

NHHSA

JULY 2024

JULY OVERVIEW

GRATEFUL FOR OUR FREEDOMS

We hope you enjoy this Fourth of July holiday safely. **NHHSA will be closed on July 4 and 5**, giving you a long holiday weekend. We return on Monday the 8th to prep up for the coming school year.

Open HOUSE

You're Invited!

Want to check us out informally? Drop by one of our campuses on July 31 for a visit, a chat, a tour, and/or a consultation about your student's particular needs. We will happily show you around and discuss our incredible solutions to common (or not-so-common) student problems.

NHHSA's positive approach to student development and ultimate success is unparalleled. From our student-customized curriculum to our small-by-design campuses and classroom sizes, we offer your children uncompromised safety and a setting that encourages productivity.

You can call for an appointment or simply drop in. We have three locations to serve you and one opening soon:

NHSA East, 10737 Gateway Blvd. E., Suite 220

NHSA West, 5400 Suncrest Dr., Suite B5

NHSA Transmountain, 6621 Doniphan Dr., Suite G

NHSA Horizon, *COMING SOON!*

And just like that... We're Back!

We're on a countdown to the first day of the new school year!

All campuses kick off the **2024-2025** school year on **August 1**, and we're eager to have you back. It can get a little lonely without all the hustle and bustle.

If your student is on home study, you should already have a scheduled date at the beginning of August to pick up his or her new study program. If you do not, contact your child's campus office to secure the pick-up date.

Returning students are expected to *activate* their enrollment by attending within the first week of school. In the case of home study or remote learning, students activate their enrollment by acquiring their materials or logging into their remote classrooms respectively.

Students who do not activate their enrollment within the first week of school are dropped unless you have made other arrangements with your student's campus Director.

We're looking forward to having you back! And we hope you enjoy the last few weeks of the Summer Break!

LAST DAY OF SUMMER SCHOOL

Mark your calendars! The last day of summer school is July 24, giving all of our hard-working kids a nice break before the the start of the new school year.

Students will be released at noon on this day.

It's been great having you, and we admire your persistence!

OOPS!

It doesn't happen often, but there was an error in the 2024-2025 yearly calendar, which our keen eyes caught and corrected.

The corrected yearly calendar is now on our website, and we urge you to download it.

You will find a link below under *Useful Resources!*

Graduation Pictures Are Up!

Pictures of the Class of 2024 are up and available for your viewing and/or downloading pleasure

STUDENT SPOTLIGHT

Mia Garcia, NHSA Honors Student

Meet Mia Garcia, a 2024 Honors Graduate from NHHSA East. In the fall, Mia will attend a four-year university on a pre-medical track. She was accepted to Penn State University (main campus), the University of Connecticut (main campus), Berry College, NMSU, the University of New Mexico (main campus), Pepperdine University, the University of California Santa Cruz, the University of California Davis, the University of Washington Seattle, Suffolk University, and Chapman University.

Mia selected Chapman University and will be attending on a full scholarship. Her minors are Leadership Studies and Neuroscience.

We Bring Education to Life!

PIANO CLASSES

Enrollment Required

Piano classes resume at the beginning of August, and it is imperative that you enroll your child by July 20. Class sizes vary and are limited, and NHHSA accepts enrollments on a first-come-first-served basis only. So, don't miss out. There may be no piano seats left in August.

Class costs an additional \$20.00 per month, regardless of how many classes your student takes in one month.

Please keep in mind that classes fill up quickly. We require you to email us to let us know your intent to have your child in piano class and to acknowledge the additional tuition cost.

Thank you!

The **NHHSA** Online Store Is Now LIVE

Because we are expanding and adding more schools, in the interest of maintaining uniformity, we have launched an online store to service your uniform, field trip t-shirts, NHHSA bomber jackets, supplies, and more.

Please note that you can no longer buy directly from Apple Uniforms.

To make purchasing what you need easy, we have provided a link below for your shopping convenience.

When it comes to uniform shirts or field trip t-shirts, please make sure you order a shirt that represents the color of your student's campus. Here are the colors:

- NHHSA East, *Blue*
- NHHSA West, *Red*
- NHHSA Transmountain, *Teal*
- NHHSA Horizon, *Blue*

NHSA East is returning to its original blue color, but students who currently own the NHSA East shirts, long-sleeve t-shirts, and sweatshirts in maroon may continue to wear them if they choose.

Please allow 2 - 3 weeks for delivery of any order you place.

All NHSA campuses will delay uniform shirt requirements until September 16, when students will be required to wear their uniform shirts when on campus.

Let us know if you have any questions.

Shop NHSA

COLLEGE CREDITS for Outstanding High School Students

If you have an outstanding high school student who is on schedule in their studies, is goal-oriented, and would like to earn college credits while in high school, please make an appointment to meet with your school's Director to assess the possibility.

To enroll in [NHSA's College Ready Program](#), students must have a current unweighted GPA of 3.0 and must be in grades 9 through 12.

Inquire today.

Remote Learning Schedule for July

Tune into:

July 10 & 17 Fascinating Histories of American Colleges & Universities, with Mr. Andre

If you would like your student to be included in any Remote Learning Class, please let us know. If your child is currently enrolled in Summer Learning, there is no cost. If your child is not enrolled, there is a \$25 per class fee for a 75-minute class. Remote Learning classes are designed for students in grades 5th to 10th and include plenty of discussion and visual enhancements. They are outlined to fit a Phenomenon-Based Learning model.

Plus, they're fun!

To join a class, you must let us know at least *one week* in advance! As usual, we have limited space.
