?

Rock the season with your ugly Christmas sweater!

We're giving the kids **TWO DAYS** to show us what they've got: **DECEMBER 7 & DECEMBER 17**.

Oh, and did we mention that the classroom with the coolest & ugliest sweaters will get a **PIZZA PARTY** on us, the first Friday in January? Just saying!

## HOLIDAY SEASON SCHEDULE

### HERE'S WHAT YOU NEED TO KNOW

NHSA will have a **NOON DISMISSAL** on December 17 as the Holiday Season begins. Please circle your calendars.

During this Winter Break, our offices will remain open on a Holiday Schedule: 10 am to 2 pm.

We will, however, be fully closed on Christmas Eve and New Years Eve.

Classes resume their normal schedule on Monday, January 3.

## WHITE ELEPHANT GIFT EXCHANGE

If your kids are in the spirit, it would be wonderful to have them participate in a White Elephant Gift Exchange, Friday, December the 17th.

Gifts should be \$20 or under, should be unisex, and should be gift wrapped or placed in a gift bag.

Kids love to participate with their friends!

## Enrollment Availability for December/January

Looking to enroll your child? Call us for availability in one of our three campuses: East, West, and Transmountain. We can also recommend the program of study most suited to your child's particular needs. 915-856-7243

*Early Graduation & Adult Grad Programs available.*

## PROGRESSIVE EDUCATION TAILORED TO WHAT YOUR STUDENT NEEDS

If you suspect your child is gifted or if your child is struggling in school (some struggling students *are* gifted) you should call us. In other words, if your child is not thriving, then we're your best choice. **Call us.** 915-856-7243.
